Aaeen-e-jafa unka samjhe the na ham pahle
Hota hai sitam peeche karte hain karam pahle
Kyon ser-e-gulistaan par hai chee bajabeen koi
Zindaan mein bhi rakkha tha main ne hi qadam pahle
Aabad rahein dono butkhana bhi kaaba bhi
Yeh baat na thi tumme ai Shaikh-e-Haram pahle
Haste hain gulistaan mein phir jaa ke kahin gunche
Karti hai dua shabnam badeeda-e-nam pahle
Hoti na agar kulfat kya lutf tha raahat mein
Rahti hai musarrat bhi mannat kashe gam pahle
Koshaan hain niklane ko yun jaan bhi tamanna bhi
Woh kahti hai hum pahle yeh kahti hai hum pahle
Hai noor-e-haqeeqat ka joya to magar zahid
Is raah mein milte hain anwaar-e-sanam pahle
Barham unhe karne ko mujrim meri aankhein hain
Kuch kah na saka unse yeh hogayin nam pahle
Bakhsha hai mohabbat ne kuch rang-e-asar shayed
Tha tumme kahan Akhtar yeh zor-e-qalam pahle

Azl se sar mashq jor paiham khadang aftab ka nishana
Main sar se paa tak hun naala-e-gam sunaun kya aish ka tarana
Suna to main ne bhi hai ki daam-e-qafas ko tute hua zamana
Tameez lekin na kar saka main ki yeh qafas hai ki aashyana
Ajeeb uljhan mein tu ne daala mujhe bhi ai gardishe zamana
Sukun milta nahin qafas mein na raas aata hai ashiana
Agar iraade mein pukhtagi hai to pher dunga rukhe zamana
Jahan pe yurish hai bijliyon ki wahin banaunga aashyana
Museebaton ke gile abas hain fuzul hai shikwa-e-zamana
Jo mujhse pucho to main kaunga ki hai yeh ibrat ka tazyana
Aseer zindaan the jaise pahle wahi hain haalat ab bhi lekin
Hai farq itna ki ham samajhne lage qafas hi ko aashyana
Na mujhko parwa khizaa ki hoti na khauf sayyad wo barq hota
Badal le ai kaash koi apne qafas se mera yeh aashyana
Wafa to meri sarisht mein hai wafa parasti shuaar mera
Jafayen tum apni pahle dekho wafayen meri phir azmaana
Hai mera zauq sujud ab be neyaz der-o-haram se Akhtar
Jabeen jahan kham karunga hoga wahin numudaar aastana

Ek hashr izteraab sa qalb-o-jigar mein hai
Kya jane kis bala ka asar is nazar mein hai
Is par bhi akhtiyar nahi waae bebas
Samjhe hue the ham ki dil apne asar mein hai
Jalwe tamam kaun-o-makān ke sama gaye
Wasat kahan ki mere dil-e-mukhtasar mein hai
Hai dekhna to deeda-e-beena se dekhiye
Jalwe hain kiske kaun yeh shams-o-qamar mein hai
Unki nigahen naaz se bhi beneyaz hai
Samjhe hue the hum ki dil unke asar mein hai
Phir araha hai koi tasawwur mein bar bar
Akhtar kuch aj aur hi alam nazar mein hai

Ai dost yeh baatein tum shayed samjho na mere samjhane se

Anjaam mohabbat ka kya hai pucho yeh kisi parwane se

Kambakht yeh dil uf kaam pada mujh ko bhi ajab deewane se

Samjhe na kabhi samjhane se bahle na kabhi bahlane se

Tanhai mein aksar dil se meri is tarah bhi batein hoti hain

Jis tarah kare baatein koi kisi deewane se

Be ishq tameez-e-husn nahi be husn wajood-e-ishq nahi

Paimaane ki izzat mai se hai aur raunaq-e-mai paimaane se

Barbadi mujhe apne dil ki be saakhta yaad aajati hai

Jab bhi kabhi Akhtar mera guzar hota hai kisi weerane se

Paida abhi mazaq gulistaa na kar sake
Tabdeel-e-zauq khugar-e-zindaa na kar sake
Kyon kar kahein bahaar hum aisi bahar ko
Sheeraza-e-khizaan jo pareshaan na kar sake
Mujh ko use bahar hi kahna mein uzr hai
Har nok-e-khar ko jo gulistaa na karsake
Kya baat ai bahar-e-chaman hai ki aaj tak
Ham mah-we-yaade-raahate zindaa na karsake
Hone ko jalwa rez hue laakh aaftab
Sham-e-khizan ko subh-e-baharan na karsake
Kya hosakega isse ilaaj-e-game jahaan
Jo aap apne dard ka darma na karsake

Takhleeq-e-do Alam Hai Bafaizaan-e- Mohammed
Duniya ki har ek Shai pe hai ehsaan-e-Mohammed
Yeh Rutba-e- Ali hai yeh hai Shaan-e-Mohammed
Khud Khalique-e-Alam hai Sana Khaan-e-Mohammed
Bakhsha hai Iaqab aapko Rahmat ka Khuda ne
Har ek ke liye aam hai Faizaan-e-Mohammed

Kya kam hai Zamane pe yeh Ehsaan-e-Mohammed
Pahchaan le Allah ko mumkin hi nahi hai
Haasil na hua ho jise Irfaan-e-Mohammed
Kyon larza bar andaam na ho satwate shaahi

Jabeen apni kahin kham ho na jaye

Mizaj-e-husn barham ho na jaye

Bhuja to di meri sham-e-tamanna

Chirag-e-zeest madham ho na jaye

Suna to du tumhe afsaana-e-gam

Tumhari aankh purnam ho na jaye

Na dekho yun mohabbat ki nazar se

Yeh amrit hi mujhe sam ho na jaye

Zamana ke talawwun ko to samjho

Musarrat hi kahin gam ho na jaye

Hai taamer-e-hayat Akhtar isi se

Yeh dard-e-dil kahin kam ho na jaye

Hayat ek tag-o-do ka naam hai shayed
Sukuwat kya hai fan aka payam hai shayed
Sukun raah-e-talab mein haram hai shayed
Ki ishq be khalish wa dard khaam hai shayed
Yeh woh kashish hai k khud kheench legi manzil ko
Abhi to zauq-e-talab na tamam hai shayed
Tujhe khabar bhi hai kya cheez beqarari hai
Yeh to zeest ki wajh-e-qyam hai shayed
Kare aseer koi kya majal hai Akhtar
Yeh admi to khud apna gulam hai shayed

Dil koi sahara ab lekar sharminda-e-ehsaa kya hogा

Ab dard hi darma hai apna ab dard ka darmaa kya hogा

Ho jati hai sham-e-gam roshan ab mere jigar ke dagon se

Ye anjume tabaan kya honge ye maah-e-darakhshaa kya hogा

Hota hai sitam jab mujh pe koi khud afu-e-sitam kar deta hun

Who apni jafa-e-nahaq par ta Hashr pasheemaa kya hogा

Ek baar to takrakar dekho kashti ko bhayanak maujon se

Yun raahat-e-sahi ke khugar andaaza-e-tufaa kya hogा

Masnum fizaa-e-gulshan hai phulon ka dareeda daman hai

Isse to qafas hi behtar hai yeh sehn-e-gulistaa kya hogा

Har shaakh-e-chaman hai afsurdah hai har phool ka chehra pazmarda

Aagaz hi jab aisa hai to phir anjaam-e-baharaa kya hogा

Ai ahl-e-tarab afsana-e-gam kahta hai gazal ke parde mein

Ek gam ka sarapa hai Akhtar bechara gazal khaa kya hogा

Saqi mere ek jam inayat ho idhar bhi

Uthna tha ki bas choor hua dil bhi jigar bhi

Kya cheez thi wallah woh makhmoor-e-naza bhi

Kya bat hai kyon mashk-e-tago do hai musalsal

Nakam hain kya meri tarah shams-o-qamar bhi

Mujh ko to nahi jurm-e-mohabbat se kuch inkar

Qeyamat hai bahaar ab ke baras apne gulistaan ki
Gulon mein kaifiyat paida hui khaar-e-bayabaan ki
Jo baham andaleeban-e-chaman dast-o-gareeban hain
To aisi kashmakash mein fikr hai kisko gulistaan ki
Raha ab aur kya baaqi zawaal-e-admiyyat mein
Ki teenat ho gayi hai maaele takhreebe insaan ki
Agar hai jazba-e-saadiq to kya dar mauj-e-tufaan se
Laga degi kinare khud hi kashti mauj-e-tufaan ki
Baharon mein kare koi hazar unki nigahbani
Kahan jaati hai deewanon se khu chaak-e-gareeban ki
Mujhe jab dard hi mein zindagi ka lutf milta hai
To phir ai charah gar mujh ko zarurat kya hai darmaan ki
Badi mushkil se uff km bakht dil k o chain aya tha
Maaz Allah phir yaad agayi kis fitna saama ki
Andheri raat mein hai jugnuon ki roshni kaafi
Gareebon ki lahed par kya zarurat hai chiragaan ki
Ise ahl-e-nazar kahte hain tahueen-e-junoo Akhtar
Kise shoreedgi mein fikr hoti hai gareebaan ki

Mauj-e-gam de rahi hai sahara mujhe
Leliya tund maujon ne aagosh mein
Dhudne ab chala hai kinara mujhe
Mere husn-e-tasawwur ne dhoka diya
Maine samjha ki tumne pukara mujhe
Ai gam-e-dost tu hai salamat agar
Phir to kaafi hai itna sahara mujhe
Jisme shamil na ho tere gam ki khalish
Wo musarrat nahi hai gawara mujhe

Nehan hai khoo-e-sayyadi hamare bagbanon mein

Anadil baag ke gaafil na baithein aashyanon mein

Bas ek ehsas-e-azadi se dil hai mutmain warna

Qafas ka rang paida hogaya hai aashyaon mein

Khabar kya thi baahar-e-gulsita yeh din bhi aaye ga

Satayegi qafas ki yaad humko aashyanon mein

Khuda ki shaan us par aaj hai ilzam-e-gaddari

Abhi tak jo tha rasm-e-wafa ke razdanon mein

Hamara naala-e-gam aaj unhi ko nagwara hai

Pada tha halqa-e-ta'at hamara jin ke kanon meing

Chaman mein unko wahshat hai hamari hum nasheeni se

Jinhe kal tak tha behad uns humse qaid khanon mein

Koi isko khizaan samjhe ki fasl-e-gul kahe Akhtar

Nawa sanjaan-e-gulshan noha gar hain gulsitanon mein

Kya bataein kitna lutfe zindagi pata hai dil
Jab nigahen naaz teri zad pe ajata hai dil
Kaun hai gamkhwar apna shaam-e-gam ai bekasi
Dil ko bahlata hun main ya mujh ko bahlata hai dil
Aake unki yaad kuch taskeen deti hai mujhe
Jab shabe furqat ki tanhai mein ghabrata hai dil
Haai woh manzar na pucho jab bahusne ittefaq
Milti hain nazron se nazrein dil se mil jata hai dil
Kyon na samjhun aapko main sau baharon ki bahar
Saamne jab aap aate hain to khil jata hai dil
Koi jadah hai, na manzil hai, na kuch qaide muqaam
Apni dhun mein ek taraf mujhko liye jata hai dil
Jaane kyon Akhtar meri aankon mein aajate hain ashk
Jab woh range daasta maazi ki duhrata hai dil

Kya kahun dil mera kis darja gani hai ai dost
Dault-e-dard use jab se mili hai ai dost
Mujh se qismat bhi meri rooth gayi hai ai dost
Yeh bhi andaaz tere seekh rahi hai ai dost
Mujh ko manzur nahi ishq ko ruswa karna
Hai jigar chaak magar lab pe hanshi hai ai dost
Dard-e-dil zakhm-e-jigar sooz-e-nehan ashk-e-rawan
Tu salamat hai to kis shai ki kami hai ai dost
Hai ab woh khalish dard kahan se laun
Zindagi phir wahi shai dhund rahi hai ai dost
Chashm-e-garyan bhi bahut josh mein ayi lekin
Aag is tarah kahin dil ki bujhi hai ai dost
Kaun se waq mein Akhtar ko sahara doge
Ab to ummid bhi dam tod rahi hai ai dost

Godmein iske palte hain ilm-o-hunar
Har taraf zufesha iske shams-o-qamar
Iski mitti se ugte hain laal-o-guhar
Iske zarre hain sadrashk durre adan
Yeh hamara chaman hai hamara chaman
Khidmate khalq hi iski taqdeer hai
Iske peshe nazar deen ki tatheer hai
Aur uloom-e-jadeeda ki tatheer hai
Iska maqsad hai tajdeed-e-ilm-o-kuhan
Yeh hamara chaman hai hamara chaman
Apne seenon mein rakhte hain ham walwale
Hum se seekhein chaln mashriqi manchale
Dars-e-tahzeeb lein magribi hausale
Har rawish iski gahwara-e-ilm-o-fan
Yeh hamara chaman hai hamara chaman
Zor-e-baatil se aankhein milate hue
Jaan dein haq pe hum muskurate hue
Kaanp uthe saamne kufr aate hue
Hum se larza bar andaam ho ahr-e-mann
Yeh hamara chaman hai hamara chaman
Yeh baharein hain taabeer khwabe Shafi
Chaar su zufegan maahtabe Shafi
Yun darakhshan hua aaftabe Shafi
Sharq se garb tak jiski pahili kiran
Yeh hamara chaman hai hamara chaman
Kaar farman yahan rooh-e-deen-e-mateen
Markaz-e-fikr iska kitab-e-mobeen
Iska dastur taqleed jamid nahin

Isme fikre Farahi ka har su chalan
Yeh hamara chaman hai hamara chaman
Goshe goshe mein ikhlaas Shibli nehan
Shame Iqbal jalwa figan hai yahan
Akhtar Ahsan ka isar har su ayan
Jis ne ispar fida kar diye jaan-o-tan
Yeh hamara chaman hai hamara chaman
Woh rasheed Farahi mataae giran
Jisse sarsabz-o-shadab hai gulsitan
Jis ke isaar se hain baharein jawan
Akhtar-e-Muslimi bhi hai nang-e-chaman
Yeh hamara chaman hai hamara chaman

Akhtar Muslimi
