You Take Away The Coldness Of My Life

In a day of trouble my hopes to
vision in times of weaknesses,
my uncertain thoughts in dreams,
things aren't the same that I expected,
You take away the coldness of
my life.

In my lonely heart, aching pain of
body and mind no one can touch
reach me, to my lowly desperate time,
You take away the coldness of
my life.

In my struggle ahead in day to day
activities, worry mind, finances
matter include, relationship involve,
in my moment time like this,
You take away the coldness of
my life.

In every step of my way in a road
I am walking don't know where
I'm going, you point me to the
direction you want me to go,
in a daily step of the day,
You take away the coldness of
my life.

In my silent moment, you teach
me to sing a song for you that gives
me a delightful expression of my
heart. You open my eyes to the
beauty of your wholeness that can
carry through in my life destination,
indeed; You take away the coldness
of my life.

My loneliness, my distress, my pain
and sorrow and my hopelessness
You are there to take away the
coldness of my life.
