as i look back

As I look back on my life
I find myself wondering...
Did I remember to thank you
for all that you have done for me?
For all of the times you were by my side
to help me celebrate my successes
and accept my defeats?
Or for teaching me the value of hard work,
good judgement, courage, and honesty?
I wonder if I've ever thanked you
for the simple things...
The laughter, smiles, and quiet times we've shared?
If I have forgotten to express my gratitude
For any of these things,
I am thanking you now...
and I am hoping that you've known all along,
how very much you are loved and appreciated.

broken mirror

A heart is like a broken mirror
It's better to leave it broken than
to hurt yourself trying to pick up
the broken pieces.

cruel world

cruel world here
cruel world there
where ever you go
there will be a cruel
world so be aware.

do you remember?

Do you remember when you said you loved me?
Do you remember telling me you cared?
Do you remember saying,
You will always be there?

I loved you with all I had
With everything I owned,
I just want to hear you
I want to pick up the phone.

But then I think, why?
Why am I calling you?
Is it possibly because
I have nothing better to do?

You said I was the best you ever had,
Do you still think the same?
Will you please bring me back,
Into this game?

I loved you, and I still do,
But I must try to let go.
Try not to think of
All my old hopes.

Falling Apart

I'm falling apart, yes i know
Why wont anyone help me
Now i don't know, i was already told
Now i cannot get free

I dont want to do this anymore
It's driving me insane
It seems like im falling farther
Im in so much pain

I can't stand it anymore
I want to runaway
I never wanted to do this before
I feel like im somewheres far away

Im losing everything
Theres nothing i can do to stop it
Im willing to do anything
All i want to do is quit

I am screaming with all my might and noone even bothers to look up
I feel so trapped and with no way out
All i want to do is to be kept shut

I wish

I wish i was your blanket, I wish i was your bed
I wish i was your pillow underneath your heaI
I wanna be around you, I wanna hold you tight,
and be the one who kisses you good night

There are a million stars and a million dreams
You are the only star for me,
the only dream i dream,

There are three steps to happiness: 1 You 2 Me 3 Our heart 4 Eternity

live

Going through the years,
Full of joy and tears.

Growing up sometimes in fear,
Wondering if anyone can hear.

Dealing with the pain,
Trying to stay sane.

Wondering if I'll ever be the same,
Feeling I have myself to blame,

Let go of the past,
Because life is too short, make it last and make it a blast.

my dad who died when i was 12 years old: (

Daddy
We shared a friendship, a bond a relationship so strong!
I'd never thought this day would come seeing you like this today.
Its so hard to accept the fact your gone forever.
Daddy promise me you will return someday.
I want to know you will be with me following me ever step of the way.
Daddy look over me and let me know your there! !
You carried
you shared
you loved
you cared
COME BACK DADDY I forgot to say goodbye: '(
Now tears prickle down my face as I reach the end of this poem as this tells a story that will never grow old.
It's the story of a truly remarkable man Frankie Edward Jones
treasure your family because they wont be there someday.
Daddy hold on it won't be long.

R.I.P Daddy

my love

You are my flower
you are my sun
you give me power
and you are my fun

I am nothing without you
so please don't leave
you know i love you
and i know you love me

You are my only one
and you should know that
you know i am not dumb
and you know i am not your mat

Love me like i would love you
because you know i am your one and only boo.

Peace at sea

there is peace at sea
you can relax without hearing a plea
where the wind blows across your face
and where the sun gleams down from outer space
your boat rocks you back and forth and it rocks you to sleep
and all you hear is the sound of the sea

alicia page

people at sea

There are people at sea
Feeling the gentle breeze
Where the sun shines down
And they are tightly bound

They row all day
and they sleep all night
on sunday they pray
And thats when they are spotted
For that they are out of sight

people do not

We seem were paying attention
though we are really not
some people think they know what petition means
though they do not

People say they love you
though they do not
people say they care about you
but they really don't

So don't believe everything you hear
usually its not true
so be aware
and trust whats inside of you.

precious mother

Mom You've given me so much,
Love from your heart
and the warmth of your touch.
The gift of life and you're a friend to me.
We have a very Special Bond
which only comes from God...
I'm sure you agree.
As a child I would say Mommy I Love You,
Now you're my Mother so dear
I love you even more
with each and every new year.
If I could had chosen,
I would have picked no other.
Than for you...to be my lifelong friend
and Precious Mother.

R.I.P (Rest in peace)

A light from our family is gone
  A voice we loved is stilled
A place is vacant in the home
  Which never can be filled

We have to mourn the lost of one
    We would've loved to keep
But God who surely loved him best
    Has finally made him sleep
After a lifetime of his love and joy
    And music to fill our ears
God leaves us with these wondorous memories
   To help us with these tears

racism

racism is everywhere
racism is all around you
so lets end racism
and fill peace, love, and joy in the air.

right across the river bend

Right across the river bend there’s a warm gentle breeze.
Right across the river-bend are trees with yellow leaves.
Right across the river bend the water reflects the sun.
Right across the river bend is a smell of innocence.

Right across the river bend a robin’s egg is broken.
Right across the river-bend are peaceful mountain valleys.
Right across the river bend a dandelion is carried.
Right across the river bend are fields of shiny green grass.

Right across the riverbend are memories made to last.

Surrender

You want to surrender everything at once
But you really never knew how
All you feel is that your proned
You don't even know how to deal with it now

Your going out of your mind
You really don't know what to do
Your running out of time
All you want to become someone new

Today is the day

Today is the day
that we all give joice and thanks
today is the day
that we all love one another

Today is the day
that we all celebrate together
today is the day
that we all live forever

Today is the day
that we spread peace and joy in the air
today is the day
that we make life seem fair

Wonder

You look back and wonder
what went wrong
Then you remember and
try to act strong

You realized you lost
someone you loved
Then you realize their
in a better place above

When everthing is starting
to fall apart
All you would want to do
is depart

When things start to get
better
You never want to go back
there again ever.
