akingbehin daniel murphy (18 march 1994)

Hi my name is akingbehin daniel murphy.
I'm 18 years of age since i really
did
Any poems, but now i've got the
bug
Again. Most of my poems are
going to
Be about true subjects. Theres
going
To be a mixture of other poems
too.
But i think a true story wins
every time.
So please check my poems and
tell me
What you think. And i promise i
will get better.
Best wishes.
Murphy
A poor boy with great talent.luking 4 help 2 further my education.i'm a school sat holder, no money 2 go 4 university education I'm young, i know. I started to write
because... Don't know really. I see
it as something fun and it brings
out as my english teatcher used
to say 'your creative side' didn't
really knew i had one until she
said those words... really. I know
my poems arn't as good as old
Shakes (May he rest in peace,
amen) I don't expect them to be.
Old shakes is my inspiration
since i knew how to say his
name. I love his poems and i
really recomend Hamlet, i love
that play, it's really good. If
there's someone who acctually is
reading this thing i hope you
haven't noticed that i love to say
really... really. Love that word!
Sounds great and... I know i'm
awnsering a very important
question while writing this. Yes i

am weird and for your
information, yes i am indeed
crazy. No not crazy, completely
out of my mind, insane, mad,
Loco! Hehe; D My friends refer me
as a 'mad genius'. But sadlly
enough i'm trying to keep the
'mad' part out of this site, don't
want anyone to sue me... really.
In a normal situation i use to
curse a lot instead for using
bruttal force. So as you see, NOT
A SINGEL CURSE! I'm accually
behaving now! Miracle! Haleluja.
Haleluja. Haleluja!

İf Only 4 A Moment

If only for a moment
Can we pretend we never parted.
Pretend you never went away
And that our Love was never
thwarted.
If only for a moment
Can we let this Love be dear.
Try remembering the good times
so i may forget all that I fear.
If only for a moment
Can i say you Loved me too.
Say that you cared for me
As much as I did you.
If only for a moment
Can we call us more than friends.
And when they ask if I still Love
you
I'll say more than 'It depends.'
If only for a moment
Can we say we never parted.
Just lie and say I never cried
Pretend this sadness never
started.
If only for a moment
Can we pretend you Love me too.
Cause it's only for a Lifetime
That I'm trapped in Love with you

A CHRISTMAS LULLABAY

A Christmas Lullaby
Sleep, baby, sleep! The Mother
sings:
Heaven's angels kneel and fold
their wings.
Sleep, baby, sleep!
With swathes of scented hay Thy
bed
By Mary's hand at eve was
spread.
Sleep, baby, sleep!
At midnight came the shepherds,
they
Whom seraphs wakened by the
way.
Sleep, baby, sleep!
And three kings from the East
afar,
Ere dawn came, guided by the
star.
Sleep, baby, sleep!
They brought Thee gifts of gold
and gems,
Pure orient pearls, rich diadems.
Sleep, baby, sleep!
Thou who liest slumbering there,
Art King of Kings, earth, ocean,
air.
Sleep, baby, sleep!
Sleep, baby, sleep! The shepherds
sing:
Through heaven, through earth,
hosannas ring.
Sleep, baby, sleep!

a friend

A broken heart he have seen
The looked in his eyes
he read my sadness
In my eyes which I try to hold my
tears
The way he looked in to my eyes
I knew that looked in his eyes
As he worries He Whispers softly
Why Are sad?
I stand still in silent voiceless we
stand
I was in tears
He held my hand
I pull it out of his
It doesn’t felt right
It doesn’t felt the same
How we used to be
I try to hold the tears till he went
The tears has fallen as he walk
out
We don’t belong to each other
Why does My soul deceiving
Oh god hear my Prays in tears
A prays that she loved you more
But why does my heart deceiving
When our loves doesn’t dies
reunite as one strangest
we slowly be a part

a friendship blessing

May you be blessed with good
friends
May you learn to be a good
friend to yourself.
May you be able to journey to
that place in your soul
Where there is great love,
warmth.feeling and forgiveness
May this change you
May it transfigure that which is
negative, distant or cold in you
May you be brought into, the real
passion, kinship and affinity of
belonging.
May you treasure your friends
May you be good to them
And may you be there for them
And may you be there for them
May they bring you all the
blessings, challenges, truth and
light
That you need for your journey
May you never be isolated
But may you always be in the
gentle nest of belonging with
your "soul friend"

a good friend is a gift

Among the great and glorious
gifts our heavenly Father sends,
Is the gift of understanding that
we find in loving friends,
For in this world of trouble that
is filled with anxious care,
Everybody needs a friend in
whom they're free to share,
The little secret heartaches that
lay heavy on their mind,
We seek our true and trusted
friend in the knowledge that
we'll find,
A heart that's sympathetic and an
understanding mind.

A Smile

A SMILE
It cost nothing, but creates much.
It enriches those who receive,
without impoverishing those
who give.
It happens in a flash and the
memory of it lasts forever.
None are so rich they can get
along without it and none so
poor but are richer for its
benefits.
It creates happiness in the home,
fosters good will in a business,
and is the countersign of friends.
It is rest to the weary, daylight to
the discouraged, sunshine to the
sad, and nature's best antidote
for trouble.
Yet it cannot be bought, begged,
borrowed, or stolen, for it is
something that is no earthly
good to anybody till it is given
away!
If someone is to tired to give you
a smile, leave one of yours.
For, nobody needs a smile so
much as those who have none to
give.

A SPECIAL WORLD 4 ME AND U

A Special World
A special world for you and me
A special bond one cannot see
It wraps us up in its cocoon
And holds us fiercely in its womb.
Its fingers spread like fine spun
gold
Gently nestling us to the fold
Like silken thread it holds us fast
Bonds like this are meant to last.
And though at times a thread
may break
A new one forms in its wake
To bind us closer and keep us
strong
In a special world, where we
belong.

A Twilight Song

My loss of you will be a minor thing,
unnoticing, the seasons yet will flow
continue waltzing proud with beauty
through the myriad months they know.
And still will seeds long since been sown,
give birth to buds of billowing spring
for your death remains unknown
to the waking sun and the April rain.
Your quiet passing will go unobserved
by the boisterous birds and bees of May,
and so will wide-eyed infant squirrels
clamber around through our backyard tree.
June will not cease, nor will July,
blithely unaware you don't exist.
Ambered autumn bows to winter's bride
as if nothing significant is amiss.
Oh, there will perish with your passing
little of beauty that is not your own,
only the grace of common flowers,
only the lilt of morning's song.

About You

About You
Your touch is with me always,
It’s burnt into my skin,
As soft and warm as sun rays
When a summer day sets in.
Your soft voice never silent,
It’s forever in my ears,
Serenading every moment
And calming all my fears.
Your arms always enfold me,
The strength of angels wings,
They support and protect me
wholly
With the safety a true love brings.
While I can never repay you,
For the wonder you bring to my
life,
I can forever be true,
And forever be a true wife.

Always Here For You
The door is always open
for you to come right in,
if you should ever need
the comfort of a friend
There’s a chair that’s always
empty,
it’s reserved just for you,
and if it’s just a hug you need,
I can do that too
I’m always here for you!

Chrismas Spirit

Put up a splash of Christmas
spirit
Put in a dash of love
Stir up the sounds ‘till you can
hear it
Sing out to those you love
Christmas, Christmas, you can fill
me
Up with Christmas cheer
Christmas, Christmas, you fulfill
my
Spirit every year
Toss up a mash of extra magic
Toss in a batch of love
Let up the lights with random
logic
Look out for sleighs above
Santa, Santa, can I have it
Please I’ve been so good
Santa, Santa, please I beg you
Please oh if you would
Get up a clash of Christmas color
Get in a catch of love
Set up and show the shiny decor
Shout out with Christmas love
Listen, listen, you can see it
Spirit everywhere
isten, listen, you can do it
Spread it out and share
Put up a splash of Christmas
spirit
Put in a dash of love
Stir up the sounds ‘till you can
hear it
Sing out to those you love
Christmas, Christmas, you can fill
me
Up with Christmas cheer
Christmas, Christmas, you fulfill
my
Spirit every year

christmas heart

, The
Christmas Heart
Let us remember that the
Christmas heart is a giving heart,
a wide open heart that thinks of
others first. The birth of the baby
Jesus stands as the most
significant event in all history,
because it has meant the
pouring into a sick world the
healing medicine of love which
has transformed all manner of
hearts for almost two thousand
years... Underneath all the
bulging bundles is this beating
Christmas heart.

cradle hymn

Cradle Hymn
Christian Christmas Poems
Hush, my dear, lie still and
slumber;
Holy angels guard thy bed;
Heavenly blessings without
number
Gently falling on thy head.
Sleep, my babe, thy food and
raiment,
House and home, thy friends
provide;
All without thy care, or payment,
All thy wants are well supplied.
How much better thou'rt
attended
Than the Son of God could be,
When from heaven He
descended,
And became a child like thee!
Soft and easy is thy cradle;
Coarse and hard thy Saviour lay,
When His birthplace was a stable,
And His softest bed was hay.
See the kindly shepherds round
him,
Telling wonders from the sky!
When they sought Him, there
they found Him,
With his Virgin-Mother by.
See the lovely babe a-dressing;
Lovely infant, how He smiled!
When He wept, the mother's
blessing
Soothed and hushed the holy
child.
Lo, He slumbers in His manger,
Where the honest oxen fed;
—Peace, my darling! here's no
danger!
Here's no ox a-near thy bed!
Mayst thou live to know and fear
Him,
Trust and love Him all thy days;
Then go dwell forever near Him,
See His face, and sing His praise!
I could give thee thousand
kisses,
Hoping what I most desire;
Not a mother's fondest wishes
Can to greater joys aspire.

D Night Of Ful Moon

O come with me into this
moonlight world.
The trees are large and soft
tonight,
With blossoms loaded soft and
white,
A cloud of whiteness furling and
unfurled.
The houses give their sounds
upon the air
In muted tones and secrecies,
Their lights like laughter through
the trees.
The evening breathes its vows
into our hair.
The evening puts its lips to throat
and brow
And swears what it has sworn
before
To others and will swear to
more.
The evening has its arms around
us now.

D White Cotton

WHITE OF COTTON
Oh, the white of cotton sheets,
the perfect edge, the perfect
pleats
The dreary walls, the lonely halls,
the soft excruciating calls
I always gladly stood by you
through every test they put you
through
The chemicals, the painful nights,
the nightmare dreams and
stinging bites
But when I saw you lying there
so thin and weak, no voice, no
hair
Your chest, your head, your
thinning back were left in
radiation black
My eyes were not prepared to
view this dying man, this other
you
Who lived with me beneath blue
sky, and now a man too weak to
cry
And oh, the white of cotton
sheets, the tubes and needles,
rhythmic beats
Metallic bed, metallic sound, a
skimpy robe they tied around
My heart was not prepared to
see you tugging chains to set
you free
And oh, how much your eyes
beseech a nurse's button out of
reach
Never had I seen on earth
discomfort's torture on a berth
With sheets of alabaster white,
with ends and corners tucked in
tight
Your rose was but a thorny bush,
a button there too weak to push
And all your pain I took as mine,
til morphine's regulation time
A bowl of soup you could not eat,
disturbing words you could not
speak
A skeleton between the threads
of sheets of white on metal beds
And every player played his part,
but no one had prepared my
heart

death is nothing at all

Death is nothing at all...
I have only slipped away into the next room
I am I, and you are you...
Whatever we were to each other, that we are still...
Call me by my old familiar name, speak to me
in the easy way which you always used.
Put no difference in your tone; wear no forced air of solemnity or sorrow.
Laugh as we always laughed at the little jokes we enjoyed together.
Play, smile, think of me, pray for me.
Let my name be ever the household word that it always was.
Let it be spoken without effect, without the ghost of a shadow on it.
Life mean all that it ever meant.
It is the same as it ever was; there is absolutely unbroken continuity.
What is this death but a negligible accident?
Why should I be out of mind because I am out of sight?
I am just waiting for you, for an interval.
Somewhere near, just around the corner...
All is well.

akingbehin daniel murphy

death is nothing but a pause

The life that I have is all that I
have,
The Life that I have is yours.
The love that I have of the life
that I have,
Is yours and yours and yours.
The sleep I should have the rest
that I should have,
Yet death will be but a pause.
For the peace of my years and
the long green grass,
Will be yours and yours and
yours.

don't forget jesus

Don't Forget Jesus
Christmas is a special time
To reflect on Jesus Christ
The wonder of His lowly birth
Brings meaning to our lives
There really is no other reason
We celebrate this day
The birth of God’s precious son
And the life He willingly gave
But so much seems to distract us
In the busy-ness of our lives
We lose our focus in all the happenings
Not knowing, we leave out Christ
We lose sight of the true meaning
As we endlessly rush about
Trying to find that perfect gift
Seems to cloud our Saviour out
We need to stop and reflect awhile
Remembering our precious Lord
His birth, His life and sacrifice
And all that He stands for
For though the world may celebrate
It seems though for other reasons
Let’s keep in mind that Jesus Christ
Is the true meaning of the season.

Dream Of U

In my dream you give me a chance
And I try my best to bring trust back in you again
In my dream I can hold you your hands
And try to pull you closer in every way that I can
In my dream I wipe away your teardrops
And create for you a new hope
In my dream I take you to go shop
And the endless fun seems never stop
In my dream I hold you tight
And keep you warm throughout the night
In my dream you tell me 'Baby don’t make me cry!
And don’t leave me like all these other guys! '
In my dream you kiss me tenderly
And it makes me feel so heavenly
In my dream I make you believe
And you can count everything on me
In my dream I have all that
But when I awake- where’re you at?
In my dream, I have all your T.L.C
When I awake, no one around but just me…

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.
Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

Happy Summer Days

Happy Summer Days
Tinkling wind chimes
Soaring kites
Scenes of Summmer
Long, balmy nights
Aircraft against blue sky
Vapour trail writing
Lawn mowers buzzing
Barbecue lighting
Fun bouncy castles
Families out biking
Backpacks on
Walking and hiking
Splishing and splashing
Paddling pool or beach
Summer fruit tasting
Berries, kiwi and peach
Ice cream and soda
Picnics by streams
A slow game of cricket
On small village greens
A punt on the river
Or sail out to sea
Windsurf or kitesurf
Happy Summer Days

Happy Today

Happy Today
Happy today
That's how I'll stay
Sadness, despair
I don't care to share
In misery and moaning
In sighing and groaning
Happy today
This is my way
Smiles and kind words
Listening to birds
Feel sunshine inside
Self-esteem and pride
Happy today
Take time to play
Lunch with a friend
Go shopping and spend
Time for yourself
Tme on your health
Happy today
Self-love is the way
Try yoga or meditate
A crossword or cogitate
On poems and rhyme
Or the passing of time.

hope

'Hope' is the thing with feathers
That perches in the soul
And sings the tune without the
words
And never stops at all,
And sweetest in the gale is
heard;
And sore must be the storm
That could abash the little bird
That kept so many warm.
I've heard it in the chillest land
And on the strangest sea,
Yet never, in extremity,
It asked a crumb of me.

hope of loving

What keeps us alive, what allows
us to endure?
I think it is the hope of loving,
or being loved.
I heard a fable once about the
sun going on a journey
to find its source, and how the
moon wept
without her lover’s
warm gaze.
We weep when light does not
reach our hearts. We wither
like fields if someone close
does not rain their
kindness

I Could Not Be Done

Somebody said that it couldn't be done,
But, he with a chuckle replied
That 'maybe it couldn't' but he would be one
Who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
On his face. If he worried he hid it.
He started to sing as he tackled the thing
That couldn't be done, as he did it.
Somebody scoffed: 'Oh, you'll never do that;
At least no one we know has done it';
But he took off his coat and he took off his hat,
And the first thing we knew he'd begun it.
With a lift of his chin and a bit of a grin,
Without any doubting or quiddit,
He started to sing as he tackled the thing
That couldn't be done, and he did it.
There are thousands to tell you it cannot be done,
There are thousands to prophesy failure;
There are thousands to point out to you, one by one,
The dangers that wait to assail you.
But just buckle right in with a bit of a grin,
Just take off your coat and go to it;
Just start to sing as you tackle the thing
That cannot be done, and you'll do it

I Love U

love you like I love a day
when everything goes right
I love you like I love to lay
and watch the stars at night
I love you like I love the rain
its lustful calm embrace
I love you like I love to laugh
until it hurts my face
I love you like I love to drive
with no real destination
I love you like I love the thrill
of pure infatuation
But most of all I love you like
I love a cherished friend
Who holds me tight, dries my
tears
and loves me to the end

i luv u

When we first were truly
acquainted,
I nearly fainted.
You were everything I was
looking for,
and even more.
A couple months later you asked
me out,
I gratefully accepted without a
doubt.
Now you mean the world to me,
I know we are meant to be.
I think about you day and night,
Never wanting you to leave my
sight.
The first time we kissed...
Oh what wonderful bliss!
I love you more than I can ever
express,
Your my first love that I confess.
I will always remember the way
we held hands,
The way you never gave me any
demands.
Your an angel that God sent to
me,
If only we could forever be.
I don't ever want our
relationship to be through.
Hopefully we never have to say a
final 'I love you'

If There's

If There's
If there's one face I want to see,
so beautiful, so true,
one smile that makes a
difference,
to everything I do.
If there's one touch I long to feel,
one voice I long to hear,
whenever I am happy,
or just needing someone near.
If there's one joy, one love,
from which I never want to part,
it's you, my very special love,
my world, my life, my heart.

I wish you have an amazing day
and a night without regrets.
Good morning buddy. Have a
grand day!

It's Perfect

It's perfect, and touches me deep
First thing in the morning, when
I hear you speak
And last thing at night as you bid
me sweet dreams
The brush of your lips lets me
know what you mean
And all of the hours that pass
through the day
Those spent together and when
you're away
I think of you always, imagine
your touch
Think how to show you, I love
you so much
So when we're apart, and you
long for me near
Just try to remember, you're
already here
For deep in my heart, where no
one can see
You'll be forever, together we'll
be

Keep Smiling

KEEP SMILING!
If at times you feel you
want to cry
And life seems such a
trial
Above the clouds there's
a bright blue sky
So make your tears a
smile.
As you travel on life's
way
With its many ups and
downs
Remember its quite true
to say
One smile is worth a
dozen frowns.
Among the worlds
expensive things
A smile is very cheap
And when you give a
smile away,
You get one back to
keep.
Happiness comes at
times to all
But sadness comes
unbidden
And sometimes a few
tears must fall
Among the laughter
hidden.
So when friends have
sadness on their face
And troubles round them
piled
The world will seem a
better place
And all because you
smiled.

let dance

There was a girl named Marie
Oh she loved to dance
When she went out
All the boys wanted her
She would glide
From side to side
Never a care not one
Then one day a boy
Started poking fun
Well she danced and danced
But then found she grew tired
All that poking it seems
Gave here a spare tire
Well soon the tire was gone
and little Mary took on
The dancing for her mom

Morning

Morning brings hope
A day, however good or bad, has
gone by,
Now it is the time to look at the
bright blue sky.
The sea that gleams with the
light of the shining sun,
and birds that chirp with pride,
ask us to join in the fun.
Morning is a God's way of
reminding all of us,
That love and hope still exists in
the world.
Good morning dear. Have a lovely
day!

morning poem

Morning Poem
Every morning
the world
is created.
Under the orange
sticks of the sun
the heaped
ashes of the night
turn into leaves again
and fasten themselves to the
high branches -
and the ponds appear
like black cloth
on which are painted islands
of summer lilies.
If it is your nature
to be happy
you will swim away along the
soft trails
for hours, your imagination
alighting everywhere.
And if your spirit
carries within it
the thorn
that is heavier than lead -
if it's all you can do
to keep on trudging -
there is still
somewhere deep within you
a beast shouting that the earth
is exactly what it wanted -
each pond with its blazing lilies
is a prayer heard and answered
lavishly,
every morning,
whether or not
you have ever dared to be happy,
whether or not
you have ever dared to pray.

MY 1ST LUV

When we first were truly
acquainted,
I nearly fainted.
You were everything I was
looking for,
and even more.
A couple months later you asked
me out,
I gratefully accepted without a
doubt.
Now you mean the world to me,
I know we are meant to be.
I think about you day and night,
Never wanting you to leave my
sight.
The first time we kissed...
Oh what wonderful bliss!
I love you more than I can ever
express,
Your my first love that I confess.
I will always remember the way
we held hands,
The way you never gave me any
demands.
Your an angel that God sent to
me,
If only we could forever be.
I don't ever want our
relationship to be through.
Hopefully we never have to say a
final 'I love you'

my sweet lady

My sweet lady you!
When I first met you,
I was all in a trance,
I told you my secrets,
you told me yours.
I bet you thought I'd never love
you, ,
who would have thought.
We would be more than just
friends,
I got to know the real person
you.
A soul so caring, a soul so dear,
with a heart so true, your love so
pure.
You are the wings that fly me to
the moon,
I'll never leave, I'll rather stay,
Because of the feelings, I have
for you.
You'remy shining star, in life's
blue sky,
and sometimes, I wonder, is this
all so true?
So I've decided,
time will tell.
If we're to be,
Time will reveal, what lies ahead.
But always remember,
what I am saying.
Meeting you, has changed my life,
I truly love you.
the feelings I feel, I feel for you,
I'll never let you go.
I need you so,
you'll always be, my sweet lady,
''you''!

Ode Is A Beautiful Girl

Your magnificent eyes, dark
emeralds aflame
Your silky bronzed hair, still
perfect in rain
The way you walk, a light
antelope in prance
So cheerful and happy, ever
ready to dance
Your lithe Brazilian figure, I
marvel through the days
How beautiful you do become, in
the wondrous sunshine rays
On those rare moments, when
your eyes meet mine
I feel a warm pleasure and a chill
down my spine
When I hear your sweet laughter,
a melodious tune
I feel alive, full of joy; I could fly to
the moon
I sit idly nigh always wishing
you'd see
Perhaps even come and sit down
next to me
I watch how you smile, and send
jolts through my heart
Your sensual features a fine
work of art
Sometimes I watch the evening's
amber sun
And I calm myself down, from
thoughts weighing a tonne
The soothing orange invigorates
my mind
As do you, always so kind

perplexity

Perplexity
Sailing through the sea
Dancing in the wind
Listening to the music play
from a distant town around
Still on the seat of wonder as
I try to discern the ‘forest' of
my thought
Lying in the cool arms of
time and sailing through the
dew of thought
I realize; but sometimes……
There you came; though you
walked your way but I was
caught captive
Yes, yes I knew that if God
endorses that someday I will
find you
But it was my last
expectation to see you soon
I cried, yes I cried because
you threw me in a state of
confusion
Though I expected joy, but
‘joy' came to steal my joy
But; is this really you or
apparition?

priceless friend

Priceless Friend
Whenever I stumble
Whenever I fall
Whenever I need a friend
You always answer my call
You are always there for me
You've never let me down
You've always shown sincerity
Eased my fears and erased my
frown
You are a priceless friend
One I dearly value
And I am so thankful
For everything you do

rays of roses

Rays of Roses
I love with breeze and
shadows that cools the jewel
back
Where she lays her head
under the rose tree cuddled
by the sun
She sparked a glow in me
She said her name was
"senorita" and I said she's
‘sunshine'.
Even though she smiled, she
seemed more than magic cos
she has a face only the sun
can explain
Her lips were full like wine-
pitcher a queen's hip I
cannot swing
Awaiting a lip I cannot kiss
even when the blood is hot
Sometimes I wait for the
sorrows of the marrow
Sometimes I cannot let my
heart sing a love I cannot
share, a deal I cannot seal
She said it was only time for
mist to haste into dawn
But sometimes I fear as I
wait the thrills of tomorrow
cos even home is barking
only for my security
Will I ever kiss your lips?
sometimes I ask…… well this
is only Romeo's heart
oh that silent whisper: when
will it be day time? Daytime
forevermore

reflection

Reflections
Gazing into the waters, I saw
myself at the edge of a pond
I gazed at my reflection, it gazed
at me, I felt an eternal bond;
I saw my own image, was a
mirage, a creature water bound
It saw a mirage craning over it, a
creature bound to the ground.

Saint & Philosopher
The bowl that floats on the
ocean, can only the waters
crown,
The sieve that tastes the waters,
in the ocean will drown
The philosopher who describes
love and truth is but an empty
crown
The Saint who embraces truth
and love will gladly drown.

She Walks In Beauty

'She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes:
Thus mellowed to the tender light
Which heaven to gaudy day denies.
One shade the more, one ray the less,
Had half impaired the nameless grace
Which waves in every raven tress,
Or softly lightens o'er her face;
Where thoughts serenely sweet express
How pure, how dear their dwelling place.
And on that cheek, and o'er that brow,
So soft, so calm, yet eloquent,
But tell of days in goodness spent,
A mind at peace with all below,
A heart whose love is innocent!

Smiling

SMILING
Smiling is infectious,
you catch it like the flu.
When someone smiled at me
today
I started smiling too.
I passed around the corner,
and someone saw my grin.
When he smiled I realized,
I'd passed it on to him.
I thought about that smile,
then I realized its worth.
A single smile just like mine,
could travel round the earth.
So, if you feel a smile begin,
don't leave it undetected.
Let's start an epidemic quick,
and get the world infected!

the begger

The Beggar & the Tourist
I saw an old man lying by the
side of the street starring into
oblivion
What a simple existence,
purposeless and futile my
opinion
He saw a young man busily
running around in futile pursuit
Only to fulfill what he was taught,
someone's ideal to suite
I see the existence of a beggar,
idle and senseless
He sees the life of a slave,
brainwashed and defenseless.

The Flame

I'm standing in front of the silent grave,
looking at your name, carved in the stone.
A cold wind is swinging branches of pines
in the dark graveyard without any light.
Obscure clouds are overcastting the skies,
restraining their sadness over this sight.
Beside me, there's a candle on the grave.
Its flame is floating over the gray stone,
making mystic shapes, filling me with fears,
flying as far as it can, hurrying on its way,
leaving me lost and afraid, alone in tears
like every shiny light you've taken away.
The snowflakes are falling over the grave.
Your name is disappearing from the stone.
The fragile flame doesn't shine anymore.
The last light of my life has abandoned me,
following you up to the Heaven's shore
to swim with you in the Paradise sea.

THE ONE AND ONLY

The One and Only You
by akingbehin daniel murphy

I want you to remember
Those good old days
Those days of happiness
When everything went your way
I want you to cherish these memories
I don't want you to let them go
And I hope they make you happy
As they did so long ago
I wish I could comfort you
Shield you from life's pain
I wish I could just give you everything
You definitely deserve something to gain
You've always told me not to give up
Well here is a lesson for you
If you ever need me, call
That is all you have to do
You've been through so much these days
I'm sure God has something planned out
But in order to see it
You cannot be blinded by doubt
So help me help you
Tell me everything you're going through
Let go of all these troubles
Because the more you hold on the more it doubles
Please, I can see your smile fading
I can hear your voice crack
You may not be near
But you know I got your back
In the past I wasn't always there
Give me a chance this time
I swear on my life I'll be right beside you
To save the emptiness in your mind
With your heart so fragile
With your soul so true
This is a tribute
To the one and only you
So smile your gorgeous smile
Walk with your chin held high

Get up off the ground
Don't let your dreams die

The Travelerz

I travel with my eyes,
Watching those silently cry,
Asking themselves the question
why,
Someone left them without
saying goodbye;
I travel with my thoughts,
I travel with my pen;
To write about children, women
and men;
I travel with my voice,
I travel with my hope,
That something new, would
spring into my horoscope,
Whether in Asia, America or
Europe,
There'll always be something
interesting to scope;
I travel to many different places,
Mix with many races,
Identify tribesmen by their faces,
And little girls by their laces,
I travel without money,
So, please listen to my testimony,
The good, the bad and even the
ugly,
Every experience is worth life's
journey,
For I'll always be marvelled,
When ever I travel.

The Way U Make Me Feel

The Way You Make Me Feel -
I can't believe
the way you
actually make me
feel,
You make me so
happy that I
can't believe it
is real,
All the times
when we talk you
make me have a
huge smile,
When we stop
talking I still
think of you for
along while,
I wish we could
get closer
because you make
me feel great,
You make me smile
early in the day
and until it gets
late,
It's the things
you say to me and
the special looks
on your face,
Since you make me
so happy I have
put you in a
special place,
That place is my
heart and there
you will always
be known,
I can't wait
until i talk to
you on the
computer or the
phone,
You can make me
smile from the
way you walk or
stand,
It's the little
things you do; I
don't know if you
understand,
You are so sweet
and beautiful I

don't believe
your real,
I have to thank
you for it all
and that' show
you make me feel!

The White Cotton

WHITE OF COTTON
Oh, the white of cotton sheets,
the perfect edge, the perfect
pleats
The dreary walls, the lonely halls,
the soft excruciating calls
I always gladly stood by you
through every test they put you
through
The chemicals, the painful nights,
the nightmare dreams and
stinging bites
But when I saw you lying there
so thin and weak, no voice, no
hair
Your chest, your head, your
thinning back were left in
radiation black
My eyes were not prepared to
view this dying man, this other
you
Who lived with me beneath blue
sky, and now a man too weak to
cry
And oh, the white of cotton
sheets, the tubes and needles,
rhythmic beats
Metallic bed, metallic sound, a
skimpy robe they tied around
My heart was not prepared to
see you tugging chains to set
you free
And oh, how much your eyes
beseech a nurse's button out of
reach
Never had I seen on earth
discomfort's torture on a berth
With sheets of alabaster white,
with ends and corners tucked in
tight
Your rose was but a thorny bush,
a button there too weak to push
And all your pain I took as mine,
til morphine's regulation time
A bowl of soup you could not eat,
disturbing words you could not
speak
A skeleton between the threads
of sheets of white on metal beds
And every player played his part,
but no one had prepared my
heart

Thinking Of You

I thought of you today but that's
nothing new
I thought about you yesterday
and the day before that too
for every day good or bad you'll
always be in my head
I hope you've understood
everything I've said
this isn't just a joke or a silly lie
I'd never do anything to make
you wanna cry
I'm sorry if I do something to
make you really mad
it only comes back and makes me
really sad
I really do love you and
everything you are
I hope this relationship gets
really far
I'll never get you out I simply
don't know how
in fact I'm thinking of you right
about now
you're everything I need and
everything to me
you know exactly who you are
and what you want to be
you always make me smile just
by being there
I hope you know how much I
really do care
every time I think of you my
stomach seems to twist
This is why I love you, I've made
a huge list
the list goes on forever and
never will it end
neither will our relationship you'll
always be my friend
not just a simple friend but a
special friend at that
I want to spend my whole life
with you

Too Late

TOO LATE
I didn't know I loved you
Until you went away.
I didn't much think of you
Up to that final day.
The music that was you
I only noticed when it stopped.
I didn't take the time to
Tell you that I cared a lot.
My love of life went with you
Too late for me to say
I didn't know how much I loved
you
Until the day you went away.

Because I care
And that’s the way

The sun over head is shinning

I said!
Have a good morning!

WHEN I LUK INTO UR EYES

When I look into your eyes, I am nothing but surprised.
I know about your past and how it didn't last,
How you got hurt, burnt, Abused and used,
and i bet your confused.
You deserve better, if not always and forever.
You said you didn't care, But you couldn't bare,
Isn't it such a scare.
Let me into your life and Ill show you that I care.
Like an endless dream Ill always be there.
I know your busy but please make time.
Working so much should be a crime.
You need time alone, and some time to think,
Let your feelings out why having a drink.
Forget about the past and look to the future,
I know your not ready, and I'm not trying to push you,
Just wanted to let you know that ill always be with you.

Who Do I

What do I do, now I've reached
the edge?
The cliff is steep to the plain
below.
Miles upon miles of emptry air
And no hand will I hold, but your
hand
and you are not there!
What do I do when smothering
black
Of night engulfs me... coldly dark
So dark I tingle with sudden fear
No arms do I need but your arms
And you are not there!
What do I do with a life that tells
the end of the world in a
darkened mist
But still must keep senselessly on
No love keeps my heart, but your
love
And you... you are gone!
