A girl's love

My heart beats faster when Im with you
My mind is always on you
You are the only thing i think about
Im always caught up with your smile then to listen to me
And im sorry for that!
I only want to spend time wth you
You are the one who comes in my dreams all the time i sleep
I dont know what happened to me?
What is this feeling?
Can it be?
Is this love?
Yes, this is love!
I love him!
But he doesnt love me
He loves someone else as I see!

Broken heart emo

Being a Kid

Being a kid was the best part
Childhood is the best part of a person's life
When it rained,
Just run outside and jump around everywhere,
playing in the mud...getting dirty
When your hungry,
Just scream...and mom is always there to give you,
What ever you want
Doing silly things all day long...
Without any worry
No responsibilities.....no nothing
Just you and all the fun in the world
Yeah, Being a kid rocks
Whenever these memories pass by me....
there is always a smile on my face
Everyone wishes to be a kid every once in a while
I even wish now that
I could be a kid again....

Broken heart emo

Bestfriend

A bestfriend is whom you can share all your secrets
And tell them all your regrets
A bestfriend is always there to give you a hand
And plant beautiful flowers in your land
A bestfriend is someone who mends your broken heart
As they are both beautiful and smart
A bestfriend is always beside you right or wrong,
You just name it all
They will always catch you when you fall
A bestfriend is like a diamond, very presious so keep them safe
Because a true friend is very hard to find
If you have one, never lose their trust
Because they are always willing to catch you! !

Broken heart emo

Betrayal

So this is it….
I finally found out the truth
Never expected it from you! ! !
I thought you were my friend….
But you weren't….
You were just using me just like you used all the other people…
For your own selfish reasons…
I always thought those people who left your friendship were wrong! !
But no, what I thought was wrong! !
I'm never gonna forgive you…
Nor will others! !
Because you are a person of betrayal…
No one can ever trust you…
You betrayed once… so you can betray again…
One day everyone will find the truth…
And you will be all alone…
Begging for forgiveness…
Then you will realize your behavior! !
N regret
All you have done…
And come apologizing back…
But I know you
You are as stubborn as ever…
And you will never do that…
Because there is one thing you are good at
And
That is
BETRAYAL

Broken heart emo

Break Up

We've tried so hard to understand, but we can't.
There is nothing else left in our hand!
We werent meant to be
I tried my hard to be together
But it looks like you dont have anymore feelings for me
I never wanted this to happen
But it looks like there is no other way! !
Our paths are different
And they can never meet again
One thing i would like to say
I loved u....
And can never love again
You meant everything to me..
But looks like you just played with my emotions
Looks like its time to say good bye
Take care my love..
Maybe its the last time we meet
But one thing is for sure
I will always remember you
Time will pass...
Just remembering the little moments we shared together...
And smiling on the funny little jokes we had...
Hoping one day you will realize how much i loved u
And wish u would come back to me! !
My heart will always beat for u
And you will be always and forever in my heart

Broken heart emo

Broken Heart

You were the best thing in my life!
I never thought i could be so lucky to have you
You were the first to make me smile
And laugh so hard....
And give me such a beautiful card
You were the only person i truely trusted
I gave you all my love
You were all that mattered to me...
I couldnt live without you for even one single moment
But as time changed...
We started to drift apart!
Our thoughts changed
Our hobbies changed...
There was nothing left common between us...
We started to meet less and less
You stopped taking my calls...
You started to ignore me more and more..
I didnt know what happened with u
Or was the problem wid me? ?
I started crying all alone in the dark..
I went to a walk in the park..
There...
What i say...
Shattered my heart in to pieces
Shredded me into tears....
I couldnt believe my eyes for a moment! !
I was wishing it was just a dream..
But it wasnt..
It was reality.....
What i saw was....
My love was out with another girl....
He cheated on me....
I couldnt believe it.....
I ran home crying...
Wishing this would of never happened...
Next day....
Next day....
He broke up with me....
Shattered again..
What could i do....
I knew why...
So i just kept queit...
He left...
The first person i loved left me...
The first person i trusted left me...
He left me....
Oh why did he leave me?
I will keep loving him...
Because i cant love anyone else! !

Broken heart emo

Emo Kid

I sit in the dark corner all day long
Just writing my life's song
Why am i always so confused?
Why does everything wrong happen to me?
My life is nothing put pain
I cant handle any more misery
People ask me why im always depressed
People think im messed
Some even say Im werid
But I dont care what people think
They dont know what Im going through
My life is nothing except difficult do you know?
I cut myself free the pain
And alittle happiness is what i gain
No one knows me
But i am an EMO! !

Broken heart emo

Fading away

i am fading in the dark
the darkness is evolving in my soul
The pain is rushing through ny veins
No one there to pick me up when i fall
I am just fading
Fading in the dark
This world is nothing but pain
And i have nothing to gain
No one to trust
No one the share my feelings with
I am just fading away
No reason for me to live
No reason for me to care
This world is a place very lonely and cold
Wish there was someone for me to hold
Wish there was someone i could trust
But i am just like the shadow in the dark
The more dark it becomes
The more i fade away
i am fading away
Just like my happiness....
Im just fading away
Into the darkness
Forever...
And no one can save me
Just fading away

Broken heart emo

Heartless

Why did you hurt so much?
Why did you hurt so much?

How could you be so heartless?
While she is always cleaning up your mess

She wasnt afraid of anything except from losing you
And all the pain you had put her through

Never the less, she kept loving you more and more
And her love was so pure

She was both beautiful and smart
But you left her with a broken heart

Broken heart emo

I love you soo....

I wait day and night
Trying to seek the light

Im sitting in the dark
Trying my hard to leave a mark

Maybe one day you will know
My heart is saying I Love you so.....

Broken heart emo

I Miss You

I wake up every morning
Wishing you were here with me
Trying to get through this life
Wanting to pick up a knife
Thinking of you by every passing moment
Trying to smile but its hard to do
Beause it cant be possible as you know
I Miss You

Broken heart emo

Inside Me

No one knows the true me
i have feelings too....
But everyone keeps playing with my emotions
And keep breaking my heart
Everyone just sees the simling face outside
But inside
Inside is the true me
If someone gazes into my eyes with some care
They will see what I really feel
And maybe, somehow I wish they can help me
Because i want to be happy
And not live thid life sad
I dont wanna stay mad
Inside me
Inside me is nothing but darkness
My heart is crying of blood tears
Someone save my from myself
And make me happy!

Broken heart emo

Love

Some say its heaven
Some say its hell

Some say its awesome
Some say its terrible

Some say its beautiful
Some say its horrible

So which is it?
What is love?
I want to know what love really is
I want to know what it feels like to be loved
To be cared for
I want to know what it feels like,
Giving everything to a person you care for.....
who can tell me what love really is
Maybe i know it myself
Its love
Love can be both
You just have to decide what you want it to be
Thats love
And thats life! !

Broken heart emo

My Love

Your ignorance is killing me inside
All my emotions that i cant hide

Your the only thing thats always on my mind
Why is your heart so blind?

Why cant your see my love for you?
And my pain just grew

When will you see my pain?
I stand all alone in the rain

I cry for you a blood tear
I think my end is near

I would like to say good-bye
Beause the day goes by

Broken heart emo

My star

the sun is decending in the west...
evening stars shine...
the birds are silent in their nest..
i must seek for mine! !

Broken heart emo

Silent tears

I sit in the corner crying all alone
Wishing you would come back soon
My life is nothing without you
I wanna tell you how much I love you
But i dont think you love me
Because you love someone else as i see
I wanna show you what you mean to me
Your ignorance is killing me inside
Your the only thing thats always on my mind
But one thing is for sure you are very kind
I cry for you all those tears
But now there's nothing but smears
And no matter what happens
I will allways remember you in my heart

Broken heart emo

What you left behind

what you left behind..
is nothing but sadness..
nothing but misery...
tears for u....
the darkness that surrounds me..
beacuse of u...
i can never be happy
what you left behind...
is the love for u....
you left behind pain for me...
a broken heart..
a broken girl...that will never love again..
that will never be happy again
you created a dead person within...
whoz life can only return wid u
thats what you left behind! !

Broken heart emo

Your love

Your love was nothing but a lie...
Your love was nothing but betaril....
But from you eyes its looked so pure...
that i was lost in it....
couldnt see the real you...
I loved you...
But deep down inside you hated me...
How would i know you were just playing with my emotions...
Just to take revenge of something...
I didnt doo...
Your love was just fake...
Like you...
To destroy me forvere
and ever...
But my love...
My love was true...
Even if you hate me...
i will still loving u..
Because..
this heart..
it belongs to u forever...
And can never be someone elses...
And i will wait for you till my time comes...
And im sure...
you will realize my love someday...
And come back to me...
that much i do know about you...
Your love has taken over me....
So i still have the courage to say...
I STILL LOVE YOU! !

Broken heart emo
