Absence

Love is transaction mind to mind

Absence of affectionate eyes
Absence of fascinating laugh
Absence of delicious tone

Sweet pain in indifferent-mind
to perceive alone in crowd
mind is also fickle and
going away
losing away
passing pleasure-less motion
aimlessly walking and moving

Mind would to like
to seek out quite place

What is that!
Pathetic cry with lender eyes
pull natural beauty
Green horizon, blue sky and bird song
row of tree in hill range
aside the moon upon the still sea

Mashiur Rahman

Aim

Have no plan it's my plan
Have no song it's my song
Aimlessly moving hear and their its my aim

Alone

We, all are alone to our own thyself.
We, all are alone from one to another
as detached island in sea of life.
We are alone from one to another
as detached planet in region of solar
moving with others in own track
to maintain boundary.
We have come alone
Also we will have to go alone in hurry.
When i stay in desolate place to talk with myself.
It's passing batter and I feel peace and safe.
We, all are alone to feel and suffer happiness and grief.
In our uncertain in certain total life.

Biggest True

The truth takes the Human religion
Who is the more important
One is the Central religious truth he takes his own.
You must know the truth and
To find the true difference between to contain the truth.
Many people know the truth but many people own,
Searching is not contain.
Many people know the truth of his takes or contains.
The result of the real people who know and they contain.
The result of the real,
people who know and they contain touch Biggest True.

Mashiur Rahman

Broadness

We can move without God
God can't move without us
God is symbol of all wishes
We have no similarity
All are individuals
Even all leaf of a tree have no similarity
Love is symbol of God
God is named by man
Of all above humanity is true
Give up all narrowness
To welcome all
He is happy by broadness
He is happy by broadness

All ready lost of his common sense for love
have no feelings
have no motion
would free from all manner
have lost out from his family.
Most of the people know him as rashness.
Most of the people know him as
fool-hardy man.
Now he is free from all regulations,
Only love is grabbed by him.
I know, he is a happy man.

Mashiur Rahman

Heaven Touch

Without lovely immense mind as sky,
Have no social fitness or worthiness to love you.
My sense saying you also love me.
When i alone in my room

I know it's resultless love
Love is love for love,
Just love to make ownselfs purity.

Intention

All love directly or indirectly relate
with sexual intention or attraction
Sun love Earth
Earth deeply attract Sun
So water is transformed cloud
Cloud is transformed rainfall
Wind is transformed storm
Moon attracts sea
for thats occur ebb and flow tide
'Love is creative and distractive'
'No madness no creativity'
All earthly creation is created by
the madness of Sun and earth

Yes, ' No sexual intention No love'

Lady Nature

Yes, you true with any lady
she don't trust you than a person
who is talking lie as truly
It's the nature of lady
to like to love
to being cheated
So, I don't get love
for my idiotic truthfulness
Know, lastly have to come
and I go to another place
won't trust me as before
but her mind will be discovered
from long distance
and i will go to another place
thats from beging to preasent
Don't know how time shall i go alone
that way isn't pleasurable
Please make your mind timely
to understand.

Life

We are running entire life is the game
For specific time with individual name
Are circling from one in equal chain
Day and night come again and again..
Place to place man to man
Moving for exist from begin
No ending and extended to transfer
We are our own fates architecture..
In short and big many cases
Are concurred by only two bases
Joy and sorrow come one after another
None can refuse that have to must bear,
With life is uncertain like dewdrop
By slightest wind life may be flop..

Mashiur Rahman

You may open your minds door.
I wait beside the door to melt with the first blooming sun shine,
For changed of you'll have no unexpected hesitation thats ruin,
To get new morning and new blush sky
There no sadness always soft cloud'll fly....
I wait beside the door to mix with haven love and trust,
For changed of you'll have no ugly wind thats blast,
You'll get secret melodious sound & beauty of fountain and flower
There no dizzy always fresh smell will wander....

One Flower

One flower many scent
One flower three color

Can't catch out movable flower

Why am I thinking
when God will give
Than I will get

Flowers have honey

Why am I thinking
when God will want
Then I will get lotus honey

Flowers have worms insects and snake

May lost life

Only guru know

But unstable or skipping mind.....

Cloudy sky of rainy season
Some black clouds are flying.....

Alone, I am thinking and
To talk with her mind to mind
To see that black cloud....

O! black cloud please come upon me
To raining
I want to get wet under rain shadow and
Make cool of my wilderness heart
That which being her sweet touch.....

Realization

Secretly, lip want to touch with lip
Breath want to mixed with breath
Head want to put on left side of chest
Silent love has no effective distance
Minds language just realization.
From where are to call me continuously
and to be looted stamina and thinking
Standing and waiting aside the road to look green and red signals passerby passing
Standing and waiting to look arising and setting the Sun day & night passing no variation.
Secretly want to hug to touch to mixed
to put on for being two in one.

Mashiur Rahman

Recent So Indifferent

The morning was vigorous,
The evening was very tired;
That is remembering;
Open yard of Parliament sitting side-by-side ate panipuri,
Remembering; over bridge and crowd place
We moved on Rickshaws
And kissed screen of the men ware sitting under.

Must calculate the day of the game
It was like having
Your having with Honey touch,
Oily & sweetest words of you before not understand,
Today I am bitten by associated disease
For your absence.

I'm forlom and suspicious for her scream;
So recently so indifferent that odds,
But your think of shadow can't leave me,
Moving aimlessly like vagrant, all are test-less
For your absence.

My love is not captive net or cheat net;
At the time, while not stay real love,
Can understand bits of colorful
When at the end of glamorous morning
and day will come cloud the night,
Then you will be cursing your own self
For my absence.

Will go but don't give false scandal;
The past cannot be forgotten by unnecessary false expanse.
Always will be come back real love
Always will be come back to sweet memories unknowingly
There was no artificially love to you and even now.

Mashiur Rahman

Shadow Lady

My shadow lady with melodious dreams of childhood ask to my youth age, how are you?
'I'm not well so you can't well
you should not well
when I will well than you should well'
At childhood I was very restive kiddy
my dream was batter fly of different colours flew
with dance around you was bud of flower
You was my first lovely heat
ice was dropping to transform waterfall
My shadow lady with sweet childhood dreams please hear
I'm not well but well
because I'm alone yet and forever will reach...

Mashiur Rahman

Singer

Familiar word, tone and song
But unknown the Singer
Who is always singing song
From the core of heart.

Always coming and going…

I don't touch the singer
I can't catch out the singer…

Once the singer won't come
And Go forever
That day I will reach the eternal life
To finish the performance of
The mundane platform….

Mashiur Rahman

Spherical puzzle

The first ‘think ' or ' decide’
Then we started everything
For aim or purpose can prove
From time to time, Exchange

Universe is a spherical puzzle
Bind by Invisible bond,
Active or inactive
Organism or in a smaller planet or star,
One rudiment for all of the others
About existence
Somebody can and somebody other is decay.

Mashiur Rahman

Sometimes sensitive clouds transfer
To be rain to dropp on my eyelids
To see Ur glittering smile
Ur shameful smile on green grasses of longest horizon
Ur loudly smile over a streaming river
Ur adorable smile upon the moon light

To seeing Ur tricks and artifices already I'm being escapist

When Pull Me

Often pull me from far distance
But I don't know who is that
At the same time to be anxious

Without You

Recognized or unrecognized
Any where
If in your eye-shot to see,
Feeling with heart
How pain with me without you
I have put in the work all time
To forget your sweet-able all……

But, in my mind able to find you
By feeling what’re sadness now.

I have taken your thoughts,
Some of the other can’t think
And wondered.
Yes, the only good think with me.
No matter how many times
In the sky dream wishes to fly.

World, Wise head & Football

World on leg, world by leg, world in leg not hand

Shooting, moving, going

From to from, from to from, from to from

World on head, world by head, world in head not hand

Only two-operator touch world by their all

Heading, shooting or kicking moving, going from to from

We feel exciting with love or loveless

We total world exclaim goal, goal and goal

I believe immensely

Football is world

Head of wise man

No doubt consequence

Enough similarity has between wise man & football

Player's are playing football by leg or head

Exactly society is a stadium

Where people are playing or acting game

By adoration or abhor like by head or foot to wise man

And seer next & next generation

Wise man get adoration or abhor from society.

Shooting, moving, going

From to from, from to from, from to from

When he will go to eternal from this cosmic

Then we will shout that he was a good man.

World on leg, world by leg, world in leg not hand

Shooting or kicking, moving, going

From to from, from to from, from to from

We total world exclaim

Goal, goal, goal.

Worship

My love U r my goddess
For U my adorable loves
Which as flower to dropp upon U by my handful
U r vibration of my heart
Always pulsating Ur name
Already forget my entire daily act
Whatever should I do
Whatever will I do
Only one name is remembered again and again
To my wild mind
To come being coldness rain
To come being soft wind
Touching wind and rains drops enfold me
To stand aside my roof
I having bath moon light lit
I seek out Ur holy face above the moon
Then my all sadness go...

Mashiur Rahman

You

Oh! dear, where are you living now;
What border are you staying?
For you my minds sky is blue & soft white!
Oh! dear, what wood you are a bird;
How kind of your eyes?
From hidden always you are singing!
Oh! dear, what month of you are the moon;
What night you are the star?
You are calling but untouchable!
Oh! dear, what lake you are a lotus;
How kind of thats honey?
Without you the saint of loveplace is ugly!
Oh! dear, what river are you as water;
Where are you flowing.....?
