(hey you) i'll be here

Hey you
I've been thinkin'
about you
all day
have you been thinkin'
o' me too
I don't
know why
but you
are always
on my mind

An d you know
the other night
when you
kissed me
I felt whole
for once
in mylife

So if you
want
to come 'round again
I'll be here
don't be shy
and I'll be here
waitin' for you

Hey you
I know
that you are
nervouse
about fallin'
don't worry
because
I am too
I know that
you are thinking
about
what other
people think
well,
don't
'cause
we love
each other
and thats all
that matters
and rember
I'll be here

Hey you

are you
comein’
 over yet
why don’t
you call me
I’m never sure
if you want
me around
or not
but I’ll be here

Hey you
I miss you
i wouldn’t be writen
if I didn’t
I still
think about you
all the time
but you
never come around
I’m still here
but some one new
came into this picture
and this friday
I’ll be with him

Hey you
I may
or may not
still be here
tomarrow
I’m tired
 of waitin’
so I won’t
Be here

Rachel Finley

a Tear

Do you know how many tears I've cried
Do you know how many tears
Are because of you
This tear
That is role'n down my cheek right now
Is for you for all the pain you brought me
And all the joy you brought me
This tear is for you

Rachel Finley

A Young Life (in memory of my cousin)

Today we are not celebrating a death
Instead we are celebrating a life
A life
Who had a hard start in life
Yet made it through

This joyful life
Brought hope
To those who had none

He was almost six
When he died
Many said that
He had just began his life

He wanted to be a superhero
And fly like Superman
And now I hope that
He realizes that
He is one of my heroes

But no question about it
He was loved
And he touched the
Soul,
Heart,
And spirit
Of every one he knew

Rachel Finley

Afraid

I
was wondering
if you knew
that you stole my heart and broke it
when I heard that
yu were afraid of me
and just so you know
I am afraid of you too
but they are two different kinds of fear
you are afraid of me and
my friends botherin'
 you non stop
but I am afraid
that I maybe fallin' in love with you
if you are afraid of me,
it's not right
to keep ignoring me
if you hate me
and you never want
to see me abain
tell me
and I will liave
but then I woild be afaid
that I
would never see you again

Rachel Finley

Are You Like Me?

Are you like me?
Do you get kicked when you are already down?
Do you stand tall when you feel like crying?
I do
But no one knows or will know
Because I am the girl forgotten in the corner
        That hears and sees everything
Yes, no one will know my feelings
        Because when they do they kick me down harder than before
So, are you like me?

Rachel Finley

Befriend, Fly, Turn, and Cry

Befriend the wolf pack
when you need help
Fly with the eagle
when you don't know where to turn
Turn to the rose buds
when your true love leaves
Cry to the winter's full moon
when you miss me

Rachel Finley

Don't

Don't do this to me
Don't say that you care and then run
Don't run just because you are scared
What ever you are going threw let me in on it
I am here for you

Don't worry about yesterday
Don't worry about tomorrow
Because we got through yesterday
And we will get through tomorrow

Don't cry about the bad days
But rejoice in the good days
Don't worry about either

Don't worry about me
Don't worry about yourself

Don't worry about anything

Don't let your life rule you
But you need to rule your life

Don't worry about the future
Don't worry about the past
Fate will worry about this for you

Don't miss me
Don't try to change who I am
Don't try to change my feelings
Don't cry as others have

Don't say it unless you mean it
Don't hold me unless you want to
Don't kiss me unless you feel you have to
So I won't say it
But I do...

Rachel Finley

Ever Since

Ever since
I met you
I haven’t been sad
ever since
I found my self
in your arms
I have not been
afraid of anything
Ever since
I have been on your arm
I know that
nothing could seperate us
ever since
I fell
in
love
with you
I have been changed
forever

Rachel Finley

Falling Rain

is it
falling rain
or is it
falling tear drops
it makes
no difference
any more
because I know
that you are not

here anymore
and the falling rain
will never stop
the falling tears will never end

Rachel Finley

HE died

He was nailed
To the cross
He wore a crown
Made of thorns
He was whipped
With a leather rope
He died
Fore
He died
 For you
Who was this?
My savior
My king
My friend

Rachel Finley

he died for us

He was there
He was there through it all
I never saw him
You never saw him
  and yet HE was there...

He is one friend that I can lean on
  when I need help or when I am in doubt
He loves me and everyone
   so much that he died for us
        and for our sins
Yes, Jesus died for us and our sins
       upon the cross- So I will never forget him...

Rachel Finley

here thy love

Here thy love
Here is a poisoned Rose
Here is a kiss of death for thy love
 Here is a black coffin
Thy love
Death is on your door
Thy love
You should know better
Then to trust a vampire

Rachel Finley

Here Without You

I’m here
you know
the places where
we used to hang out at
I am still here waiting
for you
If you
were lookin’
for me
I’m here
The place where
we met
the place where
we talked
until there
was no more
to say
I’m here
without you
it doesn’t feel right
but here I am
anywase
waiting for you
wondering
hoping
that you are thinking of me too
here I am without you

Rachel Finley

I Am Sorry If

I am sorry if
You liked me
and I lied to you
I am sorry if
You are in love with her
and you are now stuck with me
I am sorry if
You think that I am annoying
and I will not leave

And I am sorry that
we grew apart
instead of growing old together

Rachel Finley

I can't pretend

I saw you yesterday
At the mall
I cant pretend
That I don’t care
When you ignored me
Because I do care
I can’t pretend
That I don’t miss you
Because I do miss you
I can’t pretend
That I don’t think of you
Because I do
I’m sorry
I can’t pretend

Rachel Finley

I Don't Want to Lose You

I don’t want
to lose you
you are one
of the best things
That has
happened to me
I know
that we
have had our problems
I know
that we will
 have more
But
I can
no longer
imagine
my life
with out you
can you
understand

I don’t
want to
lose you
but
you need
to change your attitude
You make fun
of my friends
it hurts them
and it hurts
me
You go out
and drink
with all
of your friends
then
you
lie about it

Do you
relize
that you
are hurting
your self
and me
you
claim
that you
don’t want to
hurt
me

do you
relize
that you do
you
claim that you
love
me
do you
relize that
I did
love you

Rachel Finley

I Hear the Rain

I hear the rain
pound
on the roof
of this old house
and I feel
that the streaming tears
that keep
rolen down
my cheek
will never end
but then
when you
call me up
and I hear your voice
then everything
feels right
and I don’t
feel so alone
and I know
that I shouldn’t ever again

the rain
keeps on pounding
harder and harder yet
and my heart
beats
as hard
as the one that
I love
and the on that
loves me says
“I love you”
and all though
the rain
is still
pounding
on the roof
of this old house
a bright colored
rainbow
will come again

Rachel Finley

I Know

I know what every one says
Especially when it is about me
The ones that say stuff about me
Don't know ME
I know that they consider me an object, and not a person.
Yes, I know everything.

I know what he said,
And I don't care
I know how I feel,
And no one else needs to know,
And that is a good thing
Yes, I know

Rachel Finley

I Think

I think maybe
If I got these
Words
 On paper then
Possibly
Someone
Might care

I think may be
if I get all my feelings out in the open
then maybe
 I won’t feel so alone
Or so heart broken
 I think
 That I might be alone
 Seeing how I
 Am the one crying the corner
 I think that I a ma the only one
 Who cares

Rachel Finley

If I love you

Oh dear sir
If I love You
And
It you love me
And yet we have to hide our love
What kind of love is that
If I love you
And
If you love me
Then we shall be together
Until the end of time

Rachel Finley

I'm Crying Out to You

I hear the wolves crying out to the moon,
wondering where they should go.
I hear the wind crying out over the sea,
and through the trees,
Even if I'm not sure why.

So can you here them?
Can You hear me now?
I'm crying with the wolves and the wind,
to see if you notice me at all.
Do you?

I'm crying out loud to the moon and the sun to reach you.
Even if I have to crawl up the highest moutains,
or sail through the deepest sea.
I'm crying out to you.
Do you hear me.

Rachel Finley

it's funny

It’s funny that I feel this way about you
Because I can not stand
All the stupid things you do
You tease my friends
You go out and drink with all of your friends
I tell you no
But you do it any ways
And when you say no
I listen
You drive me crazey
With all those stupid things you do
And yet
 I cannot help but to
Love you

Rachel Finley

love or death

Are you afraid of love
I am
Are you afraid of death
I am not
  For I know the truth
Love creates more pain then my heart can hold
And Yet I sacrafice myself to find it
    Just like every one else

Death there is none
You never die
      But Instead
          You go on the high way to heaven

Therefor Love is a figment of everyone's Imagination
        And there Is no lies about death

Rachel Finley

my last

My last thought
Will be of you
My last breathe
Will breathing you in
My last wish
Will be to see you again
My last testimony
Will be
I love you

Rachel Finley

Please tell me

Please tell me
Tell me if this is the end
If this is not the end
Tell what is going on
Please tell me I beg of you
Tell me
Please tell me
Please tell me if this is the end
Please tell me if there is no end

Rachel Finley

The Rest of my Life

You are the man
I Love
If you expect me
to leave you alone
you must be crazey
I am not going to leave
You alone because
I want to spend my entire life with you
'cause without you I am nothing
For the rest of me life
I want to be with you

Rachel Finley

They

they don't seem to understand
that I am next to the edge
and I am ready to jump

Now they are pushing me closer
they don't relize how I feel
they are dragging me away from those that i love

and now that I am about to slip
those that i love are crying
and that is worse than death.

Rachel Finley

What do you see

Many people say
That I have pain in my eyes
What do you think when
Those people
Look into your eyes what do you see
When you look into my eyed do you see pain do you see my past do you see love
Do you see your reflection
Or
Do you just see my eyes
What do you see
When you look into my eyes

Rachel Finley

with out you

I got hurt
so what is different
I was lost
  and my heart was broken
so I haven't thout about you much
I am not sure about any thing
  All I know is that these words are my soul on this paper

And as I am in my new fantasy world
    Without you
            You are all I can ever think about...
Are you happy now that I am with out you?
