# Alexia The Break Up

today i broke  
a young womans heart  
today i stole  
her everlasting joy  
it was a beautiful murder  
a dagger to her heart  
so the white knight  
turned black  
i love her i do  
it is so true  
but i drew a sword to stop  
to stop the dagger  
but alas i was to slow  
and i broke her soul  
her foundation on me  
i ripped away  
for my mother was  
at deaths door  
and my heart  
at the gates  
of hell for it was  
blackened and if i stayed  
i would have hurt her  
by cheating  
telling lies  
and giving away  
my virginity  
and love  
to another  
who really wasn't  
there for me

# And It Turns Out (Like Or Love Continued)

FACE TO FACE.....

How did that happen  
you made me change  
i lived up to my word  
it stopped indeed  
we had this talk face to face  
but now it seems that  
you crushed me  
but no hard feelings  
i am in love with your  
so called sister  
i knew both of you forever  
i wanted you to be the one  
and you reverted back to scum  
but now i know you wont change for me  
so it showed the true one i want  
it turns out we wanted eachother  
but never imagined it to bloom  
we repressed our feelings  
and tried to make you happy  
then you destroyed my mountain  
and said it wasnt so  
but now i see it wasnt  
on purpose  
you're in love with him  
so thats your choice  
but we are in love with eachother  
me and her of course  
so now let it be that this love, we share,  
shall last through eternity.

For My Brother Brandon

# Ashley

ashley 17 yes you made my day  
around my age apart of staff  
beautiful smart and easy to talk to  
smile and body elegant  
just what i need to make my  
life just as innocent as a peach  
and bad as you wanna be so  
what can i say your 17 and  
your just what i need

for my man brandon

david bailey

# Attitude

look at yourself your great  
but why does no one like you  
attitude that is the key you  
fine you handsome your  
what every man goes for  
and what every girl wants  
but they get to you and then  
it shows your attitude is a  
disaster you weresexy until  
it showed its ugly head your  
dumb for being so visious  
no need be sweet be easy  
but dont let people  
walk all over you its not  
cool at all so find a better  
way to express your self  
instead of growing horns  
and turning into a bull like  
i said the diffrence  
is your attitude  
dedicated to Nick R.  
and Geralda M.

david bailey

# Big Kids

weather 5,15,25,45,85, or 105  
your as young as you wanna be  
weather you like to eat ice cream befor dinner  
or cereal for dinner you might run around with  
to much energy or like to cause mischief  
dont wanna do anything boring or wanna  
play all day your still you but the only thing  
different is that your a big kid right at heart

david bailey

# Dare To Dream

Dare To Dream of the Stars above  
Dare To Dream of Your own success  
Dare To Dream of what comes next  
Dare To Dream of all the love  
Dare To Dream of your own world  
Dare To Dream of Whatever YOU please  
but once you have taken that dare  
why not dare to make it a reality

david bailey

# Death

Death

Death is like the weather  
Unpredictable and swift  
Her body was hallow as a tree  
My dear heather why did you leave me

Corrupted like a priest with no morels  
My heart hard as a rock  
Corrupted by the site of your blood  
Tormented by the look on your face

Pale as the sun when I look up  
Blinded by the flash of the gun  
Deafened by the sound of the bang  
Pierced by the lost of you

Why do I think about you?  
Like I think about my girl  
You're not close to me as she  
So why does your death affect me

david bailey

# Experince

if someone told you to jump out the window you  
wouldnt do it not because you thought it was  
stupid but simply because you learn befor that  
if you do your gonna hurt yourself or die so all im saying is try new  
things because a little experince goes a long way

david bailey

# Explain

Explain to me why i have a crush on you.  
Explain to me why i never told you.  
Explain to me what should i do.  
Explain to me why all i think about is you.  
Explain to me why this is all true.  
Explain to me why i can talk to you and  
not be nervous even though, i like you.  
can you please tell me what do i do,  
when i really do like you but dont  
know how you will accept it.

david bailey

## For Who Ever Nedds A Smile 2

So Far So Good  
i made you smile  
it made me proud  
So Far So Good  
God Bless Your Heart  
As you read in part  
So Far So Good  
My soul on Display  
it made my day  
So Far So Good  
to see you smile  
and abandon that frown  
So Far So Good  
so i ask of one last favor  
Why not smile right now  
So far So Good  
thanks for the smile  
as you continued reading down  
So Far So Good  
This Page of Joy  
was made for your delightment  
So Far So Great  
Oh by the way  
here is a smile back :)  
Just because You brightend  
my day with the one smile of yours  
so delightful so contempt

david bailey

# For Whoever Needs A Smile

THIS is for YOU the one  
that needs to smile.  
Whether you're an  
outcast or most popular,  
sexy or not,  
happy or unhappy.  
THIS is all for YOU.  
The sun shines no matter  
what; you will shine  
brighter than the stars above.  
They are no match for your  
smile that radiates  
in the night time sky.  
You rule the world with your personality,  
that brings the best out of  
everyone.  
If you dont believe what  
i'm saying look inside  
yourself and find the truth.  
If i didnt make you feel  
loved then my friends tell  
me what to do.  
Because in the end  
this poem  
was really for YOU.

david bailey

# For You

This is for you im sure you would have known one way or another i heard one of your friends say i like you how true the words that she has spoken for i did not know at that moment but the more i see you the more it grows the desire to be with you just thought i would let you know dont worry about dont stress over it i just needed to get it off my chest and let you know im always thinking about you so please dont worry about it because this was just for you

after this you already know you need to sign off and fly a kite!!!!!!!!!!!!!!  
iight!!

david bailey

# From The Depths

i just experienced something so real  
From the DEPTHS of ones heart  
so pure so true the love from it  
how can it be that the uncorrupted words  
emotion put forth from mere words  
transformed by feelings and compassion put behind them  
what can be said besides amen amen wow wow  
preach my dear brother preach

david bailey

# Gabby

Gabby, Gabby, Gabby

What more can i say.  
Beautiful indeed

david bailey

# Heart

david bailey

# Jasmine

Beautiful you were  
Beautiful you are  
Beautiful you will remain  
Beauty on the outside  
Not as precious as  
Beauty on the inside  
You retain both in perfect  
Balance and abstain from  
The evils of attitude your  
Outer beauty is covering  
Your worries and fear  
To smile through tears  
Your inner beauty is  
Marred by this for  
You hold everything  
Within let go let love  
Let me let god I owe  
You happiness for  
You have gave me  
Plenty so I must  
Say jasmine please  
Let me in

david bailey

david bailey

# Lets Be Honest

i fell in love  
with someone sent  
form up above  
my heart was once bent  
and now i feel  
as if she was an eel

sent to electrify  
and reawaken  
as she purifies  
and never forsaken  
she guards my life  
eventhough it is quite the strife

i love her for her  
and she loves me for me  
as we embrace our future  
we will remain intertwined  
destined to be forever mine

Jessica baby girl i love you

david bailey

# Like Or Love

I LIKE YOU BUT  
DO I LOVE YOU?  
Crazy I'm not sure  
Could it be no yes?  
I don't know, how  
Could it be if I  
Like the one you  
Call Sister I never  
In wildest dreams  
Thought you  
Would fall  
For me, unthinkable  
Unbelievable  
Me flirtatious  
No Doubt  
But SHY  
OF COURSE  
DO I LIKE HER MORE?  
NO!!!!!!!!!!!!!!  
So what then lets me  
Keep her all over me  
Whatever it is it will  
STOP  
It will not go on  
This is true  
I am sure  
I like you  
A whole  
Lot more  
My promise is  
Face to Face.....

david bailey

# Listening

Your heart cries out, you're afraid to admit you love me.  
You doubt we will last, you smile through anything, but  
not through this. How can I show you im listening? I hear  
you with my heart, I feel how you feel, im one in the same,  
but yet you fail to realize there is a listening ear there all  
the time to comfort you. Your baby that is what is connected to that  
ear, but first I must be your friend. That I can live with but please  
don't fear that we wont last for if you do we will not, but if you  
embrace your true feelings and admit them you will have  
nothing to worry about because no matter what I will be  
there listening and waiting for you. Because I am the sprit  
of the ear that hears you and the one that helps fill that hole  
because the man that can I am apart of him so feel our presence  
As we show you love.  
My Man God And ME

david bailey

# Me

i am me the one you know  
as David you call me funny you  
call me genius you call me  
a gentlemen you call me names  
upon names and nick names  
but what does it all mean  
it means everything you have  
said to me everything you  
think of me what are you  
describing? ? ? ? ? ? ? ?  
is it my personality my looks  
my aura your opinions  
what you heard  
what you see or is it  
what you know.....  
none of those are what you are  
really describing because you  
are describing me my soul the very  
essence of who i am and  
that is all there is ME!!!!!!!!!!!!!!!!!!!!

david bailey

# Michelle

a most beautiful name  
as i recall my current bane  
because she is what  
i eat dream and sleep  
she is of a most beautiful being  
the reason why i actually breath  
as words are  
nothing but words  
in this poem i  
make them actions  
cuz everything  
i say is true  
and i like her  
as much as i dew the dew  
lol unesscary true  
but i do  
feel as though  
i could see me  
loving her

david bailey

# Millionaire

A man is worth but so much alone  
But find that one and he becomes so much more  
Sharay will eventually be my better half  
But right now she is my starlight  
That's dumb bright in the sky above  
I'm worth so much more than the world can see  
But with her I only look like a g  
she's worth so much  
millions couldn't change me  
Id give it to her cuz she got my back  
She just the type of woman  
It'd take lifetimes to thank  
Because she made u so much better  
Than you ever could think  
Any fool can see it but they just to dumb  
they had her and lost her and probably want her back  
but I'd be the head dummy if I let her go  
So millionaire I am and forever will be  
As long as she by my side wait hold on make sure u quote me  
' So millionaire I am and forever will be  
As long as she by my side '

david bailey

# Mirror

# On An Average Day

when i picked up this  
pen to write on this  
page i felt as though  
im losing my life  
i seemed to be signing  
away my soul as i gave  
you my love immortalized  
on this page i feel when  
i give this to you there is  
no turning back there  
is no recovery for the  
scars you left i owe  
you no more im  
stopping this struggle  
because for a man to  
break down and cry  
and not even on the  
inside is cause enough  
to know he is in pain  
i just don't know what to  
say so i hope you realized  
this is not ok simply because  
i still love you i just wanna know  
why didn't you tell me not to  
let you touch my heart  
once so whole now  
crumbled and absorbed  
into a black hole you  
destroyed me in one  
line to bad thats the truth  
because when i woke up  
that morning it was  
just an average day

david bailey

# One Of Us Had To Go

Or so it seemed  
my Mother or Me  
was suppose to leave  
either she gave birth  
and claimed her life  
or I would meet  
the after life  
but we are here today  
but one of us is  
so very sick  
it appears its time to let her go  
my dear mother God kept you  
here for one reason or another  
but as time goes on  
i grow strong while  
i see yor body's  
Decay and all the  
Inner pain  
I cant help but think if that ONE  
Should have been ME.....

david bailey

# Poem

what is a poem  
you tell me  
is it a set of lines  
that follow a pattenen  
is it ryhming words put together  
is it lines of nothing in mind  
no a poem isnt anything we can really define  
because a poem comes from the inside  
it is the way you feel  
about the things you write  
so if you  
had to give one  
that would be  
most accurte because that is what i do  
when i write what we call a poem

david bailey

# Rena

Rena straight like this poem  
plainer then it even  
you spoke to me in ways  
most will never  
if i could tell you in words  
what im feeling right now  
id go on and write you 831 books  
or at least one with the title 831  
cuz its only 8 letters in it  
its 3 words long  
and only got one meaning  
but the truth of this matter is  
i love u and i mean i love u  
like that friend you are  
that bestie ik you could be  
but i got a lil more love like that  
like that woman in my life id like  
to be around till death do us part  
cuz that woman in u  
the woman u are it just  
sets a blaze to my heart  
i aint gone lie  
i got someone whom i love  
but she def not like u  
and i can feel the attraction  
which is why im honest wit you  
i want us to be more but ik  
rl we cant but ik imvu  
i can do that right  
and the future isnt written in stone  
so i may be with u  
so u can say wit a big ass smile on ya face  
welcome home daddy  
i missed u  
and i can say  
baby daddy missed you 2  
and never forget  
831 cuz baby  
i love you

david bailey

# Should I

Should I walk outside without a coat?  
Should I walk outside with a polo,  
when the weather outside is cold and terrible  
Should I write you a poem, when im feeling down  
Should i smile when i really want to frown  
Should I is what I ask myself before I speak  
Should I is what I ask myself before I reach  
Before I reach into my heart  
to tell you the feelings I had from the start.  
So before you do something why not ask yourself  
Should I before you start.

david bailey

# Superstar

to my senses and that is what  
you are sweet

david bailey

# Tears Of A Teenage Mother

these tears that you see are those of mine why do i cry because i  
laid down with you not because you said you love me, because i  
knew that was a lie not because i wanted to but because you  
wanted to and and i loved you now i am pregnant and you  
gone with the wind my heart crushed and nowhere to go  
so listing to me crying see my destruction thanks a lot  
because what you see at night when you cant sleep are the very  
tears of a teenage mother

david bailey

## Tears Of A Teenage Mother 2

you listened to my tears and learned  
that i loved you and had sex yes i  
knew you didnt love me but still i  
laid down with you and now im  
pregnant and you are no where  
to be fond so what am i suppose  
to do abort the baby thats to much  
emotional pain to deal with so NO! ! ! ! ! ! ! ! ! ! ! !  
have the baby and put him up for  
adoption its doable but still NO! ! ! ! ! ! ! ! ! ! ! !  
make you pay child support and let him grow  
up without a father NO! ! ! ! ! ! ! ! ! ! ! !  
as you can see im angry now  
so what do you think i should do  
the answer nothing it is you  
that has to do something  
you have to step up and  
be a man come and take  
care of your child you took  
the chance and now its  
time to be the man cuz  
if you dont then your  
a punk and no girl would  
want you cuz the fool  
you are for leaving us  
is to great to comprehend  
but now there are no more tears  
choose your path my wrath or  
the love of a family

david bailey

# Tears Of A Teenage Mother 3

you choose your path  
you stupid man because  
you chose my wrath  
now you will pay  
child support and  
with your life  
ill make it hell  
into the flames you  
go because hell  
have no furry like  
a womens scorn  
so upon yourself  
you brought this  
wretched curse  
no more will i stand  
by your side ill  
turn on you and  
you shall have  
no other women  
in your life for you  
have heard and so  
will they my tears of a teenage  
mother for they will be  
imortalized in these poems

david bailey

# Tears Of A Teenage Mother(There's Hope For The Fellas)

NOW YOUR A MAN FOR ACCEPTING RESPONSIBILITY. SO ALL YOU BOYS OUT THERE THAT HAS A KID NEEDS TO STEP UP AND TAKE CARE OF IT AND BE THERE TO INFLUNCE THEIR LIVES.....  
THINK ABOUT IT!!  
!!

david bailey

# Thats All There Is

to the poem and there is no need to add  
more because all there is  
in this world is what you have and what  
you aqurie no need to get into something  
you cant handle and not be able to handle  
it so dont go changing yourself for  
someone eles be you cuz in the end thats all there is

david bailey

life is tough it is what makes us it cant really  
break us unless we let it control us  
so what your life was tough  
get over it and just be tough  
because complaining about it will  
get you absolutely no where

david bailey

# Train

as for the world on a train  
a train on a set path  
would it be wise  
to change tracks?  
if u were derailed  
yes of course,  
from the start.  
on the wrong track  
then why stay,  
if u realized from the start  
wouldn't it be smart.

david bailey

# Twisted

what do you do when you love someone  
and you break up with them and now  
you got someone else and your starting to  
love them but the one you loved befor wont  
let go they wont let go tell me what do you do

# Victoria

victoria beautiful yes sweet of course  
smart no doubt friend you bet  
like her you know it will i ever  
be hers dont think so is that  
a bad thing not at all  
why because she deserves  
the absolute best and me  
no where near it huggable  
loveable and fun right on  
got attitude who doesnt  
will she ever be ok or  
appear like it i dont know  
but when it all boils down  
who is victoria well thats  
something you have to ask  
her yourself but in my opinion  
she is cool nice to talk to  
but be easy what you say  
because you may never  
say another word it sounds  
brutal but she wouldnt do  
that unless it built up to that  
point but she is very  
sweet and that i can  
promise so like i said  
victoria your cool

david bailey

## Victoria 2

i just cant see it what makes you sad  
your beautiful and smart yet look so  
bad with a frown on your face and shutting out the  
world you make happy easily but  
whith you in a bad mode there is no way for me  
to even smile ive known you long enough for me  
to know when your down but you just  
wont open up its ok one day at some time  
you will show me whats wrong and we will  
make everything better together

david bailey

# Victoria Something New

she is absolutely positively beautiful  
a dancing lady  
singing baby  
in all aspects of respect  
she is the bomb  
the eyes of a goddess  
body of a model  
made to be on bottles  
covers, and calendars  
tap her way through the stars  
and of course be on top  
of the world smart  
and beautiful what  
more could you do  
what more could you say  
what more would you like  
so Victoria Victoria  
here is the crush I had on you  
written in this poem I made  
from my heart  
if it wasn't clear from the start  
ill make it obvious now  
you are the best

just to make you smile I could be serious or I might be joking but once you read  
it I'll let you know

david bailey

im yelling im screaming  
yet you ignor me! ! ! ! ! ! ! !

why do you run faster  
to the light! ! ! ! ! ! ! ! ! ! ! ! ! !

i see now reality is not  
where you wanna be

in heaven is the place to be  
so if it is your time then

from your boy  
david bailey

# Water Not A Real Poem Just A Project I Had To Do

Water better known as H<sub>2</sub>O  
or two hydrogen atoms combined  
with oxygen we also call it aqua or  
in spanish agua it has so much surface  
tension that it forms a sphere because  
it likes itself and wants nothing to do  
with anybody else and would you  
believe it likes to fight with air we call  
that vapor pressure like bloods and crabs  
i don't get they fight and never end the war  
one side wins and then the other wins  
that's how come we have water vapor  
and a boiling point talking about condensation  
and evaporation the water cycle is in your imagination  
solvation of NaCl happens when that oxygen gets close  
to that sodium and hydrogen makes out with Cl  
chlorine yes that's what it is i hope you enjoyed my project because  
that's how water gets down awwwwwwww yeah!!!!!!!!!!!!!!  
gotta love that rap it was really really phat remix y'all  
everybody clap your hands over some water watch it ripple  
if you create enough force it will begin to trickle down  
the side of a glass into a pot throw on some heat and  
watch it start to form some bubbles and in a short  
while it will have disappeared now that's magic made easy  
lol i mean learning made easy facts and fun mixed together  
that's the way we tell the weather the rain the snow the sleet the hail has more  
to do with freezing points and boiling points make no sense but still it does i  
confused myself lost in the water drowning somewhat from the knowledge trying  
to make a rap and see what's going on

david bailey

# Whats Going On David

yo son whats really good  
you nervous your stuck  
and your not in your hood  
whats your major beef  
you know you want to  
you know you need to  
but how can you when  
the only time you talk  
you seem lke a jerk  
whats really good  
my man you need  
to get up and do something  
instead of sitting down  
acting like you got nothing to  
say to someone so beautiful  
and smart controls your every thought  
even the ones coming from the heart  
so david whats up

david bailey

# Who Am I

As common as hello i was asked to many times before.  
with wich no answer to provide, for i did not know.

As years went on so did the unknown  
untill it was brought to my attention.

I am what one would call teddy bear  
loveable, sweet, caring, and kind.

Friend indeed as true as can be  
hugs and kisses given everyday.

To the end of time by your side  
always protecting from harmful things.

Yes i do all of these things to the extreme  
oh well its just who i am.

i dare ask this question to you so  
by all means who are you

david bailey

# Wish

what is your wish  
think about it and  
tell yourself  
it is not a wish  
it is something  
that requires  
more work than  
normal you will  
have to rise above  
your self and make  
it reality so it  
is not a wish like  
i said it requires  
a lot of work and  
some help so call  
on your friends and  
God and make that  
wish Absolute Reality

david bailey

# Without Me

Without me  
you are something  
without me you  
are complete  
without me  
you can go  
on but without  
me where would  
you be with another  
doing what who  
knows would you  
be doing the right  
or wrong thing  
lets face it  
without me  
you can be whatever you  
want but without  
me you wouldnt  
be happy or  
alive dedicated  
to my man GOD

david bailey

# Women And Food

Women the color of cinnamon  
Is the salts and stripes  
They are made to preserve life.  
Women the color of milk  
Is the sweetest type  
They are of the utmost strife.  
Women the color of chocolate  
Is made to devour  
It is the tastiest wine  
Women of any nature  
Posses these qualities  
Made from harmony  
Made to harmonize  
As one alone  
Are more beautiful  
Then the flour  
Used in a bakery  
Used to make  
The finest pastry  
The delicate art  
In of it self  
That is  
Women and foods

david bailey

# Women And Music

Music of the heart  
music from the soul  
as i play these beats  
and strum those notes.  
i see harmony in the crowd  
and the measure of girls.  
i love some of them,  
because they are soprano high  
But the best of them is alto low.  
i came across  
breathing techniques  
That blew my mind.  
never before has  
my tenors soul  
been blown away  
but in the end  
the ladies, were trapped  
in the bass of my voice  
never again did  
i have to work,  
to sin  
for it came to past  
that every song i played  
always had a happy ending

david bailey

# Worlds Greatest

said im that star up in the sky im that mountain peak up high  
and im that little bit of hope when my backs against the rope i can feel  
it hmmm mmmmmmmmmmmmm im the worlds greatest. im not the worlds greatest  
nor is anyone else in this world you may not agree but realize no matter how  
much you argue someone will always say someone else is the worlds greatest so  
what am i saying im saying the worlds  
greatest is GOD!!  
!!  
dont get any better than him no matter how much you love him or dont believe  
in him you cant deny him for he is the reason we live believe it

david bailey

# You Wanna Know

you wanna know how i feel  
i could just tell you in person  
but you want this note so im

im with you i love those a lot but i  
love the real you a lot more  
i got more love for you than  
the oceans and great lakes can hold  
i got so much love i can cover the  
world one million times and more  
i would make a ship from scratch  
and sail you to europe if you wanted  
to go id save your life even if you told  
me not to id give you everything even  
if you wanted nothng baby im absolutely  
crazy about you and now im gonna tell  
you what i need
