A Friend

A friend can be a sister,
A friend can be a foe.
My friend is like my sister,
I will never let her go.
A sister may not always be a friend,
But a friend should always, no matter what, be a sister.

Gabriel

Gabe,
You're like my brother.
You're there for me when I need you most.
When I'm wrong,
You're like my mother,
But when I'm right,
You like to boast.
You always know whats best for me,
Even when times get rough.
You've never turned your back on me,
No matter how much I tried to act tough...
And for all that, dear Gabe,
Is why I love you...
And you will always be my brother.

My Invisible Love

I love you,
Yes I love you.
I love you very much so.
I love you,
Yes I love you.
But in your eyes, my dear,
I'm just an average, little Jane Doe.

Our Love Will Last

Thank you for everything you do
And for being my best friend
You are by my side 24-7...
Letting nobody ever hurt me.
On the contrary,
Really meaningless arguments have come about...

Did we ever recover?
Even through the harshest times, we did...
Every passing moment, I think of our past.....

But everytime drama rolls around, we grow apart...
Relying on not eachother, but others' words.
Only we can fix this...if we ever thought about our own stupidity...
We would be stronger than ever...but now we have nothing...
Nothing but eachother...our trust...our own words...

I will love you always and forever...

Vanessa Skye

Vanessa Skye,
Why shall you cry?
Cuz in my eyes,
I'm full of lies...
I've never shown my love to you,
In any shape or form.
But, truly, my dear sister,
I'll keep you safe from the storm.
