I am a young up & coming poet from Intabazwe location, in eastern free state, South Africa. I spend most of my time writing poems, because i believe that one day i will have my own poetry e-book, published across the world.

I want to change the world into a better place, because i believe that anything is possible...

A Real Home

I need a real home whereby i will be appreciated for my personal attributes.
I am composing a poem, because my right to information, health,
respect, dignity & freedom of expression has been violated.
The fact is i am writing from experience, because this have
been happening from when i was young...
Hence, it's hard for me to feel at home.
So, i don't worry, because i am a poet.

A real man(19 / 09 / 2011 / 17h39) .

A real man...believes in his aim, objective & vision. /
A real man is not afraid to sacrifice his time for the one & only. /
A real man knows how to treat a lady. /
A real man is not afraid to admit his weak-points. /
A real man knows that everything has it's own place & time. /

A real man knows how to make her partner happy! /
A real man knows that he must be faithful to his partner. /
A real man is not afraid to apologize to his partner. /
A real man is not afraid to take his responsibility. /
A real man is not afraid to relax after hard work. /
A real man is not afraid to express his feelings. /

A Realman...

I believe a real man has the ability to confront a lady.
I mean a real man knows how to treat a lady with respect & dignity.
A real man is conscious about his health on a daily basis.
A real man knows how to congratulate his partner in achievements.
A real man knows how to be there for his partner...
during the challenges of life.
In other words he knows how to propose a marriage to his partner.
A real man knows how to provide unconditional love.
A real man knows how to make his partner happy all the time.
Hence, it's my aim to treat you with respect & dignity.
I need to make you the happiest woman alive,
but i find it hard without your permission...
Have a nice day!

Accept! (13 / 10 / 2011 / 05: 00) .

I regret for using other people's i ideas to succeed, /
because i believe that is wrong. /
Hence, i apologize for underestimating their wisdom. /
The fact is i am wrong & i apologize, /
because i don't want to repeat the same mistake again... /

I believe this was my first & last time, so I'll never recommit a mistake... /

I believe that is wrong, because it underestimates their wisdom & /
ruin my reputation. /

I want to compose poems for an elite organization like OXFORD. /
Hence, i won't risk my success again, by utilizing other people's ideas... /

I promise to obey the rules & regulations of your vocabulary. /

An End To Us

I believe it is a loss to me if i don't achieve my aim, objective & vision.
The fact is i get up in the dawn & compose my poems,
because i want to be successful as a poet.
I disindulge myself from negative people,
because they want to ruin my reputation...
They manipulate my personal attributes to their benefits & that is not fair.

I want to be proud one day, by having a nice wedding to a beautiful woman.
Hence, i won't waste my time & effort to be a womanizer in my generation.
Remember i have an aim, objective & vision...
Believe me that would be an end to my personal attributes.
I choose to stand up & fight for my career, because i am a poet.

Ask

I teach lot of people to ask.
My aim is to embrace the concept behind asking...
I ask people to retaliate in their own way.
It gives me a new experience of what kind of a person you are?
I ask, because i want to resist peer pressure.
I always ask, because i care.
I don't want to pretend, because i am honest.

Being an orphan! (28 / 09 / 2011 / 20: 24-PM) .

I like being an orphan, because i get everything for free. /
I eat, drink & sleep, because of my grandmother. /
I don't like being an orphan, because they suppress my feelings. /
When i was young i was taught to respect my elders, but i am surprised /
if they don't respect me. /

I am that kind of a man who treat people like they treat me. /
In other words if you communicate verbally to me, /
hence i will retaliate too... /
If you care i will care... /
I hate negative people, because i am positive. /
The fact is i am isolated, because people underestimate me... /
Hence, i prefer to mind my own business,
because i hate to lie. /
I rather do everything on my own, because i do it to the best of my ability. /
I don't need anyone's support, because i can do it on my own. /

Broken heart

Maybe we need just a little more time /
Time that can heal what's on your mind /
We can find what we lost before it all slips away /
We need time to mend from the mistakes i've made /

God only knows what a heart can survive /
So many tears from all the pain in our lives /
and where else could we go after all we've been through /
I still believe my life is right here with you /

So just hold on & it won't be long /
I hope that you can love when the pain is gone /
I don't want us to fall through the cracks of a broken heart /
I know it's taking a little while but every lesson,
I've learned & if your heart speaks tonight. /
I'll never stand in your way but with all i have /
I am asking you to stay. /

There's a light that can burn /
It exist in the heart you can feel it when you know love is true /
If you could try to be strong & keep the light burning long /
It took a lifetime but I found it in you. /

Home Is Where The Heart Is…(21 / 09 / 2011 / 06h48) .

I am worried about my part-time life at home.
I feel as if i am hated for who i am by my parents,
siblings & grandparents...
They don't confront me, but they use words indirectly to attack my self esteem.
In other words they don't respect me.
Hence, they teach kids to do the same which is wrong..
They dis-indulge themselves to provide emotional, mental, physical & financial support.
According to my own point of view this proves a point that they don't care about my life.

This is painful to me, because i am unemployed, so i can't afford my basic needs...
They are not responsible for me as i am a first born.
The fact is they don't make me to feel at home.
In other words they have given up on me,
hence, i should do the same,
because they have given up on me.

They are proud, because they don't support me...
I don't have airtime, clothes & i don't eat with an open heart,
because they choose to hold grudges for me, no wonder why i don't enjoy the food.
I believe every parent has the right to advice, joke, protect & provide emotional, mental, physical & financial support to their children.
But mine refuse, because they hate me.

I am writing from experience as i am unemployed.
Hence, i don't receive respect from my siblings, but instead i receive hate,
because they don't confront me if they are facing difficult challenges,
so that i can help them.
This is painful, because i can be blamed for the wrong reasons.
Hence, i will not tolerate such mistakes, because they underestimate my natural character.
Hence, they have something in common with their parents.
I shouldn't be blamed, because i am judging from their reaction if i am around them.
They hold grudges for me & this proves a point that my days are numbered.
They are jealous with food as if they are responsible for groceries.
What hurts me most is they talk with me as if we are friends,
but i don't have t worry because i know the reasons.
I am the first born, so i am responsible for everything that is taking place at home.

How could you?

How could you be so heartless, careless & reckless /
You've destroyed my health...emotionally, mentally & physically /
How could you?
How could you use & leave me without a choice? /
now my life has changed because of you.../
You have hypnotized me...
I hate you with all my heart /
How could you steal my sense of humour /
I feel like i'm insane in my brain /
Pain is what i gain now & then because of you /
But i try hard to maintain /

Look, people call me a thief because of you /
I steal money to fulfill you /
How could you?
Separate me with my parents, friends, girlfriends & relatives /
You don't deserve to be part of my community /

I lost my voice, weight & dignity /
hence, i'm angry so i retaliate as you did to my obeisancity /
I'm depressed, stressed coz i'm always cursed /

Marriage

I believe marriage is important
because it made me to be who i am
I am 24 years old this year
so you can imagine my parents as they are married

because i was raised by them
If it wasn't for them i wouldn't be a man
In marriage we have respect, support, advice
fight, hate, tolerance, peace, & dignity
I am proud of my parents
because they have proved a point that marriage can be successful
because they have been married for more than 20 years
I believe this is an example to us the youth,

relatives & favourate friends, because they thought i was crazy

Hence, i cannot afford my basic needs like washing materials,

My Dejection!

I want to prove a point that i can maintain, care, ask, help, laugh, secure, listen, speak, respect, tolerate, joke, reconcile, identify, move, becareful, compare & introduce myself.
I can't be easily charmed by physical appearance, because i am willing to motivate my people to be the best that they can be.

My Dream

I am sacrificing lot of things to be a unique & successful man
but my parents, grandparents, relatives, friends, girlfriends, & society
aren't supportive, but instead they hate me for my ambition.
I remember when i was young my father said i will not be successful,
hence, i deserve to be fired from home.

I felt like i was homeless & ran away to live with my grandmother.
I stole R120.00 & ran away to Jozi, with an aim to obtain my peace of mind & advices
on how to succeed from family friends.

I live with my grandmother, but i am not satisfied emotionally,
because she uses words to kids with an aim to hurt my feelings indirectly,
instead of confronting me & i find that painful emotionally, mentally & physically.
Hence, i cannot get a chance to express my opinion.
No wonder why it becomes hard to yell at kids if they are wrong,
because she doesn't want to give me a chance to express myself &
this makes me to lose my body weight,
hence, my so called relatives pretend as if they care about me,
but the fact is they don't, because they ignore my needs,
hence, they don't want to respect my ambition.
According to my own point of view i need....
emotional, mental & financial support in order for me to succeed,
but i find it hard & i don't know why?
If i discuss great things about my future, they hate me.
Hence, all my ex-girlfriends are no longer in my favorite plate,
because they hate if i talk about my future plans.
& this proves a point a point that they use me to satisfy their lust.
They only promote the bad rumors about me.
Hence, now i believe that this world is full of dirty tricks,
that's why i don't trust anybody.
I think this is the lesson i will never forget, because all the above people hate me.

My pessimism(23 / 09 / 2011 / 09h17) .

I am depressed, due to lack of emotional, mental, physical & financial support.
I hate & regret for being part of my culture & religion,
because they encourage my pessimism &
that is not fair, because i want to succeed as a young up & coming rapper, producer, promoter, entrepreneur & community development worker.
I am suppressed by their thoughts, because in my world they encourage hate.
Hence, i don't get a chance to express myself...
I am losing weight for this mater & that is not fair,
because i was not born like this.
Things like this kill my spirit as a human being, because they don't confront me
& i don't know why, because i have a right to succeed.
It seems as if they are jealous about my achievements,
because they don't compliment & congratulate me when i achieve,
but instead they choose to hold grudges for me, which results to hate speech.
In other words they don't treat me like a human being.

My pride

I'm all about pride & dignity. /
Sometimes i get pissed when i see
the things which happen in my community. /
I believe the truth will set me free /
and so i try everytime to stick to this. /
hence, they say I'm the devil. /
I should be dead, because everything i think, say
and do is evil. /
but it doesn't matter anymore because i don't care. /
It breaks my heart when i see the life
we live today as the youth, because it's not fair. /

Teenage pregnancy is taking over like a new product on the market. /
Due to lack of condomization, situation & temptation. /
And so, lot of girls end up, committing abortion. /
During this time there's a man around the corner called death. /
and he's saying come on! let's take a ride. /
If you have sex under the influence of alcohol & drugs you'll end up losing your pride. /
Because it only comes one's in a life time. /
hence, you will regret this experience time after time. /

I am talking from experience. /
some of us are depressed & suicidal because of ignorance. /
I don't wanna lose mine, so i apply perseverance. /
I believe everything in this world has it's own time & place. /
So, don't ever think of rushing, because you'll end crushing like
an aeroplane who's been flying. /
It doesn't matter what you do, but take your time. /
Hence, you will succeed, YES INDEED! /

Go ahead and start to show off. /
But one day the switch will be off. /
And you will remember me of that I'm sure. /
I'm pure because i lead by example. /
I know i look like a fool to you. /
Because I'm not a humanizer, gangster,
drug dealer, alcoholic or concubine. /
But it's fine_to discriminate me even though the life is mine. /

I am one of the people who believe in success. /
hence, my biggest enemy is failure. /
I go out if i have to, not because i'm scared. /
I know what i want, where, & how am i going to get it. /
If you move around aimlessly with bad intentions your life
will be waisted. /
I'm calm, cool & collected no wonder why i'm respected. /
Brcause i protect my pride & i will always do. /
no matter what they say & that's a deal. /

Listen, i don't wanna be dizzy. /

My aim is to defeat what you call temptation. /
Which is my worst enemy. /
But i find it hard to achieve my goal. /
Why? because of what you call temptation. /
It kills your desire to succeed like abortion. /
It may come in different forms for instance, verbally. /
Sometimes i end up being a loner. /
Because my peers indulge themselves in alcohol, drugs, crime & unsafe sex. /

Some of us have good plans for the nation, but we end up dying young as there's no reconciliation, inspiration, appreciation & motivation. /
I'm bleeding emotionally, mentally & physically coz we have no role models, hence there's no solution. /
Compared to other places we are swimming in a pool of humiliation. /

Who can we look up to as the young up & coming generation? /
Where are the role models...somebody please provide an answer to my question. /
Shame is what i witness from your reaction. /
Why coz i've been watching every step from your action. /
In each & every occasion... /
You are dreamless, careless & reckless please don't get me wrong coz i judge from your facial expression. /
Even though i'm not god coz i believe only god can judge. /
In bad activities you do indulge?
And this are the reasons why we having criminals with murders. /
Beggars can't be choosers so we'll end up being the losers. /
I put my faith to my leader his name is Jesus. /
Yes, i believe he's the only one who can help me to focus. /
You can blame, claim or judge me all you want but i'll never give up coz i belong in the world of winners. /

Plan

I believe in my own plans, because they happen on a daily basis.
I become a paranoia, if i don't achieve & eradicate everything that's moving.
I am a wise man, hence i have an aim, objective & vision.
I suggest you get out of my business, before you regret for a life time.
I hate it if people re-interfere in my personal matters,
because it underestimates my plans & that is not fair...
I believe my plans are powerful, because they relieve my stress.
The fact is i am surrounded by them on a daily basis.

Power of judgement...

I don't want to judge, because it will ruin my reputation. /
I believe you are what you preach. /

Can you tell me? /
I want to know who are you? /

Respect

I want to thank my parents, siblings, relatives, friends & grandparents,
who have taught me respect.
I am a bit paranoid, when it comes to disrespecting my elders.
I am looking for somebody who will respect me.
I am not into ladies, who doesn't know how to behave in society.

This is a fact, because i was not raised to disrespect the elders.
I was raised to exhibit the spirit of humanity.
I was raised to greed the elders, because they have raised me to be a man.
A man who will treat a woman with respect & dignity.
I won't tolerate, being treated like a boy in society, instead of being respected.
I am a man with sense of humour, hence i am supposed to be respected.

I was raised like a prince, hence i'll never be intimidated.
In other words i am looking for a princess.
I want to make my parents, siblings, relatives, grandparents, friends & my society proud.

I met my long time friend, before i got to an orphanage home. /
I was maintaining my plans in the streets, for my local community & he came to me! /

The Meaning Of Trust

I want to thank you for your trust, because it takes a man to obtain a trust.
I am judging from your actions, because they speak louder than words.

I was ambitious, hence i was not inspired to follow my dream. /

I always felt like i am hopeless, because i did not have emotional & financial support. /

I become afraid...if i reminisce about my poor background... /
I didn't get a chance to retaliate verbally to my siblings, /

I was afraid to exhibit my personal attributes, because i was shy. /
I am judging from my experience, because i like to hold grudges. /

The Winners World!

I belong in the world of winners, /
And not the losers. /
Sometimes when things don't go my way i feel like giving up, /
I hate losers. /
Instead of supporting me they blame me. /
AND THAT IS PAINFUL, SHAMEFUL BUT THEY CAN'T COZ I'M CAREFUL. /
And that's the reason why i wrote this poem coz they want
to turn my life into a nightmare. /
And that is not fair. /
I am proud of who i am but they don't care. /
I believe that anything happens for a reason and it has a purpose. /
Their aim is to pull me down as i'm flying high coz i have a dream. /
They don't have the guts to face me. /
And so they spread bad rumours about me. /
Because it hurts to see somebody's life in progress. /
I'm talking from experience. /
You wish like you could stop that person from achieving coz you can't. /
Hence, it hurts coz at the end you'll end up being the loser. /
Remember! beggars can't be choosers. /
It's hard in the world of winners and so i'd rather hang around with losers. / So, that i can discriminate those who have an aim in life. /
Because it's easy to discriminate rather than to appreciate. /
I'm talking from experience. /

Sorry to say this but it's just the way i am. /
No matter what happens as long as i survive i will fight for my dream. /
Because, i believe i have what it takes to achieve it no matter the situation. /

To Mpho (19 / 09 / 2011 / 14h11)

I thought you were the girl, whom i can trust,
but it is clear that i was wrong.
I came to you with an aim to ask for a chance to know you better.
Hence, we agreed to meet each other, but you broke a promise &
this proves a point that you are not reliable.
This is a fact, because you did not arrive as you have promised.
To be honest i don't want to fall in love with people like you.
Because you don't understand the true meaning of love.
I am talking from experience, because i gave you a chance,
but you chose to threw it away.
In other words you have taught me to be a lier.
Hence, i won't tolerate that attitude, because i don't want to be a lier.
To be honest i regret, for introducing myself to you.
This is important, because you don't realize the impact of the trust that you have broken.
But what can i do, because life goes on.

I want to be a true leader, not a womanizer.
Hence, i disindulge myself from temptation.
My father said you are what you preach.

I make you proud everyday, by respecting myself, because i am not a humanizer,
nor the thief, because i believe this will ruin my reputation.
Hence, i will lose my normal body weight, because i will be worried about who, what,
where, how & when...
Hence, you will be exposed by me naturally, formally, because you seem informally.
To be honest a man is a man with responsibility,
but you have failed me.
I am judging from your attitude.
I know the truth hurts, but i don't have a choice...
All this things should make you proud, but the more i try, the more
our relationship drifts away & i wonder why?
What have i done to deserve this kind of treatment, because i believe as a Father
it is your responsibility to correct me if i am wrong like a parent.
I hate to be naughtorious, because i am the role model to the kids, youth & elders in
the community.

To Sizakele Ngubeni

They say action speaks louder than words. /
I tried to show you that i don't love you by hesitating, /
but it seems as if you don't realize that. /
Because the more i hesitate the more you come. /
and this is boring me to hell. /
What should i do to show you that i don't love you? /
You might think that you impress me by showing your interest, /
but truly speaking you don't really coz i don't love you. /
and i suggest you stop waisting your time next time you think of impressing
me, because i don't love you and i will never, now & forever. /
I will not apologize for saying what i feel inside, /
because it's just the way i am. /

It wasn't my intentions to say this words. /
But it seems as if i can't take it anymore. /
No matter how much effort you put to impress me. /
It will never make a difference to me. /
The reason is I'm still young & fresh, so i have big dreams to achieve
that's why i don't indulge myself in relationships. /
For your information i want to marry an honest, respectable /
virgin who is career driven like me. /
Somebody who knows what she wants in life. /
I don't care if she's rich or poor but somebody /
who doesn't even have a single kid. /
Except her qualifications, dreams /
and acceptable background for this matter. /
It's none of your business who she is. /

I wrote this poem because i saw this is going far. /
And if i don't stop it it will keep moving like a car. /
As it already did. /
So, girl stop waisting your time. /
I don't wanna use you this is from the bottom of my heart. /
Leave me alone, because if you don't i will have to face you /
and i will because I'm not afraid. /
If i were you i will save my love for somebody else /
who will care because i don't and take this as a warning. /

I don't wanna pretend anymore girl, /
I'm sick & tired of your interest in me. /
Like i said i will not apologize because /
this is coming straight from the bottom of my heart. /
So, i suggest you leave me alone & carry on with your life, /
Because you don't have a space in my life. /
And you'll never...not now, nor tomorrow but forever. /
Leave me alone because i don't care how you feeling. /
You can take it the way you want to it's up to you. /
But my advise would be to find somebody who cares. /
Because i don't.../

What have i done?

Since you left it's been raining /
Now i'm swimming in a pool of loniless /
I thought our love was meant to be /
I guess i was wrong coz now i'm bluesing like the sounds of RnB /
everytime i close my eyes i cry /
oh...why...why...why?

Come on girl i don't wanna lose you /
So please let's just give it another try /
Think about it....do you really want to leave me?

Usually i'm a goal getter /
Coz everything i do, i do it better /
but since you left me...
i can't do anything coz it's hard /
to carry on without you /
You're the only person who understand me the way i am /

I remember when i was going through a tough time /
You stood by me with an aim to support, & comfort me /
This convinced me that you will die for me /
You promised me that no matter what you will never leave me /

So now i'm hopeless & wondering..../
What have i done to deserve this kind of suffering /
Is like i'm boring, coz when i try to bring you close you keep ignoring
me like i'm snoring /
