An Excruciating Experience!

I had an excruciating experience,
which gave me inconvenience.

I was told to sit beside a strident,
so that she would have conveyance!

She was a girl from near my residence,
who's father never paid maintenance.
I knew i needed resistance!

When the teacher started taking attendance,
she started talking about her accidents.

But i am proud of my perseverance,
as i did not get from her, any riddance!

Enjoy Your Life..! !

Always enjoy your life to the fullest,
Don't permit to enter your brain any stressful pest.

Always accept challenges and give your best,
Because you never know when god is taking your test!

Take your life as a big quest,
And try finding your hidden chest.

Live each day like its a fest
and forget about the rest!

So enjoy each day to the fullest,
who knows if it is your last zest?

To A Butterfly!

Oh! dear butterfly, where did you go?
I'm waiting for you near the bough.
I remember when you sat on my elbow,
as i had put a tattoo of flowers yellow!

Oh! dear butterfly, why did you go?
I'm waiting for you, i miss you so.
Come little butterfly, I feel so low,
Oh! dear butterfly, please don't go!
