The clock is high
The sun is bright
The moon is ticking
The birds are singing
The women are weeping
Because there man are cheating

Curtis Brown

Girl

When i see you my heart stop
Your smile is what brightens up my day
When you walk into the room
I see no one else
Your eyes shine like a diamond in the sun
i do believe you are the one
That will change me for the better.

Help! !

</>I'm lost in my mix emotion
Not knowing what to do
Trying to finger out
If i should be with you
It feel like you don't wont me to
If so
Then let me know
And ill let you go
I'm trying to understand
But it's hard for me to
Because the words that you are saying
Is ripping me into
I know you been through a lot
And you still going through it
But i'm here baby
To get you through it
I will listen
I will try and understand
I will help as much as i can
Let me help that broken heart
Because truthfully
I might not know what love is
But with you i know i can find out

Curtis Brown

Me and You

I love the way you smile
I love your dimples
When I look into your eyes
Everything feel so simple
With you in my arms
It feels like nothing is wrong
My past might catch up
But with you
I know I can not mess up
Ride or die
Smoke and fly
Kiss or shew
It don't matter boo
Because it just me and you

Curtis Brown

Missing You

I miss your kisses
I miss the warmth of your body
I miss the feeling i get
When i look into your eyes
I miss the way you feel in my arms
The smile you put on my face
Avery day
I miss the beat of your heart on my chest
I miss you baby
you is my heart not was
Without you
I can not live

Curtis Brown

someone

Who would have known
Someone like me
Would meet someone like you
someone as beautiful
Someone as smart
Someone that fills my heart
With love & laughter
Someone so kind & sweet
Someone like you
That i was bliss by god to meet

Curtis Brown

Time

People say love will never happen
People say love is fake
People say love is made up
I say love is time
Time never ends
Time comes and goes like the wind
I say never give up
Love will all ways fine its way back again

Curtis Brown

with you

</>I'm happy when i'm with you
I'm happy when i'm around you
Without you i can not breath
When i'm in your arms I feel so weak
When I look into your eyes
I feel my self falling to my knees
You have me baby
So don't let go
I love you baby
With all my souls
