Junior Sapien (11/28/1996)

I am a Hispanic 15 year old high school student in Mesa, Arizona. My mother's name is Dianne Sapien, and my father's name is Juan Ruiz.
I was born 11/28/1996 in Phoenix, Arizona. I grew up a poor child, so I had to find a way to 'pass the time.' That's when I found writing.
During my teenage years is when I really advanced upon my techniques and writing style. I adapted into a short rhyming style of poetry writing. Though I am constantly told I am at a disadvantage compared to other writers due to my age, I still believe I can be just a good as writer as anyone, no matter the age.

After All I've Done

Even after I Spilled My Feelings Out To You
You Walk Right Past Me Like Morning Dew

But You Still Have To Know
That My Love Will Forever Be An Echo

Because I've Always Loved You
But Your Love Is Past Due

You Say You're Scared Of Love
But What Is There To Be Scared Of?

You Think I Will Cause You Pain?
But Loving You Is As Addicting As Cocaine

'I Will Never Hurt You' Is What The Last Guy Said
But The Next Time You'll See Him Is On His Death-bed

So Please, Give Me A Chance
Who Knows, Maybe This Love Will Enhance

Junior Sapien

Cheater

What happened to us
What happened to our trust
This ‘Love' is nothing but dust

I gave you my all
Every day was just a stall
Extending the lie until you hit a wall

Until that day
Your story finally gave way
As you notice me you turn away

Covering your face
I'm tired of this chase
I'm tired of this disgrace

You lead me on
'I do love you Juan'
You played me like a pawn

But I can't be mad
Like hating a deadbeat dad

Letting go…
Now you're just a Jane Doe

Junior Sapien

Expiration Date

I wish every waking morning
That you came with a warning

I gave you my all
Then you watch my fall

After you throw my love away
I'm sorry...
I didn't know that your love only went half-way

I'm not trying to make you feel bad
I just wish I didn't feel this sad

When I think about you
But there isn't few

Who Tell you you're beautiful
But please give me a chance
To show that I'm different

Junior Sapien

Love Triangle

You Know How I Feel For You
But It Seems Like You Love Someone New

You Say That You Really Like Him
The Chances Of You Loving Me Are Slim

Despite That, I Will Forever Love You
Even If My Love Is See-Through

But Is He The One?
Is He A One Of A Million?

He May Offer You So Much
The Things I Offer Are As Such

They Are Two Simple Things
Love, And Happiness
So Please, Your Leaving My Heart Aching

Junior Sapien

Move On

You Say I'm Your One And Only
But Why do I Feel So Lonely

Why Do You Keep Pictures Of Your Ex
It Just Makes This So Complex

Why Do You Let Me Drown
My Imagination Is Breaking Me Down
My Trust Is Worn Down

Who Is That Guy
You Think You're Sly
All I Have To Say Is 'Why'

Why Lead Me On
Treat Me Like A Run-On

Never Ending
All Your Doing Is Pretending

That This Is True
But All This Time I Knew

Your Love Has Been Withdrawn

Junior Sapien

Nothing But The Best

Go on and find someone new
Is this what 'Love' has come to?

How can people say 'I Love You'?
So Easily?
It seems like Sincere Love is Taboo

'If you love someone let them go'
But then My love for them just grows

Is there a cure for this?
A simple kiss would be Bliss

Junior Sapien

Trapped

Have You Ever Felt Trapped
Feeling Like Everything's About To Snap
Scared To Show Your True Self
But You Have To Prove Yourself

You Can't Let Others Decide Your Fate
You Have To Get Past All The Hate
The Most Important Thing To Have Is Modesty
Because Honestly You're a Prodigy
The Skills You Have Became An Oddity
All You Doing Is Being Told Constantly
That You're Nothing But A Wannabee
But Truly You're A Novelty

You Have To Show Them Who You Truly Are
That You're Better Than Them By Far
That You're More Than A Bronze Star
While They're Sitting In The Back Of A Squad Car

I Know That Sometimes It's Hard
You're Going To Be Scarred

I'm Not Going To Sugarcoat It
As Long As You Don't Quit
And Chase Your Dreams
You'll Reap The Benefit

Junior Sapien

Why I Choose To Love You

Was it when my hands became sweaty
when my checks turned red
my heart pumping faster
or when you couldn't get out of my head

Was it that time you looked my way
and I pretended not to see
how about when the butterfly's come
uncontrollably

I think it was when you walked by
and I tried to hide the smile on my face
or when i still looked back
when you were out of trace

I know it was when you grabbed my hand
and sneaked kisses that I didn't see
but most definitely the time you finally said
you were in love with me

Junior Sapien
