My Love!

What is 'my LOVE? '

Where is 'my LOVE? '

When was 'my LOVE? '

Why are you 'my LOVE? '

How is 'my LOVE? '

But do you have 'my LOVE? '

Who is 'my LOVE? '

My Senses With You!

When I feel you near me,
My hands get nervous and sweats,
When I think of you,
I get headaches,
Because your beauty hurt.
When i dream of you,
I get night mares,
Because my world is dark,
When you don't smile.

When I See You!

Your soul is as pure and beautiful as a rose,
You have a beautiful smile that lightens my day,
When I'm having a bad day,
I think of you and you,
Lightens my day.

You!

When I think of You,
My Brain be useless.
When I touch You,
My hand be useless.
When I look at You,
My eyes be useless.
When I hear you,
My ear be useless.
When I LOVE You,
My heart be useless.
