Alone

I feel Cold,
Sad, Mad
I feel insane
I feel that the world
repels me
like a magnet
so I feel that I can't
make a difference

I know to stand strong
I know I should show no fear

Alone, Alone I shall fight
but knowing Insanity
is not madness
knowing, Not knowing
are a challenge

Not knowing Drama
is freedom
But knowing drama
is curiosity that
kills the cat
Alone is sadness
together is Happiness
divided we fall
united we stand still

Alone fight drama
together is madness
Love is sweet
envy is poison
Insanity is crazy
Revenge is death
We all are alone
By pain and suffering
We change
by emotional concepts

Hating someone
is thinking of that someone
we become
what we hate
And then..
we are alone
we fall..
insanity thinking
that we are crazy
but we are not
we are just suffering loneliness.

Bubbles

When I put my head underwater
I feel that I am somewhere else
so I yell and yell
and nobody can hear me
for as many bubbles come out
it is how many times
I have suffered
the big bubbles represent
what is going to happen next
but the smaller bubbles
it is what happened
Popping every bubble doesn’t help
but not knowing makes it worse
so blowing the bubbles in a
better path will help it change what’s
going to happen next
Not looking beyond
will hold you back
but moving on will
change your prospective of life.

Change

Hating yourself
makes it worse

You can change
your attitude
when considering youself
unique, loving, and sweet

Eat right, play outside
takes an effort on your side
but when you accomplish
you will feel satisfy

Look directly to the mirror
tell yourself what you see...

a one unque person
be a kid,
go outside
and have some fun.

Chess

Our life is like Chess game
we have to come up with strategies
to overcome the plays

I am a knight
but underneath the armor
I am a beautiful person
living in a wonderful world

Being judge is what I hate
being judge is what I am terrorify
being judge is what I'm afraid of
so leave me alone
I know what I'm doin

But everytime I move
the queen has over come me
what shall I do

I should move on
cause the game
is not done

So I move my queen
to overcome the world

Stop critizing me of
how I sing,
look or dream
cause you are
not even perfect

So stop listening
to what may not be real
I'm telling you

I am a knight
but underneath the armor
I am a beautiful person
living in a wonderful world

So let me play
the nice game of chess.

Do Something

All the people in the world crop everything
Into there own perfection
Making a simple circle seemed like a maze

All the dreams
All the passion
Are washing away

The dungeon doors are closing
But that one light in the world
Will shine a gold key
To open the door again

Which makes the Maze
Back into a circle
And all the people
Will start a chain reaction
To DO SOMETHING.

Energetic and Gracious

I am energetic and gracious
I wonder why life isn't fair
I hear the hope of others
I see the valley of faith
I want peace in the world
I am energetic and gracious

I pretend that I am famous actress
I feel like the dead is speaking to me
I touch the desired of others
I worry when the world will end
I cry if my mother dies
I am energetic and gracious

I understand that people are not the same
I say that god is my leader
I dream to be president, doctor, actress, singer and a famous soccer player
I try to be who I am
I hope day we won't kill each other
I am energetic and gracious

Hating

Horrible
angry
tranferred
into
nothing
good

Hating is huge
dislike is a choice
but hating
becomes you

Which is transferred
into your worse
nightmare

Hating closes you
in a cage
like a bird when taken away

Don't hate
but dislike
but never ever hate
because it is bigger
then what you think.

8: 00 am and
8: 00pm are different times
but what you do today
affects tomorrow

Hate is forever
dislike is a promise

Hate is unforgettable
dislike breaks

Hate equals evil
dislike changes into love

like they say
opposites attract

Never ever hate
but love each other even if
they hate you
there cannot be
hate but dislike
nobody can hate each
other just hold on tight.

Hope

You Force my heart
to break apart
as the dictionary words
can never describe you

as of times
I am over the edge
My dignity, and courage
is my Character
like a stonewall that can never breaks

as I look outside
I see a family of birds
which gave me hope
to continued life
Love, Happiest, and peace
is the cup of Gold.

I'm Afraid of the Dark

I have a feeling
that this evening
I gonna change
from what I was thinking
to be

I'm afraid of the Dark
when I close my eyes,
can't let go what I feel,
inside the truth reveals

Life is or has began
making stories to learn
wonders of the world
make us afraid of the dark
were afraid of what?
ourselves or the future
but really its ourselves
you lose or win
but never ever be afraid of the dark.

In the Speed of light

Unbelivable to people of the day
which made a change in a way
we come with thoughts and dreams
like making the first Ice creams
But all we thought was in a war with no showers
When we think
we create
But when take the pride
we break and Lie.
But when we change
the history pages

In the speed of light
we change in the sight
of what is right

New inventions
New people
New life directions
we take whats our
are land,
pride,
powers.

DarkX 474

Just because...

Just because life isn't fair
doesn't mean you cannot dream
doesn't mean to give up
And it doesn't mean kill yourself

Just because life isn't fair
doesn't mean to discriminate others
doesn't mean to hind
and doesn't mean you're dead

Just because life isn't fair
doesn't mean war is the answer
doesn't mean inventors don't matter
and doesn't mean we can't be unique
Just because life isn't fair

Lost

Walking along the path
holding on the air

I feel lost
alone, scared,
tired, and cold
like a dog wondering
the streets alone

It is dark
like the hole
in my heart

thanks to the lies
of the unspoken troll
the Green, the stinky, the crazy,
and cold hearted monster.

I am Lost in a maze
trying to reach the clouds
but everytime the hedge
grows taller than me

The drama, The pain
the misery of the forbidden troll
I forgave, but never forget and
I stand once more alone, but with
the might I walked alone with dignity and strength.

Murders (Metaphor)

Calling people names
changes the way you are
Then you will regret
in the long term

We are all murders
we killed each other
for no particular reason

Making ugly comments
kills
Pressuring them
kills

We are all murders.

It makes us insane
hating ourselves
pushing someone else out the way

But one day
that someone else
will be insane

We create and destroy
We are all murders.

DarkX 474

Opportunity

Shining stars
up in the sky
makes me feel satisfy
knowing that there is opportunities

Opening up ourselves
to the outside world
one step at a time
pieces by pieces
will solve the puzzle

Take a chance
to a better life
there are billion, or trillions
of stars out there
waiting for you

so reach, reach, and
reach for an opportunity
beyond the stars.

DarkX 474

Pressure

Having to much pressure
is like taking air after air
until you cannot hold it

Pressure drives,
Pressure leads
us into dead ends

We make our destiny
when we say Yes or No
to the bad or the good

It hurts to hide
our feelings inside
knowing that pressure
make us do unexpected things

Pressure is dangerous
unless you know
what your in for.

Tears of Faith

Tears of faith
bounded me here
as life goes on
I hide myself

I know the world
has its hard days
holding all of us
with its own strength

we all try to be
the world
holding until we hurt
like shoe we wore out

Tears of faith
bounded me here
as life goes on
I find myself

Here in fear
trying, and trying
not to be sad

but to look
beyond reach
like the stars up in the sky.

Tears of faith
bound me here
telling me
that its time
to change
the page

but look forward
since the stars
look upon you
to guild there light
upon faith, hope and dreams.

tears of faith
are tears of joy
running away
from the darkness
that we fear

The Aurora Lights (Personification)

I am a beautiful light
That shines at night

I am a bright
and colorful light

I'm like a rainbow that lights
the Arctic's night
When the penguins see me
They look and say something to me

But when a humans see me
They take out a camera and take a flash for free

I dance in the sky going
up and down while I fly

I sing a song to others
Like children and mothers

I know that I am impressive, but tonight
I will do it again to be guidance or the light
To find the way south
I am the Aurora lights.

The Somber night

Somber night,
grew us apart,
but the truth
of the world.

Is that we all are,
one unique Artifact
we make history
we make lies
but we realize
it no use
to pretend

The Somber night
makes us tired
sleep on guilt
which will make you a liar

Th tears of somber night,
grew us weaker
sky's eyes
warn me
to tell
or yell the truth

it is said
to set you free

Somber night
grew apart
new history
has been made

lies are old
and the truth renewls
my guilt of somber night.

Voices

The voices in my head tell me
that it’s wrong to pretend
I don’t listen
and I fall back
into the Dark hatred again

Yelling as loud as the sun brightens
my heart realizes I am frighten
My lies, Myself are overwhelming
and forbidden to say.

I hide, and caved
and act with the words
I eat and don’t obey

I lie and I lie
until the voices
come back

Every night and every day
I hold on to lies until the voices
are telling me to obey

I know and I know
I am doing wrong things

Promises are lies
and tears are not surprises
knowing the voices are
my conscious

I am wishing and wishing that
my lies was just a dream.
Every time I lie
I hate myself
Knowing that I am hurting some else’s life

I beg and plead to not suffer or to lie
but be the tree and the vine
 the ones that have something
to lean on.

Wondering

I wonder why there is judgement
I wonder why people abuse others ability
I wonder why some people are not as talent as others
I wonder why everybody tries to be perfect
It isn't for happiness, nor love
But it is for the media, friends, and popularity

I am wondering why
like a humming bird humming

I wonder why we all are naive
I wonder why we all don't love ourselves

I am wondering where are
faith and hope for tolerance and
love, in ourselves went

Wondering If the world is so
easily persuaded by the media

Or is it you and I wanting
to be 'beautiful'
I am wondering what
the world is becoming

Wondering....mmmmm
like a humming bird.

Words of life

Words of Life
are changes
Words of life
is no wise fool
Is the truth
which we seek
within us
Words of life
is second chances

Forgive and but never forget
open opportunities
Words of life
is your choices
Deal or no deal
take in or take out
decision are in
our definition of description
Words of life
is us
a mystery of creativity.

Words of life
is a Confusion
not knowing life
like manual
for a car
Makes us wonder
The World of Creativity.
we are the words of life
description is describing
us.
