matt ancient (11 january 1985)

Matt ancient also known as Matthew Ackerson was born in Africa, on Friday 11 January 1985, he was feed and bread in Africa till he was 25. he educated himself up to the collage level, before moving to

Be Greatful

Be grateful to your creator
For he is your maker
Ungratefulness comes from
Greediness and selfishness
Ungrateful people are evil
It is the act of the devil
Be grateful
Instead of being scornful
Ungrateful people
Hate to show appreciation
For their life is full of illusion
Be grateful to your creator
For he is your maker

matt ancient

Be Hopeful

Hopeful
Be hopeful
Want to be successful
Saw good seeds
For we are cursed and blessed
By our own deeds
Being hopeful is to over come
And encouragement
Becomes our strength
For what we could become here
Unless we over come our fear
The wind blowing
Here and there
Life becomes so unfair
All you need to do
Is to be hopeful
Hopeful
Be hopeful

matt ancient

Be real with me

Be real with me
Who will be real with me
She is a false pretender
Says she can't remember
The things we did together
Such a big lire
She cant be real with me
Be real with me
My life is more than my age
So you cant put me in a cage
Being stronger and richer
Do not means i am smaller
Cherish love than power
For love is
Superior and greater
Although i am poor
But you can
Help me live better
Do not make me inferior
Be real with me
For that is forever

matt ancient

City Of Sin

City of sin
When will thou go clean
A foolish society
In an archaic city
Full of vanity
A city without conscience
Full of violence
Greediness and selfishness
Why should there be a city
Without justice and fairness
The rich over the poor
Blood do they devour
Life becomes sore
Her daughters turn hoer
How can there exist
Such a city
If goodness is banish
Why won't they perish
Why must i cherish
Such an evil city

matt ancient

Destiny Decides

Destiny decides
Don't be deceived
But destiny decides
You nailed me in the head
You short me in the heart
Ignoring all the fact
Let the clouds get fold
Keep secrete the truth
But the story is yet to be told
That a glory of a man
Is purer than gold
The old may refuse to reason
But a tree bearing fort fruit
Means it is in it season
What is happening
Is that which is to happen
What is written is written

matt ancient

Do Good

I will live my life doing good
For i understand
The reason of doing good
So wither with or without
I will live doing good
The only power over evil
Is to live doing good
I will live my life doing good
For goodness is love
Goodness will take you
Higher and above
Goodness is kindness
Goodness brings happiness
It opposes selfishness
Goodness is Godliness
So i will live my life doing good

matt ancient

Dooms Day

Many a times
I passed through trouble
Many a times
I passed through pain
I was exploited
I was was humiliated
I was condemned
I was consumed by mystery
My wings were taken
So i couldn't fly
All i eat all day was my cry
I asked myself why
And there came a voice saying
In your affliction
Will you learn right
In your oppression
Will you rise how to fight
The sun shines at day
And stars at night
Arise and see the light

matt ancient

Fly high

Fly, i will fly high
Fly, i will fly high
Like the birds in the sky
they are destined to fly
No matter the situation
They will fly
Fly, i will fly high
I am beyond your expectation
For i am part of creation
Till i reach my destination
Fly, i will fly high

matt ancient

Freedom

Freedom is a must
It shall come to past
We need freedom
The philosophy for this kingdom
For freedom is love
Freedom is the truth
Ye shall know the truth
And the truth shall set you free
Freedom from evil
Freedom from want
Freedom from pain
Freedom to gain
In this life
We need freedom
Freedom is a must
It shall come to past

matt ancient

He lives in me

Where does God lives
Up there or within me
If there is God in the sky
Why cant he hear my cry
Why cant he feel my pain
We has eyes but cant see
He has ears but cant hear
Why must i live in fear
If he is a good judge
Why is his world unfair
May be there is no reason
In living justly
Being truthfully and uprightly
Why should he discriminate against me
Why cant he save me
If he is my protector
Evil men became richer and stronger
May be living a good life
Is my failure
Who will be a good door keeper
Is it God or my neighbor
If people around me
Are not truthful and helpful
why won't life be
so painful and stressful

Here Comes Love

Here comes love
So embrace him
Love is powerful
So be truthful
You betrayed the love
I have for you
All because of money
But all is vanity
For wisdom excelliet folly
Seek eternity
That is forever
There are things
Which seemeth gorgeous
But will not last longer
Love is respect for one another
To abuse
I refuse
I am full of love
Here comes love

matt ancient

I Am a New Creature

i am new creature
it a new world
the old world is passed away
the darkness is gone
the lights has came
the nights are gone
the shinny days has come
new ideas and new ways
different personality with new face
we are in the modern days
i am a new creature
i am born again

matt ancient

I am sick of love

I am sick
I am sick of love
I went to the physician
I went to the magician
They say i need a prayer
So i should see the pastor
But i could not find solution
I am consumed with my confusion
The sea dried up
The dead raised up
Winter passed and summer came
The darkness went then light came
I was tired with all these ecclesiastics
The only solution
That will bring satisfaction
Is your love.

matt ancient

I am that I am

I am that i am
I am the light of the universe
The stars in the sky
The highest mountain
The water of life
The truth and the way
Solution to problems
I am that i am
I am equity and justice
Freedom and happiness
Free and fairness
Merciful and kindness
I hate violence
Love to the poor and the needy
Seek me and you will find me
I am that iam

matt ancient

I Will Not Waist Time

I will not waist time
But make good use of my time
To the peak of the mountain will i claim
Nagativity will not profit you a dime
So make hay when shines
Stand tall and act fine
Blessing to he who says wisdom is mine
Like the ant who gathers his food in a due season
So will i take council then reason
For sometimes life moves too quick
Sometimes too slow
Life treat us soo cruely
Sometimes too right
Sometimes i feel under
May be it all over
Sometimes i feel stronger
Life has a lot to offer
So I will not waist time
But make good use of my time

matt ancient

IN MY UNIQUENESS

i am so special
i am so special
i am a winner
not a loser
a conqueror, born to conquer
from zero, to a hero
from nothing, to something
nobody, to somebody
from grass, to grace
came out of darkness
to show my ways
my God created me special
i am so special
heavenly king, i will reign
power over sorrow
and from pain
good in name
and of fame
good in spirit
and in mind
one of it kind
you will never, ever find
i am so special
so so special

Know thy self

You are you
Nobody can be you
And you cant be
Anybody than you
Only you can be you
Unless you are not
Willing to be you
But nevertheless
You will always be you
So be you
For only you can be you

matt ancient

Life is Like A Story

Life is like a story
Every one has that glory
I was walking around when i heard you call my name
From that moment life has not been the same
Thou made me a fame
Thou made me a tall tree
Thou thought me how to be free
Prevented my feet from falling
And i said i am for heaven
Thou placed me higher among the hearten
Now i know thy face
Now i know thy ways
Life is like a story
Every one has that glory

matt ancient

Life is presious than pieces of silver

Life is precious
Than pieces of silver
So never say never
Life is precious
But evil people
Makes it dangerous
Don't pay attention
To the scornful
If you really want
To be successful
Life is not a race
But you need a pace
Life is not a fight
Know your right
And responsibilities
For we are here to
Fulfill our duties
How you think
Is who you are
So never say never
What you do
Is who you are
SO never say never
But live up to
Your highest expectation
For till the end
You don't know
Our destination
Reducing errors
And living perfection
Life is precious
So never say never

matt ancient

Live and Learn

Education is very important
So do not be ignorant
Go to school
And do not be a fool
Life is not about making money
But live for the glory
Learning will help you shape your destiny
Be useful to people
Show good example
For if you do not learn, you will not know
Why the should a man gain the world
And looses his soul
So live and learn

matt ancient

Mama africa

What have you done
To yourself mama
What have done
To yourself Africa
You don't know who you are
Your superiority
Turn into inferiority
For you are into mental slavery
Because of poverty and illiteracy
What have you
Done to yourself
You have bewitched yourself
You have turn into a beast
So you eat your sons
And daughters for feast
You don't know
What is right
So do not know
The cause to fight
What have done
To yourself mama
What have you done
To yourself Africa

matt ancient

Me, Myself and I

You can choose to hate me
Or love me
You can choose to be a friend
Or an enemy
But that do not change
My abilities and capabilities
I am who i am destined to be
I can only be me
I know you have love for vanity
But i am the spirit
Which lives within me
I am not my skin
Nor what i wear
I am not what i hear
your perception do not
Put me to fear
No matter what happens
I will strive to live my life
For my life is my life

My Home

My home
Where is my home
My home is not about
These walls of bricks
My home is not
A mansion full of riches
My home is not where
People of the same skin lives
But where i will find
Peace, love and harmony
Where i will find
A better destiny
Where do freedom lives
Here or there
Then that is my home

matt ancient

My Meditations

In my meditations
In my meditations
I get motivation
And inspiration
I get the spirit
Of higher sensation
Through positive thinking
And creation
My imagination
And expectation
According to the situation
So i don't believe in illusion
The journey seems too far
But i keep going
Temptation keep pulling me down
But i ain't stopping
My mission to be accomplished
And visions established
In my meditations
In my meditations

matt ancient

My Resolution

Love is the solution
This is my resolution
Nightmares different from dreams
The sea is bigger than the stream
I sought to find out
What the heart desire
And there was nothing than love
That which will take
You higher and above
Love will not treat you wrong
But will make you strong
If love will be away
Then for how long
Love i will not gain
For you to live in pain
If i do that
Then i do that in vain

matt ancient

Oh me, Oh me

oh me, oh me
i will be, i will be
i will live my destiny
as it is given me
that which is written of me
oh me, oh me
i will be, i will be
that i will not perish
but florish
heaven is my wish
the enemy tried me
they became one against me
but my world was bigger and stronger
so i conquered my fears
i wiped away my tears
oh you enemies of progress
when will you stop
turning my glory into shame
you sort to destroy my name
but i have no one to blame
for no weapon against me shall prosper
surly i will be the one to conquer

matt ancient

Prosperity to humanity

Prosperity, prosperity
Prosperity to humanity
I brought to you
Love and solidarity
Peace and harmony
Kings go to war
And humanity fall
But i brought prosperity to humanity
So why then should you curse me
Instead of blessing me
I need you to love me
For it is prosperity
I brought to humanity
It power and glory to humanity
Accountability and transparency
A higher levity
Prosperity, prosperity
Prosperity to humanity

Pure love

I am a brave man
I am bold
My love is purer than gold
So will you be my lover
Will you be a friend
For i can be a good brother
I have been abandon by my lover
She says i have no future
So she cant be with me forever
But i believe in love
That's my heart desire
I am like gold in the dust
Wash me and you will see
How wealthy i am to thee
I am testy of love
Because love is life
Not a beautiful woman
To make a wife
I am blessed with natural mystic
My love is more than magic
So will you be my lover

Reason be for you act

Reason be for you act
In every thing you must reason
Does it make sense
When you abuse your neighbor
Reason for if you say you are a fisher
Then go to the deep sea
And catch big fishes
Rather than swimming around
And catching fingerlings
For there is no profit in that
In fact
Reason for that is the only way to prove
Yourself wealthy to live
Reason for if you plant a good seed
You will reap a good fruit
Reason for what you do today
Leads you to tomorrow
If you invest your life wisely
You will reap bountifully
Reason for there is difference
Between goodness and evil
So in everything you do reason
Even in decision making
How bad it is to kill
And how good it is to heal
Doesn't it make sense
When you love your neighbor
As thy self
Reason for even in that comes
Forever peace and freedom
For where there is love
There is joy and happiness
Don't you love progress
If you do then reason
Reason before you act
Isn't nice and wise
To judge equally

matt ancient

Respect My Integrity

Bare me out
Why all these dought
I dare you to
Respect my integrity
For they say i am mad
Because of poverty
But whither rich or poor
All is vanity
I will shew my self wise
Or else fools be my adversary
I will seek eternity
I will always fight
For my dignity
Why all these dought
Bare me out
Humans bare me out

matt ancient

Save Me Oh My Lord

Jehovah jara
My great provider
Oh my love come
And stand for me
Come and rescue me
In this wildness
Provide me heat
Save me from this coldness
Bless me my love
Save me from this stress
For you are
Full of mercies and kindness
You are my creator,
My master and my bread giver
My eyes are on you
I am still waiting for you
You have done it for them
And i know you can
Do it for me too

matt ancient

Seek freedom

What does the sun of man want
What does mankind want
Under the sun
Is it to eat all the food
In the world and have fun
So that nobody gets nothing to feed
Or destroy the righteous and his seed
May be gather more riches
And be superior
So that others become
Poor and inferior
Or gather all the women
In the world by your side
Is this the ultimate pride
What fore does mankind want
Apart from being free and happy
You need freedom to live your destiny
So do i need freedom
Everybody needs freedom
The rich man needs freedom
So do the poor man also need freedom
The king needs freedom
So do his subjects needs freedom
The master needs freedom
So do the servant needs freedom
Freedom belongs to the old man
As well is the young man
the human society without freedom
Is an evildom
Freedom is love for one another
Freedom is the ultimate power

The Dreamer

I am the dreamer
i choose the dream
i chase the dream
the dream do not chase the dreamer
but the dreamer follows the dream
for opportunities are not given
but they are made
because the dream can fade
everybody want success
but success knows the dreamer
i am the dreamer

matt ancient

The earth is my home

I am a man born on earth
I am a man born on earth
To live is my right
For that i have to fight
I don't need
Anybody's green light
For it my own life
And i have the right
To be free
And be free
I have no place
Than the earth
I don't need
All these wealth
Neither gold nor silver
Can buy my health
The earth is my home

matt ancient

The Good Heart

Only nature is my witness
That i am the greatest
The son of God
And the father of the fatherless
Cloth with apparel of faithfulness
Washed in the blood of love and kindness
Only heaven and earth bares me a witness
Let mankind deny me
But that do not change me
Ye men of vain imagination
Who do not like good direction
Why wont you perish in your illusion
You have harden your heart
And will not listen to my instruction
Why do you have the heart of fools
Who should be instruct with whips
Oh ye lairs with flattering lips
Your evil deeds will end soon
And ye shall be no more
Like never before
Surely the material wealth you trust
Will not last
But you will all be in the dust

matt ancient

The haven of fools

The haven of fools
This is the haven
Fools do not like greatness
So they hate progress
Fools lack wisdom
They are far from freedom
Their heart attaineth riches
But they don't have riches
Fools will perish
But the upright will flourish
He will nourish
Has anybody seen the end of the foolish
Think for wisdom excelleth folly
Whom will you like to be
The end of the upright
Is everlasting life
Like a tree
Planted by the river side
Marry it, let it be your pride
Keep it as your pride
Do away with ignorant
For the truth is important
Fools has pleasure in vanity
But the happiness
Of the wise is in eternity

The Human Race Is Falling

the human race is falling
oh it is falling
too much lies
too much atrocities
too much propaganda
too much ignorant
why are you ignorant of the truth
oh the human race is falling
it is falling
there is no equity and justice
no free and fairness
there is no kindness
we need transparency
crying humanity
oh it is falling
too much suffering
instead of happiness
too much pain
it wickedness
instead of joy
it is shame
why not glory
feel sorry
we destroy one another
instead of helping each other
whiles i live
i saw oppression
i saw affliction
and i saw tyranny
too much hypocrisy
where is your love
oh it is falling
i saw men trying to be Superior
and powerful
but there was no savior
no one was merciful
oh the human race is falling
it is falling

matt ancient

The revolutionalist

We need a change
There must be a change
Authority do means extra responsibility
Not selfishness and greediness
Prosperity came from efficiency
 Transparency and it effectiveness
Ignorant and corrupt leadership
Like an army of evil soldiers in a warship
They kill, destroy and steal us
So we do not like their friendship
Instead of prosperity
They create poverty
Beware of the beast
For you do not know where it cometh from
Wither the west or the east
Either at mourn or at feast
Power is sweat
But why does it feels bitter
Life is sweat
But why cant we live forever

The Role Of A Hero

In this life
In this great life
Nature gave me a role
To play in the movie of life
A protagonist fighting for nature
That mankind may exit forever
Love for mankind, animals and all nature
To save my world from the destroyer
To heal the breaches of the humandom
Freedom from the devilish kingdom
Unit mankind against his common enemy
Who rains waters of poverty
I came that there might e prosperity
Feel the wind of change blowing
This is my making

matt ancient

The Truth

Nothing but the truth
I stand by the truth
The truth is my portion
And my salvation
So do not believe in illusion
Face reality and act positively
For how you feel
Is different from what is going on
Blaspheming and evil
Is the act of ignorant of the truth
But surely there is
A reward for goodness and evil
No matter the circumstances
The truth will prevail
Although the truthful path
Is difficult to tread
But take heed and lead
For the truth is the light
That guides our way
They reflect on what we say
So they say
We are the truth

matt ancient

The ultimate power

Love is the ultimate power
Even though i have power
I will not make you inferior
Neither will i not
Take of you an advantage
Even though i am
Of an older age
But to give you courage
According to your wish
Lease i perish
But love must be establish
That it will be your wiliness
I will not use your kindness
To be your weakness
Why will i make you cry
I will pardon your life
Than to see you die
I will take you high
As grapes are for wine
So are you mine
Come with me
And everything will be fine

matt ancient

Think Possitvely

Think positively
Why do you think negatively
The opportunity
Of thinking negatively
Could have been used
To think positively
So think positively
Why do you enjoy wickedness
Instead of kindness
Why are you a destroyer
Instead of being a savior
Be equity and justice
Than being partial
For thinking positively
Solves all problems

matt ancient

Time will tell

Time will tell
Nobody knows tomorrow
But time will tell
Until the end you cant tell
The act and deeds of mankind
Depends on time
In the race of life
Time will tell
Life is like planting a seed
It takes time to grow
And only time will tell fought
When it will bare fruits
A child is born
And only time tells his future
Little drops of water
Makes a mighty ocean
A nation grows to be an empire
Whither the wildness burns
Or not depends on the fire
The rainy days
And the sunny day
Are all example of time
Time will tell

matt ancient

Waiting for love

As the heart panteth
After the water brooks
And as the fish
Is always caught by the hook
So my soul panteth after thee
My soul thirsteth for thee
Thou art my love
My true love
When shall i come
And appear before my love
My tears has been my meat
For i cant stand the heat
Whiles they continue to say unto me
Where is your love
When i remember all these things
I pour out my soul in me
For love flew with me
Like a white dove
Why art thou cast down
Oh my soul
Why art thou disquieted in me
Oh my soul
Hope, do not have fear
Wait patiently for her
For she will appear

Wake Up

Wake up
Wake up
Wake up from your slumber
For strength belongs to
He who put himself together
Never look down
But carry your crown
Arise and shine
For at the end of every rain
Comes the sunshine
Yesterday and today
Are not the same
Today is sadness
Tomorrow comes happiness
It is not the fall
But how you rise again
Wake up from the pain
For time wasted
Can never be gained again
Wake up
Wake up
Wake up from your slumber

Who am i

Marijuana, marijuana
I am natural
But they do not
Want me to exist
For that i resist
Universally they know me
Psychologically i set the people free
But evil people do not like me
I have stabilized many emotion
I have encouraged and
Given many inspiration
With me comes deeper meditation
I will take you from the dust
And place you higher
What do you want
Intelligence or power
Seek me, respect me
And use me
Marijuana, marijuana

Who has the heart and courage

Who has the heart
And courage
Wins at the end
To the top
We don't stop
Man was born with a vision
Through that his mission
Yes people ever did it great
But you can do it greater
There are people out there
Doing it good
You can do it better
There is none greater
And none is lesser
Everyone has it
But no one has has it
Make good use of your time
For who you become
Is beyond understanding
For that we still searching
Be who you are
Go as much as far
The storm might hit you
Life might be crooked to you
The battle might be sore
But be courageous
Be serious and get focus
For winners don't quit
And quitters don't win
For who has the heart
And courage
Wins at the end.

Why this way

why should it be done this way
why should it be done this way
we all have a role to play
for we live to pay one day
if you had the opportunity
what will you say
positivity reigns among humanity
the back bone of human morality
why cant we stand tall
so our fall
i don't understand at all
why should it be done this way

Words of love

Sea never dries
The truth never dies
As it has been
Let it be
For it was meant to be
My love for you is forever
Birds of the same feathers
Flock together
So shall we share
The same love together
For what God has patten together
Let no man put asunder
Truly beauty lies
On the eyes of the beholder
From the very moment
I saw you
I knew it was you
And truly, it is you
When i look in your eyes
You are full of passion
You are loving and curing
Full of passion
What i have for you
Is love and affection

You Are the Greatest

You are the greatest
My love you are the greatest
You make all things beautiful
To me your love is wonderful
Thou feedest me
When i am hungry
Giveth me waters
To quench my thirst
You put me first
Encourage me to be the best
You are the greatest
My love you are the greatest
You visited me
When i was in jail
You encouraged me to be
The head not the tail
You are the reason
I did not fail
You are the greatest
My love you are the greatest
You are my motivation
My source of power generation
Oh my savor
You are my heart desire
Truly you are my lover
May you live forever
You are the greatest
My love you are the greatest
