alone

I try to make you proud
But you turn from the facts
You just keep beating me down

You say cause you love me
Cause you wont something out of me
You execpt better

Nobody sees my pain
Cause im locking it up
Im trying to hold back from everything

If you could undersand
If you coud feel what im going though
You might know how i feel for once

You dont want to execpt the facts
You want to engnore it all
And i dont get anything

No thanks
No im sorry
No i love you

And now i say
Thanks for....
NOTHING

Thanks for nothing at all

This life is empty
And its not easy

And im try in to get through it all
Get through it all with out you

LIFE

You Are The Hope of Life
You Are The Inspiration
You Are The Best Sister
You Are The Best Daughter

You Tell Everybody to do right
You Help Me Throught Everything
You Brighten The Sky

You Can Warm The clodest Mountain
You Can Heal The Deepest Wound
You Can Dry The Wetest Tears
You Can Hold The Hardest Hand

You Are The Best Thing In.....

Love of You

The love is like the moon in the night
The love is like the sun in the day

Your love can help me
Your love heals my hurt
Your love drys my tears

Your love is like the blue in the sky
Your love is like all the stars in the sky
Your love is like a million horses running

You say you love me more than there are stars in the sky
You say you love me more than there is space
You say you love me more than there will be time in the world

And all i said i love you so much that there is no words to
explain how much I LOVE YOU right now

Thank you

You Helped Me Through Everything
You Stop The Tears From Comeing Down
You Picked Me Up When I Fell

You Never Lied To Me
You Never Left Me
You Always Held Me

Even Though Your Gone
I Still Think of You
And I Still Talk to You

I Go Visit You Every Day By Dad

You And Dad Loved Me Very Much
You And Dad Took Care of Me
You And Dad Helped Me

So Today I Came to Visit You And Dad
And I Just Wanted to Say Thank You
For EVERYTHING

This poem is in memory for my mom and dad they devoriced when i was only 11 and it tore me up to see them go

TRUE LOVE

you take my hand
you pick me up
you hold me tightly

i kiss you and then it starts...
my lips tingle
my heart races

i tell you
and you help
i get throught it with you

when i cry you do to
when i smile you do to
when i say love you... you do to

me and you are by each other all the time
me and you always hold hands
me and you are... TRUE LOVE
