baby to lady

I Neva thought that I will meet some1 like u
I Neva thought that you will care for me
Baby please don't leave me
The thought of us been apart drives me crazy,
Just curz ma name is young wizzy
Does not mean I am dizzy

I just want you to be my baby
My right hand lady
Side by side like a daisy
Just 079 me wen aver you are busy &
I will be there to make things easy.

Baby girl please take it easy
So you can live your life like a freebie.

Lucky 2 love

When you crack a mirror
They say it is bad luck HA
BOI I don't have any luck
My life is torn to pieces
Like shredded wheat's
Friends say believe in luck
I don't believe in luck
But I believe in love.

5 years ago I renew my licences
Went to a primary school called St. Matthias
Met this boy called Anthony
It like watching grey anatomy
He is cute, young, fit and sexy
Not even the sun is as hot as my baby

DAMN!

He is like my personal diary
On the phone to him 2 many secrets
Don't want to lie going to make him cry
But he is going to watch me die.

Red roses on ma casket
Golden nothing can get broken
Just like me and Wasilat
Dami I will see you later.

my love

She has been through a lot in the past year it's a new year ppl nned to shut their mouth
She is one of a kind, one generation standin on her feet no haterz allowed past her garden
Eminem was too gazin the stars but mishy is deafntlly risein the bars
Haterz are too busy watchin her go dat how she became a star shining for ever.

Ok…
I'll like to see a white girl bleaching (jooo oo)
Or a blind deaf man preaching
I'll like to see Sean paul do a catwalk
Or a street boi asking what is caps lock
I no like tech class, mr sarpong dey dull me (joooo oo)
Big girl, even Tupac dey call me
Conductors dey hail me for London
I get bling bling all over my condom

Hey girl, you gat me thinking, there's many things i can do to u
Hey girl, you gat me wishing, I could take youu home with me
Lets take one step at a time,2 by noon
be my girl, with you i rule
You are fresh and fly, dont deny
Nothing feels better

nappy weave

This bitch got nappy weave,
Attached to her head superglue,
All over the place nasty style
Adidas tracky only clothes
Ugg boots all chewed sole rat ate
Pretty friend's outcast

Dark shadow she ghosting….
Only one class together
Our path don't cross am 5 steps higher
She such a lair always in denial
Why? Why? Why?
Just admit to the shit niggar! !

Ping! ! You can tell
That nappy headed hoe
Am talking about her
Lyrics are direct
Cruz I ain't a liar,
Don't facebook me!
Drake came up with the motto
That got everybody saying
'YOLO'
But now am saying
'YOBO' (you're only brave online)
She got sidekicks, no super power
She brainwashed them all
Thinking they are superior

She inferior, am superior but
That is the definition of racism
Only wrote that curz I got RE exam
She already down graded
The day her mother dropped her down
The stairs.

Lyrics is what made me save me
Drove all my haters crazy,
But here I stand a better person
So tell that nappy headed hoe
SHE A SLUT! !

single J

P.J you no
You are my girl Right
Nothing comes first other
Than our friendship.

White girl & black girl get married
Make a mix raced baby
Maybe NO HOMO girl

My girl no boys
Are taking yours
No girls are taking mine
Y'all no wat I am talking
Bout your heart right.

We Skype from 7
Till late at night
Nothing to talk about
Just dick about
No really we are the craziest qyals @ haggi INIT.

Snap forward

She a bitch a real 1
Not on t, but on his dick
Riding it like a rollercoaster
I ain't lying you can ask her

She ain't got a snapback
Toni will make a snap forward
To cover her forehead
It's really big

Small boys no her name
Its Nicky brown*
She stuck in a trance
She on replay
Not a good singer
She makes my ears ache
Only her moaning
When she is getting fucked

Joke about my ex bf's list
At least they were real
Unlike yours don't know
Who to fuck

She fucked them on
The first date, Dat ain't love
She lied about her pregnancy
I believed her too
By biggest mistake
A fake baby name after ‘AIDAN'

Only to find out there was no baby
Saying she didn't wanna upset me
When I was breaking down
So many pregnancies
They were all lies
And you can tell by the look in her eyes

If she was really pregnant
When was the morning sickness? ?
11 o'clock at night when
She's fucking giving heads...

*didn't want to be named in the poem (altered name)
