shiny shine

love to read
love to write poems
on track team
like math class

Beach

As I walk along the deserted beach
I feel the damp sand surronding my feet
I feel the cool relaxing breeze creep up upon me with ease
As I look out at the restless waves my thoughts unwind like restless days
The beach is a very quiet and calmiing place

shiny shine

Beaches

splishing, splashing waves are crashing
Come near where you can hear the waves crashing against the long
since visited shore
waves so clear underneath here
come and tickle the hot sand here
come and feel the hot sun so near
stars and shells have long since fell
from the waves of a restless ocean
that is always in motion

Best Friends

We were considered by others Best Friends
“unbreakable” is what our friendship was said to be
I knew it was to good to be true
I expected it would last but not so abruptly

I trusted you with everything
We had our fun
We had our games
It was unbelievable
A dream come true

It all started last school year
But one of my friends let a secret slip
The Truth
I was not aware until you told me
When I found out I was sure it was over

We stuck together though
Still had our fun
Played our games
The future lay neatly
So clearly

Then this year came
I could tell it was going to be a bad year
As soon as we made eye contact
On that rememerable first week of school
Yet again we pulled through, became friends yet again

Then abruptly about two months ago
Something happened I will never forget
We stopped talking permanently
Why? I am unsure
Probably never will know

Every time you walk by
I wonder to myself “ why “
I had hoped our friendship would last
Now my hopes are black as glass
Worthless

I know we will never be the same
Every time I think of you and I
I want to cry
It was so enjoyable
Now it is doubtful

But one thing I know for sure is
 I will never forget the good old days
When it was peacefully you and me
I should have known it was to true to

Last forever but I had hope

When you walk by
I want to cry
But I know it will not bother you
Because of that one day and one secret
It makes me angry but even more disappointed

Dungeon

As I walk through the dark and eerie dungeon
I smell the musky air
The rotting corpse lays upon the warped wooden bench
As I open the creaking door the rusted hinge screaks
I see the well oiled chains laying so proudly upon the worn down dirt in the distance I hear echoing screams
I walk slowly over to examine the rotting corspe and discover a damaged necklace as I took it in the distance I hear a shooting
I suddenly hit the cold bricks, and scream in shook

shiny shine

Midnight Rider

As I wonder through the trees
I hear a softly calling breeze
Come to me, come to me, it pleas
Weakly wondering, with all my might
I stumble upon a most terrifying sight
Come to me, come to me, it pleas
Reaching out with its fingers of death
it beackons me and leaves out its breath
Trembling from head to toe suddenly I seem to know
The demand that stands before me in the snow
this creature that beckons and pleads with me so
staring into its blackened eyes I see through its well dressed disguse
for now i see with my own eyes my evil twin whom I despise
singing, tenderly, cime to me, come to me, it pleas

shiny shine

The Woods

As I walk through the damp welcoming woods
I let my thoughts reveal themselves
The moist chilly air creeps up upon me
This environment seems to be so undisturbed by mankind
