Stand

I just wanna live a life together
I just wanna die in your hands,
I just wanna be with you forever
I just wanna STAND.

You To Me

Your anger is like a sunny day,
Your love is like a rainy day.
You are really a day of autumn,
Nothing spoiled from top to bottom.
You are like rain drops falling from high,
I wish i would not have to tell you a bye.
You are the princess of my dreams,
Walking by the heavenly streame.
You are a rose full of thorns of death,
To get you i will fight with my faith.
