# A Few Lines On Natural Beauty

The sun yet not raised  
The clouds are ready to welcome...  
And the trees, the flock of birds  
As they become ready to dance and fly in the sky

The grass are bathing by dews beautifully  
And the wind designing them softly  
All rivers are vividly they beautifythemselves as well  
The natural beauty is looking better in this moment  
How I wonder what an creation of someone or unknown!

As I'm looking west to east by my own two eyes  
And I'm feeling very happy, want to enjoy a lot  
As I'm still thinking about the flowery heaven-  
No one best and most beautiful like the nature

Ho, the beauty of winter, beauty of moments-  
Please keep my happiness in your vast world  
Keep my life in your sky of heart peacefully  
Dear life-maker you know who am I.....  
You, the mother for me and girlfriend also

You are the one who gives me smile and bread  
I know, you portrayed me in this paradise  
And I never lose it before me  
I request to you please keep stay longer as well

The songs of experiences, patriotic and revolution  
As I can sing for your voice  
The poems of peace, love and freedom  
As I can compose as well by your inspirational beauty

Waterfall in your face to see,  
Dark forest spider webs  
Everyone hearts like this.

Meaningfull different shades of rainbow  
Shadow on your face, don't talk  
Today, as tomorrow the two face of nature  
Lovely you don't do the same.

# A Song Of You And Mine

I'm glad if you're with me  
Looks your beautiful smiles  
I sing a song of happiness life

Beautifully morning and the evening comes  
And you should stay with me  
Night and days even you stay with me  
Because; If you absent, I will be absent in this world

As much as I stay away from you  
But how do I forget your two eyes?  
How should I forget your embraced?

My happiness goes as the river  
Like the ocean waves flows my hopes  
The old times gone, comes new days  
You should stay with me forever

When the flowering season comes, free will be like flowers  
Now I used to improve the vocal  
How can I calm down to you?

I love you in very far stayed

# All The Need Is Love

All the beggars for love in the world  
The love, we gets it on the mountains peak  
We gets love in the sea  
To search in the bottom of oceans

Lovely  
To wrapping your love by the leaf  
Every day and night I depression  
We can't archive love always  
The love lives in a lots of angles

O' the indigenous peoples of the world  
Love doesn't fall from the heaven  
If we wants the rains  
The clouds causes the sound of thunder

The freezing rain makes us to feel cold slightly  
The exotic flowers of winter season  
Or the dews of the bent grass  
Not only a little trouble to complete life bowl

The bees are makes honey from nectar of beautiful flowers  
On the road walking I think-  
Ah! why the sun light is so much more?

I search a love in the exotic world  
Like the swallows by sing all the things.

How can I request to you moon?  
Can you always make me happy?  
And can you give shines every night?  
Or can you always be the same?

No.

Can never be like this  
Sometimes you are darkness, and sometimes light  
This is your birth

Moon you also beloved like my mother  
But you made so cold in this night  
The night coldest than yesterday  
I feel its like the ices of Antarctica

I want to sing a song, but couldn't sing  
The cold is trying to kill me  
In this night I want fire or the sun

If possible

I want to go by run into the light  
But there are darkness all around  
This night should be removed

That's why I have to do something  
Did I sleep sweetly?

No.

This night and darkness too long  
Cannot delete or rub by hands  
But still I should be scratching  
I have to go darkness into the light

Even more beautiful than the bride

Cold and peaceful in the air flow  
The scent of the land of farming  
In the tree jackfruit and mango  
The birds ate a lot fruits  
And singing song on the tree branch  
The blue sky is so holy and pure  
Waterfall is flowing happily beside the village  
Silence and sweet song like sing  
At the meadow, the cows do'nt leave to eating grass  
The girls eating mango's vegetables  
And talking about the love  
Now village road is like the design of dokhona  
This is the way I walk again and again

# For A Dear

Ears not to listen to how I live  
Traitors should all go enter the heart  
Most of your arrow, harming others.  
Mind control to keep your lovely  
Brajen Brahma has a sky  
Still waiting in trouble.  
"Seeking the light  
Hand to take the pen  
How you write poems and go?  
Difficulties from dark to light  
Needed the half moon  
Shoot to kill the rest."  
Again and again  
This fool is a fool-  
Your the voice I hear is how much?  
The full moon has come-  
From the dark.  
Why wait for the laziness to dear?

# I Have Not Told Yet

How beautiful she's on my two eyes  
I love her by the special heart,  
And in my heart lives name of her,  
Well I can sleep sweetly by recall her name

She was smiled yesterday as looking marvelous  
Her lips and face were beautiful to see,  
I tried to take her eyes to the mind,  
And the world has changed because of her

She's a girl whom I loved by heart silently  
I think she's the moon of the twilight sky,  
As sometimes a star of the celestial sphere,  
And the beauties of the garden flowers

Does she loves me or not?  
Still I love her as always flowing water,  
As the flying wind in the world,  
I really search that girl in my life

Her name is the step of mine and the rhythm  
And her bright smile is hope for my eyes,  
For that I love my university and the way of life,  
And I start by her name to travel in a dream

I love her style and smile upon me  
But I haven't told by open my heart yet,  
As the ocean I sings for her,  
But maybe she hasn't heard by her purified heart

Ronjoy Brahma

# I Saw Up Into The Sky

In last twilight I saw up into the sky  
The twinkling stars, flying clouds and the dark venus  
All of the sky had to cuddle  
I didn't find any more example to compare  
Before the sun down in the west  
What did we do and how used to talked?  
Now we've to forget and fall asleep  
I questioned: "Why does the night enter into my eyes?"  
You and me between  
The stealthy way is a waterfall, river and uneven  
Here we plays the heart like a seafarer  
On the steps of proceed to spread lovely flowers  
Oh girl; I think-you're a lullaby  
Your happiness I saw inside the sea  
When we're used to talked at the bangs of the sea  
I think; "Why did the heart even thoughts?"  
I child to close his face by dokhona fali of his own mother  
I'm in the dark inside at present tense  
Now tired; dancing trees and vegetations on the wings of wind  
But not break holiday like the river my respiration  
My beloved; tomorrow we'll be play with rays of the sun  
Now you'd sleep sweetly on the bed

Ronjoy Brahma

# I See You In Dream

I want to say  
When I meet you on the road  
But I can't say,  
I am so scared.  
I Thought if she doesn't love me?  
Or if she say-  
I have more cute boy than you.  
That's why I have shyness flour and  
Scared how to say'  
Every heart and mind of love  
Still love you and I want  
I see you in dream, I feel you everyday  
Because so much love you,  
You come on my respiration  
You meet me the banks of river,  
I try to sing a song sweetly for you always  
With dreams taken on the eyes for love.

Ronjoy Brahma

# If You Die Before Me

Crying in my life since after the birth  
Yet sometimes I want to laugh;  
Is this the world?  
Sometimes beautiful and ever horrible  
The bloom is off the rose  
Still I will keep your scent in heart;  
Because I love you.  
Love is to live and for the happiness  
The sun rise and to enter  
Many times you come to me  
Cannot be awakening or in the dreams.  
I want to see you always  
We are fishes of an ocean  
Our love  
A song and meaning of all the birds.  
The mysterious world is for us  
Who is in my life without you?  
None;  
You like my life  
Cutie  
And you are all my steps  
If you die before me  
I will cry so much as crazy;  
Don't let me leave you anywhere  
As a body and life we will die together

Ronjoy Brahma

# If You Go Away

If you go away  
Give me your eyes  
I see you as the world  
You give me the laugh  
Full moon as the remove the dark  
I don't need gun for the war of life  
I will die, shall I dust  
I'll be burn, shall I fire  
If you go away  
You give me the torch  
Father's father's farm to search  
This is from the street  
I am emperor of the warm heart  
Not a question, the birth of life  
Give me your heart  
I want to embrace the world  
If you go away  
Give me your life  
Because you are in my heart till now  
Friend we have to live  
Four hands and a heart in the middle

Ronjoy Brahma

# In Search Of Laugh

The Autumn wind with peace  
Bloom like a flower  
I want laugh  
To shine like the morning dew  
Sweet Nightingale bird like unamously  
I want to sing the song  
For complete freedom  
Truth from the heart and mind  
I want to fly in the blue sky  
Pure as the river wants to development  
I want to embrace peace in the air  
Cool in the world I want to stay forever

Ronjoy Brahma

# In The Shades Of Your Eyes

I was felt in love with my beloved fairy  
Later, we have continued our car of relationship till the end of way

We promises, and miles to go

No one has seen our swimming in the ocean of eyes  
No one has seen our meeting in the garden of face

The dawn breaks, the sun rises, and the heart breaks also

Your love and my love  
How many differences in here?  
We scales both our heart and life  
Again and again, again and again

At the days of flowering season  
At the days of new moon  
As well as I live silently  
In the shades of your eyes

Once you kidnapped my heart  
And I can't even win by you

I wonder of you, and loves  
And I wishes to joy of my victory  
And I wishes to joy of my victory

Ronjoy Brahma

# Ishan Mushahary

So much love you  
To spread over the face of nature,  
The Sky and back, Go birds.  
Evening in the girl's face  
Keep your heart pure of thought,  
With you in the evening get together  
The bright light of the world in the country.

Ronjoy Brahma

# Just Like That, I Want To See You

One part of the song I sing  
This morning in lovely moment  
Vermillion in her forehead she comes  
The cool dew sweet rhythm with  
This is the morning, Which I love  
Like foreign voice, The birds greeting to  
Flock of parrots, Go over the top of her head  
Recognise this morning all to  
River's high land snail now climbing upward  
And the beach in high land crocodile, Flightless birds plays  
Himalaya snow over head carry the load  
Very beautiful to see  
Nature has now washing away the dew  
On the wings of time warp  
You in the morning, As I want  
Ah your pretty hair open by  
Peace out cool smiling your smile  
I am seeing you, To wash away  
Holy open on your feet  
Lover your heart in the middle  
Blossomy on your beautiful face  
Just like that, I want to see you  
Morning you come again and again

Ronjoy Brahma

# Long Way I Have To Go

O morning! Soft breeze of morning  
You come, Come on again with me  
To rose blossom, and the flowers  
Today making the world peace.  
Long way I have to go  
Don't give up, tire in my life  
I will go, far and far in travel  
On the world smile and happiness.  
As the flow of river, I will go  
Making my pure dream, the awakening  
Like rising of the sun light  
To make happiness on everyone.  
In the heart of the human, to think holy  
O birds, You sing trees on the branch  
Clock as I go always in my aim  
The air you stay, flow soft and peace.

Ronjoy Brahma

# Lots Of Love

O flower  
Why did you bloom? So-  
I don't find the answer,  
A word to be finished.  
Green color like yellow butterfly  
To fly and hither thither birds,  
Come to flower juice with the news  
Season go and new season.  
How sweet and how peaceful  
Ah! The song of the birds,  
Cool flower in the air, the scent of body  
O flower you so it to bloom.  
You are a small drop of dew to love  
Accept your life, the hand  
Dark face of don't see me  
Like full moon greetings to me.  
Love your smiling to be free  
Joy to the world,  
Your scent to fully blossom into  
All bird find juice.

Ronjoy Brahma

# Mind Is Flower And Butterfly

My mind wants to be bloom  
as the flower,  
And the pleasing scent  
or an aroma wants to spread;  
I want to play  
in the cold and calm air  
As the butterfly  
mind is perch on and poised to alight;  
And the mind wants to fly  
from garden to garden;  
Wanna take their nectar  
of blooming flowers  
The mind is flower and butterfly,  
To sprout and fully open  
always independently;  
And I want to fly  
beautifully all around

# Mud Smears To Come

Rain rain come come to speak  
Swallow hasn't sang at the sky,  
The Sun must warm summer cicada hasn't said;  
Timber or Silk Cotton Tree to sit tightly.  
Today weather is very nice  
Come on mud smears,  
Mud Bath we all in  
Knee Calf in the rainy season's harvest in the land.  
Shravan sky comes the rain  
Pumpkin on scaffolding, dragon fly.  
Here we are bathing  
The mind of the filth back to wash the dirt.  
Plough has beaten those farmer  
Harrowing uneven, being equal  
Paddy planted here to come  
Transplanted the transplanted to smear mud coming out.

Kham jotha thorkha playing.

Golden and green coloured design on clothes made in weaving,  
Waterfall in the lakes while fishing jekhai  
Deer and wild boar hunting.

# My Relationship With Nature

I always want to see the nature  
Even today I saw  
The beautiful nature still loves me  
So I want to live for the nature

It's like dark around today  
Very cold in this morning  
The wind of the winter is blowing  
Snow and the dew drop all around

The sun does not rises yet  
Birds sings sweetly  
For the dawn of east sky  
Every place and the river's edge

I have heard the rhythms of nature  
The song of the sky and the forest  
And I also sing in my village  
Like a lovely bird

I'm for the world and nature  
I want to sing, I want to see  
For every day and night  
My heart want to joy and be peaceful

# One Chapter Of Life

There is a field  
This is zero  
One in the middle of the forest,  
Day and night turn around here is zero.  
Only to find that  
Or at least deal  
Goes to somewhere, to multiply  
Still zero-Zero.  
And behind our  
Front, back and sides-  
For Overhead; own  
Frequent zero.

Most of the wrong hands.  
The jungle is empty  
Dust is all the world  
Hey rain you jump down  
Dust this world  
To liquid oberbrime  
Round waterfall sister  
Dark green to the jungle  
Extremely and dust is  
All seemed more drying  
Our sky is dirty  
So your welcome to.  
Alter my mind has changed  
Want to live in this world.

# She Walks In Beauty

By fair means or foul  
Once that I wish to say her,  
You're so cute and beautiful

Do you wish me like I wish you?

By heart I snap her walk in beauty  
When she becomes nearby me anytime any place,  
But still I can't say everything all at once,  
Even in the dream I can't say with the front

The birds sing their hearts early in the morning  
The sun rises after that as beautiful and bright,  
And the flowers open, the butterflies fly,  
Then I think I'm losing my mind now

I call to mind her walk in beauty  
And therefore I walk in the morning as often as possible,  
It gives me a sense of happiness and free fresh oxygen,

In her life as I want to flow like the water  
I think if I were a bird of the sky  
Or if I were the wind of the every afternoon,

And everyday, every twilight and at night,  
I can imagine about her happily as I wish and love

Ronjoy Brahma

# Sky

How beautiful sky you  
No matter how big you are-  
Can not embrace my hand,  
Still my heart  
Played in your heart.  
Day in the clouds-  
Flying etc.  
I am seeing over and over again  
Played in your heart.  
Bright stars in the night  
More from planet constellation  
How you open heaven  
No matter how kind you are  
Is it to stay open.

# Songs Of Experience

Life don't destroy  
Don't waste, o friend  
Don't play with dust,  
And don't play with blood.  
Rainy season's harvest in the land of play  
Dark green new harvest.  
Be on top of the mountain  
Mount Everest and the Himalayas, the peak,  
To sea swim  
Pacific and Atlantic ocean.  
Heaven come to clasp  
The world refuses to accept,  
Going to moon come, o friend  
Star board to play with.  
Friend, don't close your eyes to live by  
Don't take to doze,  
Blind should show creeps.  
Limbing, the disabled, can't hear in the world.

# Speaking To Myself

In the life of misery and happiness  
O Body, then you stay with me  
Morning and night you're my mind  
You're the sun, and you're the moon

O my mind, you stay happily  
O my ears, listen to you good  
I'm glad to be on your help today

O my eyes, nice to see you  
O my feet, you better go ahead  
I'm on your help today passenger  
O my mouth, never say wrong  
O my head, you're my sky  
I'm the freedom on your help

O my hands, working right always  
O my face, stay happily always  
Vivid and rhythm you're my forever partner

# Summer Flows This Way

White and black clouds on blue sky  
And to be the rain around,  
Flowers flowering greenish yellow and red color  
The nature is beautiful, and everything of nature.  
River flow from Bhutan hills in our village  
Birds sing sweetly and dancing on trees,  
Farmers go to harvest, in the land of agriculture  
Go to the womens to give rice.  
Servants and farmers make the border  
Womens caught fish by jekhai on the river,  
The cricket sing afternoon and evening  
Halzangkhra would be in the land of agriculture.  
The girls go to take bath on river  
To take a smiling on thier lips,  
Go to pluck vegetables at the banks of river  
The proggies provoke to them.  
See the himalaya mountain by stretching legs  
Fishes are happiness and flock of the heron,  
The world is youth in this season  
Beautiful and be the form of dark green.

# The Angel Of My Heart

She comes into my sky like the clouds  
Or like the stars of spring,  
She lives like flowers in my mind,  
Or, or she flowed like a river in my life

The happiness of her, the joy of my country and the beauty of the world  
The angel of my ocean,  
She's a lovely of my folk songs

And no one in the story of weather  
Only she's the princess, in the jungle of my heart  
In the mornings, and the evenings  
I love her, like I love my two eyes

Today her reddish lips and the beautiful face  
Gave a new mind to love me more,  
She's the angel of my distraught mind,  
Somehow in any form if I find her on everest?

If she hurt me once by words  
I'll be feel my life, bitter than the gall  
She's the angel of my heart  
In my fearless mind, she's freedom for always

# The Dawn Of Life

The sun rising in the east curtain  
Flowers blooming, in the song of birds  
To proceed, and proceed  
A smile ahead don't get forward  
The end of life lake.  
The flowers of being complicated  
Trying to be as much blossom,  
The sun's light by root  
Pretty much decorations of flowers,  
The meaning of the poem in the inside  
Beautiful sun, always shine  
Gave me a world to show you  
The world gave me a poem.

# The Dove Bird Sing

White Dove has calling without fear  
Come see me, come see says  
Making wings and rose up in the morning for the first time  
Come to shine in the affair of creeps.  
Father try to hope for the future  
We are awakening to  
Unity of pure extracts of creation  
Procession to sing song it should be.  
Dove, you go.. As soon as possible  
Clean the heart of the sky to the throat,  
Come see the rights come with the neck  
Sweet voice said from the dove.  
Bring white wing dove made by  
Spider's webs to get stuck in,  
When go to die waiting for spider has  
He voice in favour always laugh.  
I don't constantly say die  
Not tired white wing dove has to bring  
See the sky become strong  
Without fear, sing the song.

# The Farmer

Fellow currently rainy wet we are set  
Chin shaken from the cold, hard pain  
And sometimes to fight heat  
Tears and sweat friend of infinite.  
Bhutan has hills and the water is coming  
Cut part of Rod-Rod come growl,  
They fight with friend  
Protect our crops.  
Ran rain rain has continued to be  
Small children were playing in the surf,  
Boat did backfire oh friend  
Water Leech-Leech has pleasure.  
Now put nature pick of song  
Adversity and prosperity, more of  
Fellow Green flag flying  
Our Handle of plough to take in hand.  
Lay brok the state twice  
We waste our stomach, the sewing  
Current companion we set wet rain  
Sweating in the heat of the waterfall flow.

# The Freedom Of Mother

With my mom's peace and happiness  
Trees and roses were dancing,  
Birds and all the seasons were singing,  
But today in my mom's misery  
And the night has been the longest.  
The country and the world are my mother  
Today she is crying in our fakes,  
Mom's heart and love was beautiful  
Now her face is like darkness of the night.  
Darkness to make the lights  
Good job I have to do for mom,  
To sing sweetly, and fight to enemy  
My mother is to live in freedom.  
Rhythms of joy flowing like sea and ocean  
I have to make mother freedom forever,  
To her make beautiful and peace  
Like the moon of sky, and twinkling stars.  
When my mom is not joy  
I don't even have freedom,  
When my mom is not peace  
Then I wouldn't always be happiness.

# The Golden Road

You and I took the road walk  
Streets of gold,  
But very dangerous road  
This is the road we go.  
Friend Don't leave me  
Tears in my eyes, to bestow  
To me alone,  
We are together, we are one.  
This is a highway  
Found this a jungle,  
And the pit heap of thorns  
Rain and more sun's heat.  
This is the road we go friend  
As long as mark doesn't get on,  
You don't leave me  
And I don't want to leave you.  
This road gets out of the sea  
We are swimming to  
And the mountains shall we!  
This gold from the road.  
Companion with you,  
Thunder storms not afraid  
I'm not the tiger fears  
Go ahead and friend, we go together.

# The Golden's Script

Peacock feather Dove eyes,  
Butterfly wings, mountain design  
Lovely big on soul-  
You accept the nectar.  
Mortal life to those who take birth happened  
Still can't dead people  
Those lyrics they are; the poem  
Sustainable living in the mortal soul.  
They perpetuate live  
Couldn't forget, the era of the era  
Ambassador of the world are they-  
You take to respond.

# The Love Of The Road

My eyes are like your eyes  
In front of a sudden facing face,  
I didn't remember me  
The body of electricity in the water flow.  
Smiling, laugh your lips  
Reddish color, like the soft sun of the east  
The Spring was the like the sky  
I love your flowering face.  
Bright waterfall like Bhutan hills  
In the heart of peace,  
Birds tone from the opacity  
Sweet echo was in the evening.  
You and I in the road  
Romance sprinkle, like spring  
Mind and heart blowing the weather  
Your and my body massage.

# The Love Song Of A Stranger

I'm not afraid to die of her smile  
because no poison  
no fuel, adulterated.....  
and no betray in her mind

when she smiles deep and sweetly  
then I want to swim as much as I  
and, of her tears like ocean  
i wish I could swim, I can fly of her voice

I love her specifically, since  
when we had been strangers for a day  
for a night of flowering season  
and we had smiled jointly by faced

I recalls that moments by heart and silently  
the beautiful moments returning  
with holding her shadows -  
she was smiled, that pictures arrived again

Like a baby of smallest ages I play  
and the pictures makes me happy  
as I feel like the climbing on the peak of mountain's

I love her smile  
makeup, beautify herself and  
everything of her fashion  
and designing, and become natural beauty

i love her like a fish loves water  
i love her like a bird loves sky

# The Lyric Of Infinite Life

The soft and cold flowing wind  
Dancing beautifully leaves of trees,  
When it rains happily  
River and waterfall also flowing with delight.  
See sweet dream of being victorious  
The river water flowing as I go,  
Restless feet walk forward I go  
The mysterious world of sweet song in the vortex.  
In the rainy season clouds cry  
Thus the rain is to fall from the sky heavily,  
The winter season dew sing songs  
The dream of sun rise in the east.  
Rose flower calls to the butterflies  
Feathers fly diffuse to move the butterflies,  
The song of infinite life sing the world  
New moon, at the edge of new sun.  
The longest and far life to the road  
Here I am traveling and traveling to,  
Rainy wind kisses on my cheeks  
For the trip now I don't want to cry.

# The Moment

You are the morning for me  
You are afternoon, evening and night  
I have been playing with you since my birth

This is how you let me live in this world  
The sun rises and sets for you  
Always day and night  
The night goes and day comes for you

I greet you  
Because you are my mind  
Where there is me there is you  
You always come with the wind

Thanks the sky and the world  
I think of beauty for you in life  
And the moment you are my life  
You are the happiness and sadness

Beautiful and holly on the eyes you brings  
You brings lyrics on my mouth  
You are the dawn in my life  
You are the twilight in my life

# The Name Of Her And Smiles

I'm glad to see smiles of her always  
Her name is so sweet, and better than all;  
And wish to make a new world by smiles of her,  
Her name flowing as an ocean in my heart

She stays far from my heart, sometimes beside  
And her name, and, and example of it;  
But I sings for her at early morning and the evening,  
Though she has changed my life on yates

Yes I want to fly in the sky and likes to see the stars  
I want to tell clouds to make beautiful world,  
I want to tell the river to always flow,  
All that I want to do for my love

I've ever seen of her, like the princess of fairy in the jungle  
Sometimes she's the beautiful flower of a river,  
She is a princess of clouds in the sky,  
Or often she's a dream without a reason

Yet I love her as the mountains has seen me  
Like my heart and mind live in the peace as the sea,  
I reminds her smiles and name on my walk,  
God you live as the god in my world as immortal

# The Sky Again

One day  
Making a home in heaven  
With Pleasure I was sleeping,  
Life's sweet silence  
Soft sweet room.  
But I'm not sleeping today  
The night is long and cold night  
Can't shut eyes,  
Tired of life, not in body.  
Today go dew drops  
Be cool being cool  
Not clothes in the body of the poor.  
Hope and dream believer from  
So needed today,  
The sky again  
Like me thousands of poor.

# The Sun Rises In The East

My father and mom always  
Wake up in the darling morning and works,  
The cold wind flow from the east  
Dancing trees and the birds sing.  
Flowers bloom and butterfly take thier nectar  
The sky is beautiful at this moment,  
My mind is peaceful like waterfall  
The nature I see beautiful.  
Village childrens goes to school  
Aroma roses like the to luxuriate,  
In the shining of the sun  
The road with the light of the sun would be happiness,  
Childrens to see beautiful and lovely.  
I miss my childhood days  
We used to play and dance,  
I was crying and laughing  
Not today my childhood and cry.  
I ride like the water fish  
I ride like the birds in the sky,  
My dream and hope like the sky  
And I travel as the river.

# The Teacher

(1) You are a lighter, I'm a light bulb without  
Shine on you.

(2) Born to follow- I found a boat,  
Gave you the baton.

(3) I found a book that was my father,  
I can't read; You have taught this.

(4) Mother has taught me to walk,  
Where to go- but don't know;  
You have taught this.

(5) The roots of education is very bitter-  
I know.

I'm afraid time you said- "Its fruits are sweet."

(6) - teacher

You gave me a stick.

You gave me a glow.

Gave you a new way.

Gave you a new adventure.

# The Yellowish Fashra And Her Beauty

What else will you sacrifice of her beauty  
I can't compare to another girl,  
When she comes into class room from hostel,  
By draping yellowish fashra to adorn herself

On the path, the sun kisses her nose  
Then she shuts her face by the fashra,  
Or often she shuts by her an umbrella,  
Even then my heart of one thing

I would like to see her two eyes and around  
And I love her beautify smiles of moments,  
As I think-her name and face are like an ocean,  
Like the aquatic animal I swims here as well

But I just used to sing a lullaby for myself  
One day as I looked into the sky and sung,  
She is a sea or a sky or a world,  
And I'm only a servant or a worshipper of all

Still my mind sings more and likes you  
When you wears greenish dokhona and drapes yellowish fashra,  
I desires to see you repeatedly like this,  
As I see of you in my mobile phone

# They Say

Safe and soul full of delight  
I stand in a field,  
My heart is in the sun, and shoot arrows  
Smiling smile he say-  
Look at me, look at me  
How happy am I today  
Yesterday, I am more than happy today.  
I way over heaven sees  
Beautifully white clouds say-  
O' look at us, we see you  
Today we are very happy  
We are happy to wrap the sky.  
Cold wind does massage me  
Nature has so happy to say-  
O' friend look at me, to open your eyes  
More from yesterday I'm pretty.  
Happy tree in the forest has to say-  
Look, we are dancing  
We are bushy and beautiful,  
O' birds to fly come in between us  
As much as possible, Sing the song of delight.  
Shiny and thick be reflection of waterfall  
A Leaf of a tree, cold dew has  
My head does massage at  
All of the world they say-  
I'm so happy, I am also happy.

# Today In The Morning

I wake up in early morning  
Walking on the road of village,  
Soft wind flows, the birds singing  
Every joy come in my heart.  
I go on the edge of the river  
The river very happily flowing,  
I go to the land of farming  
So much beauty all around.  
Sun rises slowly in the east  
Now sky opens and beautiful,  
Sun lights out flowers bloom  
I see the world blonde.  
This morning I think of singing songs  
Long life to go to the road,  
Started my work in this morning  
To be the best of all the world.

# Tomorrow, When The Love Began

Tomorrow, when the love began  
Lovely you to promise me  
Aie river, meet in the valley  
I can't forget forever  
Thinking to stay busy.

River water flow, happy as  
I heart you always will  
Failure will not being loved by you.  
Tomorrow, when the love began  
Beautiful all round peace in moment  
Lovely we are getting both,  
Mountain flow of pure water,  
Holy feet in the water to soak.  
Tomorrow, when the love began  
I promise to you  
And you must promise,  
River fish like the doubles  
We both the sea swim.  
Tomorrow, when the love began  
I will make you laugh,  
We both will be more happy  
In the heart, I will embrace you.

# Totally Recall

Mom

Remember you

I recall my those happiness

Even today, your son has been happy

What do you say today's happiness?

But my works are not yet done

Still its on my hand

I don't do anything

Mom

Keep your hand on my head

The wind has always been flowing

Keep your hand on my head

Like waterfall and river flows

Mom

You always stay with me

Don't you make me cry in my life

I will keep moving away and far away

Like an ocean I will flow in the world

As a bird I will go fly fly always on the sky

Mom

I will be freedom and live

always

You see into my eyes as the sun

Look at me as the moon

You love me mom as the sky

# We Must Dare To Be Succeed

I want to sing for you  
a sweet song  
in which values and respect  
and i want to hear from you

Every moments in life  
i'd like to give a voice  
in which there can be unity,  
non-violence and the peace

Yes the life is a struggle  
we have to fight it  
and we want to live happily,  
that's why we shouldn't be proud

Every jungle, sea and the roads  
wherever there is evil  
because where there is light, there is dark  
we must dare to be succeed

The life is not for the death

live and let live

# Why The Rose Is Bloom

My darling make in her dokhona  
The design of blooming roses,  
O rose! Why do you bloom?  
My heart ask, as a bee and butterfly  
But answered my sweet darling.  
With the design of the roses dokhona  
If I look her in the evening, my heart has  
Somewhere in the sea to sink  
I get deep like a dream.  
Peaceful and lovely in the morning  
You communicate with attraction,  
And dancing blonde with the wind  
O rose! Make smile on the lips  
Darling and I both of us meet.  
Let sing the birds in the branch of trees  
White clouds in the sky,  
From the mountain to see the trees  
Rose and I to my darling.

Ronjoy Brahma

## With Four Hands

Yours and mine with four hands  
We can make a home  
Mercy and the help of this wall  
Will enlarge our country  
Two hearts, yours and mine with  
We can compose a history  
Be delicious our unity  
Successful peace flow like a waterfall  
Your one of my beats with  
Can we sing patriotic songs  
There will be tears of stone heart  
The enemy will melt the mountains like head  
Give me your hand, o friend  
The four hands in between to keep  
Freedom of life, the very successful  
Beautiful our world would be

# Yesterday

A newspaper with bodoland sansri  
I grab the bus had to move  
Happy fulfillment of hope  
Bongaigaon to Bijni to go  
A beautiful smiling girl  
From one bus was down  
Earlier with her look  
I'm so loved  
Little bit of east reddish sun beautiful  
In her cheek, kiss  
More attractions and chose me  
I want to stay wish to see  
Spring season of blooming like  
In my heart suddenly season came  
My may flowers in the garden  
Free you had colored bloom  
Like you know me  
Come to me  
I thought-  
"She really greetings to me"  
But my side and had to go  
Ashamed and a hint of smile  
Back to me when seeing  
We both face by face  
Where are you from dear?  
I wanted to know  
Thy name, and where do you go?  
I have a dream you see  
Lovely you was beautiful  
Very shy, sweet and soft face  
And one day I'll see you then  
I am sure you will welcome

Ronjoy Brahma

# You Are Very Shy

Hey girl hair to loose  
Before noon time, in the morning  
You made me look at oasis  
Watch out at this time.  
The Sun's rays is on air  
Dance with the wind blowing the trees, a leaf  
Who was you oh dear, sweetheart  
Still in my heart again.  
Standstill when I do watch  
Like the sunrise, you follow me from afar, see  
Kicks you in the stones had food  
Scruples and I.  
Slowly slowly I come to thee  
And you ashamed to run slowly slowly.

Ronjoy Brahma

# You Came Yesterday

Peace out cold with the wind  
You came yesterday, was out of signal smile  
Winkle of peacock dokhona,  
Winkle of chicken wear clothes.  
Small small pretty teeth  
Happy face you speak, greeting  
Clouds of the sky was beautiful  
Vague as bird song was a foreign voice, weather was beautiful.  
Rose flower seeds to get was like  
Your be ashamed in your pink lips,  
Been too long and beautiful  
To your face, I loved.  
Oh how beautiful you are  
Had a beautiful day yesterday  
Beautiful world of nature is beautiful  
You and I both were very happy.  
You were given life deal  
To live a life of peace, both  
I took a peace in my heart  
Never forget tomorrow's the day for you, always.

Ronjoy Brahma

# You Evanescent

Nature's color of the leaves from Dokhona  
This is in the air, you touch me, go by  
Lovely life my dear  
To follow voice of the flute to the west.  
You be Asagi Baisagi  
Sometimes sits in the background blowing,  
You ever sit cute  
Cloud's edge athlete's card.  
I have to joke sometimes don't recognize  
Daosa-mwkreb like you, be ashamed  
Really kind and shy  
In my eyes you evanescent.

Ronjoy Brahma

# You Gives Me, I Take

Again I don't want anything  
Apart from your love  
Because of your love in the middle  
Your body, mind and heart are everything  
Rose and vinca  
Lotus and sunflower  
Different kind of like your laugh  
Different season, they are also  
Your laugh and sad face  
I have the mind to be able to see  
So your face I love  
My cry like you cry together  
My happiness just as you also be with happiness  
So your body and heart I love  
Darling I season for you  
You are the nature for me  
You gives me, I take  
I give to you, You takes  
We both cry sometimes  
Sometimes we both laugh  
Darling we both love  
We are both love
