Angels

I believe in angels
The one's that God sends
I believe in angels
And I call them my friends

Dead Soul

A dead soul never beats
A dead soul never sleeps
A dead soul will never be
A dead soul is you and me

A soul is trapped in every bin
It finds its way in
But can't find a way out
So it sits forever until it dies out

There is a soul in us all
We must keep it alive by tending its call
But sooner or later
Every soul dies
Pinning us here
To worship and cry

Rain

We all want to be happy
We all want no pain
But to have a rainbow
We need a little rain

Thunder

Let the thunder crash
Let the lightning flash
Let the sun be gone
Until the dawn
When peace and happiness will come
To find that love can't be undone
