a letter to 'Thomas McCloud!

i always wanted
to be around you.
i never turned
you down,
no matter
what it was.
you knew,
you where dear
to me.
i would never
say never.
but...
that day
came.
the day
you said
you liked
another.it
was that day,
the little bit
of hope i had left
in this cold world,
had been distroyed.
i cried untill my eyes
burned dry.
it was that day my wishes
my hopes, everything had been crushed.
it was because of you.
thomas, you are the one who
destroyed the last of my world.
i liked you and maybe even
loved you,
my dear thomas.
how could you treat thee
so?
i would of sacraficed
my life for you.
and in return,
you gave me a heart,
with a scar.
Thomas how could
you be so cruel?

...i hope you are is happy.

Morgan Evans

a whisper...

i walk by you and whisper 'hello' you look
and dont seem to notice me.
whispers is all you ever notice ot of me.
whispers are quiet and calm.
i can whisper,
because thats what i am.
i go by you almost un-noticed.
and sweet.
i can whisper and not worry
that what i said would give away
my feelings for you...
im a whisper.

Morgan Evans

a wish gone bad...

i wished once upon a star.
my wish never became reality.
the star i saw must of
faded.
i wounder, did i wish right?
it was not a bad wish,
its a wish i dreamed of.
the wish was this...
i wish i wish,
on this star i see
tonight.

i wish for a boy
that needed a
special friend.

i wish on this star
i see tonight.
to let him notice
thee.to let me
to be the someone
to share the pain.
to take it away.
to be by his side
forever.

i wish on the
brightast star,
tonight.
thats all
i wanted untill
he did
notice me,
i found he liked
another.

Angel of mine...

thier is something in this world
i never thought i could find.
when i looked for hope in this
dark world,
you showed me love.
you where sent from heaven,
and it seems just for me.
how you changed my world no one
shall never know.
now i know why they say the best
things in life are free.
that something i thought i would never
find is an...
 angel of mine.

Morgan Evans

as shadows dance

i see you and you never seem to notice me.
i watch you and smile and still
its like im a shadow.
im there but to you i dont realy
exist.
how long untill you notice me?
Ill wait untill you notice
my lonly shadow.
untill then my shadow will
dance in the warm breeze
you led me to.

Morgan Evans

as shadows dance part 2...

my shadow followed you
today,
and found something
i wish it had not.
you have a
shadow not as lonely
as mine.
your shadow danced
with another.
my shadow...
is in the little
bit of warming wind you left
for me.
now that wind is turning
cold.
my shadow will still
follow behind you
untill you
truely notice,
its not just
another shadow.
...
my shadow still dances on.

Morgan Evans

because i loved you...

i was always thier for you,
i never left your side.
i never said never to you.
i could imagine you and i together.
you could look somewhere and always spot me.
now and then you'd ask a question,
and i always had the answer.
why..
did i do this?
because i loved you.

Morgan Evans

crying never helps...

why do we cry?
crying never helps.
it never can comefort you
when you do.
crying is no
emotion.
its not a memory,
its just a tear
you wish not
to shed.
crying...
never makes things
better,
to me it just makes
things worse.

Morgan Evans

forgotten filled of roses

as the rain drops i wonder were do you now
lurk.
shall you come back for thee?
or am i just a distant memory.
just a lonesome rose left in
the forgotten feild of lonesome
dreams?
will i stay here and wilt?
or will you protect me.
i will wait untill this lonesome filled is found.
ill be here for eternity.

Morgan Evans

how i felt in your arms...

in your arms i could not cry.
when i did the tears would seem to dry up.
in your arms no sadness reached me.
like there was a barrier of roses.
when i was there it seems the world
did not matter anymore.
that you would shield me from the coldness,
and the darkness that lurks in it.
the only thing i could do was smile,
and look in your eyes.
you are thier when i needed you,
i wish i could stay
in your arms for all eternity.
i could feel like this forever,
and this is all i would ever feel.
Because the coldness i had would dissapear.

Morgan Evans

i left becase...

i left because...
you didnt care.
you never talked to me.
you never said i love you anymore.
i left because...
when i needed you,
you was not thier.
when i hugged you,
you never hugged me
back anymore.
...i left because...
i saw you with her.

Morgan Evans

i can be your angel...

i can be your angel...

i can rap my soft
wings around you when
you cry,
ill dry away your tears.

ill watch over you, no
matter where you go.
ill be right by your side.

i will never let you fall,
fall into the cold part
of the world.
ill fly you right over it.
or...
if you dont love me,
ill be your guardian
Angel for as long as
i can!

Morgan Evans

i can love, i can feel my love for you...

i can love,
i can feel...
i can't heel this long
jagged scar, in my heart you made.
i can change, for you and only you.
it want be the same though, knowing you
didnt love me the way i loved you before.
no, nothing can take the place of you now.i
tried to forget you, but all i got was a
scar.
i can feel you,
i can feel my love for you.

Morgan Evans

i could of given you the last of my broken world...

i promised to take the
pain away.
i even let you
see how i felt!
i told you i could give
you the last of my
happieness.
you knew all of this but..
you..
never ever
seemed to care!
you liked
a girl,
aswell as me.
you didnt know one thing..
i could of given you
true love!
i would given you the last
of my heart.
because,
you was the last
thing i could of
held dear to me.
but instead you
ripped my already
shreded
cold heart out.
maybe i should
of kept my fealings.
after all i could of feit alone,
with the last of my
dreams of you and i.

Morgan Evans

i hope our love is unbreakeable...

i hope...
our love is eturnal.
because i want to be with you,
for all eternity.
i hope its unbreake able,
because seperateing you and i,
is immpossible it seems.
i hope love can stay true as long
as we are together.
because love is what makes us
special together.
i hope you know i love you more everyday.
because everyday i watch you more,
and my love grows for you.
i hope these feelings will last a lifetime,
bcause thats how long i plan to be
with you!

Morgan Evans

i miss you when...

i miss you...
i miss whaen the wind
blows.
thats what happened
when i first saw you.

i miss you when...
someone says 'Hi'.
thats the first
word you said to me.

i miss you when...
i see colors.
because i know
one of them is
your favorite.

i miss you when...
i cry.
you always wiped away
my tears.

i miss you when...
its night,
and the stars are
out.
thats where we
first kissed.

i miss you day
and night.
i hope you come home
soon.
ill be waiting.
untill i see your face
walk through the door.

Morgan Evans

i thought you was a friend...

i trusted you with my life.
i would of done anything for you.
you knew i would,
you knew he was the only one
who took the pain away besides you.
why..
why my old friend?
did you take him from me?
most importantly,
you took the only friend i
thought i could trust away.
why didnt you tell me you felt that way
for him?
maybe i should of asked.
...it turns ouy you was onlt useing me
to get to him.
why...
i wish i had never met you.
i thought you was a friend,
good-bye my old friend.
live your life on,
and remember this...
when you need me i shall not be
thier.
anymore.

Morgan Evans

ill love you, no matter what you do...

ill love if you are the last thing i
see.
i will if you plan on distroying the
world.
i shall love you if we are sepperated.
if you are the last thing i see.
itll be allright because, you are the lasgt thing
i think about.
if you do plan on distroying the world.
i will be the one by your side.
if we are sepperated, it will be ok.because
i know we can both look at the same moon, and
the stars it protects.
i love you forever if you will give thee a chance.

Morgan Evans

ill tell you when i love you, like this...

i have a heart,
and a soul.
both the things
everyone has.
no one can see
these things
from the
outside.
But if
you
truely love them.
they shall
tell.
when someone
tells a secret thats
truely special, its love.
love...is something you cant see either.

Morgan Evans

im a fallen angel...

im a fallen angel.
i have fallen from the bright heavens above.
down here on this cold hearted world.
im searching for someone,
someone who can help me find who i am.
im a fallen angel,
with no one here to help.
my wings have gone,
faded into the darkness.
i need somthing to be thier for me.
im a fallen angel,
in search for someone like,
you.

Morgan Evans

im a true friend...

im here for you.
i can always make you laugh,
when you need it the most.
ill laugh at all your jokes,
even if thier not funny.
ill never lie to you.
i have a shoulder for your weeping,
i can give advise,
and even be the first to say im sorry.
when no one is thier,
automaticaly i am.
you can talk to me and i
shall always understand.
i will follow you if like me to.
i shall stand up for you, no matter who it is.
can you guess who i am? ...
im a true friand.

Morgan Evans

im a weeping rose...

im a weeping rose.
i stair out into the world and wounder,
does everyone feel like this?
feel like you've lost a new born child.
like you've lost everything you once had,
and nothing more will come back for you?
why does the world have so much sorrow,
can thier be one person who does not
feel like a weeping rose?
Or am i the only one who feels this
pain.
pain that you cannot see, but pain
that hurts in you.
it hurts to much that if a little more
shall come i cant stand the horred feeling.
im a weeping rose.

Morgan Evans

im alone...

im alone in this big world.
i have no place to run.
i wanted someone to be there
for me, just once to stand up for me.
to rescue me from all my broken
dreams...
im left here all alone, no one
is thier by myside.no one has
ever seen how cold the world truely is.
to let the world treat you like an...
outcast.

Morgan Evans

im left behind in this...darkness

Why did you have to go?
you left me here all alone in this cold
hearted world.
With no one, so why did you leave me?
You took everything i had inside
of me, and pushed me aside.
All you left are the painful
memories of you and i.
You shoved me into the darkened
corner, Why?
So now i sit here all alone
in this darkened space.
No one has yet to come and save me.
Now im washed down in tears,
you made shed.
why couldnt you have stayed?
what did i do, to get tossed
in this darkened corner?
Im fading in thie darkened
shadows.
all i can see is you walking
away.
my weeping is clouding up
the last time you looked at
me.

Morgan Evans

im returning the favor you did to me...

i was thier for you,
and all you did was...
push me away.
when i needed you...
you were not there.
now when you need me...
i want be thier.
because ill be to busy,
returning the favor.

Morgan Evans

In your arms, there was no tears but now....

Everything that i loved or liked,
is gone.
You broke the place,
that i went to.to get away from life.
The one place i could go is now gone.
you made it leave.
im stuck in this world,
were nothing could ever make the sorrow leave.
That one place, i could of staid and not shed
a single tear.
That one one speacial comforting place was were my heart could rest.
it was..in your arms.

Morgan Evans

is this just another memory? ...

as i see you,
in the distance.
i wounder are you realy there?
can i finaly be here, were nothing
can harm me?
in the one place, before my
dreams were broken?
in the place a tear could not be shed.
Are you truely thier.
in this place were love can
exist?
were for once we can be
together with out a single care?
or...
is this just a memory that shall soon fade?
like all of the other memories of you and i?

Morgan Evans

its fall...

fall..
as i see roses fall
in the distance,
i know its comming.
The green grass,
is turning colours.
leaves are turning
the colors of fall.
its time we can start
cuddling by the warm
crackling fire once more.
watching the leaves dance
off the trees,
captured by the chilling wind.
put your hand on the
glass window,
and your hand print will
stay.
wearing your favorite
jacket.
looking out at the early
sunset.
Fall can be a georgious
season to me!

Morgan Evans

Live for the moment

People live and die,
laugh and cry.
But the world never stops,
it keeps going no matter whats
in its path.No matter if it begins
to crumble.So live your life on
and on.Live the new day away.
Because you will never return to that day.
Stop if only for a moment,
and smell the flowers for once.
if you keep going and going,
you shall never gat a chance to live your
life in a happy way.If you stumble along the bumpy
road ahead,
get up and brush it off.
a new day shall wait
when the new morning comes.
relive the moment again.
remember, dont spend time
complaining about the little
things in life, for that shall not help.
You must live on.

Morgan Evans

love is a scar...

in this darkened
corner,
i sit alone.
no one notesses
me when im not.
so why not stay?
no one can tell
when im thier.
im so quiet
all you here
around me,
is the wind.
so this corner
im in is,
dark, ominus,
cold, lonely and
more importantly,
no one can enter.
this corner,
is my life.
the day i found
what love realy
is.
is the day i
was shoved here.
love is...
a feeling that
can make your world
special.
or it can scar you
for life.
like this corner.

Morgan Evans

Moonlight

When the birds fly in,
the warm air grows hotter, and
your cheeks begin to burn.You know the chilling night
is comming.You look up at the darkened heavens above,
and see thousands of glowing glissering eyes stair at you.
The cold night air breeze feels soothing,
against your summer turned skin.
The trees sway in the longing night air breeze,
searching for the last of the sunlight.
The last of light you see, is a streak of orange,
purple, pink, and even a light blue mixed together.
The soothing breeze howls like a lonely wolf in your ear.
The moon reflects off the lake,
its now the color of a silky ghostly white.
This place is so soothing to be, but you fall asleep
under the moon.
When you awaken all that is left is a lomesome star,
but it is fading away aswell.
fresh dew sits on the green grass.
the warmth of the day has now returned.
You can no longer see the soothing beauty of the night.

Morgan Evans

shall you pray for the lost souls?

im crying for all the lost souls.
im filled with thier sorrow.
they all wait,
for the one who made them fall.
no one never prays for the lost souls.
They sit there waiting,
singing in thier own sorrow.
looking far beyond the clouds of
heaven.
searching for the one who is willing
to guide them to the
right un-broken path.
that only person who can is the one
who made them a lost soul.
so shall you pray for one of the lost souls?
i can because one day ill probably
be one of them.
So when you feel one of the lost souls,
pray.in return you know you are one who helped
a lost soul find thier new un-broken path.

Morgan Evans

someone special is thier for you...

all of the people
in the world,
seems to have someone
special.
someone to hold in
thier heart.
that someone shall
wipe away thier tears,
inside of them and
the outside tears
they hold.
they can hold that someone
so they will never forget how
it feels,
to be embraced by the others love
for them.
someone,
is waiting in the
distance for you.
if they have not found
you thier just a little late
getting here, thats all.
just stay out of the shadows so they
will see.

Morgan Evans

sometimes the smallest things is the most important...

sometimes the smallest things in
life is the most important.
a single pencil can write over
one thousand words.
one person out of the entire world
can be the only one for you.
just three words can mean the most,
those words are i love you.
those three little words,
that single person and
that pencil are the most important
things in life for me.
they all come together for this,
a letter cotaining...
i love you
forever and always,
your that single person out
of the world for me...
  will you marry me? ..
that i think is the most important
things in life anyone shall go through.

Morgan Evans

tears thats all i see...

how long will it take?
untill these tears from my
heart stop pooring?
im a blur to the world now,
because thats all i see of it.
my crying, hurts more every time i see you.
because i know i cant be with thee.
you are the only thing i see.
these tears are my life aswell as you
it seems.
i see blurs of darkness,
broken dreams,
hope thats faded and you.
these tears will stop,
when you like me like i like you.

Morgan Evans

the broken red silk ribbon.

There is a ribbon,
that ribbon can represent my dreams.
that single silky red ribbon.
the ribbon you made for me,
is now shadered.
it lay in all the broken dreams you made.
no one is there to gather the peaces.
i cant make the ribbon strong again.
it lay there so gray.
as rain ripples down its broken
silk threads.
And no one is willing to put it back
together.
So as the ribbon dissapears into the gray,
i wounder were did all the happieness go?
That one ribbon why did it have to be
so weak?
No one shall never gather the broken silk
strings and place inside of this weakened heart.
Its gone for eternity.

Morgan Evans

the new day i dread and love...

im wishing tomorrow will come,
but i dread seeing tomorrows day light.
i dread knowing you shall not notice me,
once more.
im dreading seeing you,
and not seeing me.
knowing i cant tell what i need to say,
but i wishing tomorrow will come faster.
so i can see you.
so i can look in your eyes,
were no pain shall lurk.
were i can image you and i
together for the first
time.
im wishing tomorrow will come faster,
but i dread the new day.

Morgan Evans

the world i see when im with you...

my world,
is a place were
sorrow cant enter.
no pain is allowed.
were you are thier,
and im in your arms.
were the birds fly free.
the sun always shines.
rain cant enter.
and the sky never turns gray.
no one can harm thee.
grasses as green as freshly grown leaf.
sky bluer than a blue bird.
clouds fluffyer than cotton,
and whiter than snow.
this is the world i see when im with you!

Morgan Evans

when you are near me i feel...

when you sit thier, i dare not look in
your eyes because of the suspence mine hold
on you.
when i see you look at me, it takes my breath away.
because i dont want to look like a fool in front of you.
when you touch me, i can fly into my forgotten dreams once
more.because, my heart flutters.

when we meet eye to eye, im expresionless.you take my thoughts
when you do!

i hope soon you will want to be with me.
because i cant live without you in my heart.

Morgan Evans

you are the one...

your someone i love to spend time with,
you are the person that takes the pain away.
you are the person who protects me from the darkness.
you are the only one i say'i love you 'to.
you are the person
i want to be with the
rest of my life, because
you are the one i love
        forever and always.

Morgan Evans

you used to take the pain away but now...

im so lonely now,
you used to take the pain away.
to make no tears shed.
you used to,
wouldnt let the darkness,
and the cold bitterness of the
world mess with me,
but now you bring me all of this and more.
you make me feel like a white rose
thats lost its color.
i shed these lonesome tears,
that never used to be.
the blury darkness is all i see.
im cold in this place that never used
to be.
im alone with no one thier by myside.
you taught me a lesson love,
is most painful thing in life.
i shall never love again.for all eterninty.

Morgan Evans
