Died

DIED.....

Why is it soo hard
to let go of all your
family, friends, love ones
your soul mate and
your life.....
sometimes you just want to let go
but you dont know how because of
everything you have or maybe don't have.....That
why you probably want to die and see who
cares for you and who dont

audrina lucero

First

Frist living

Frist word...

Frist teeth...

Frist walk...

Frist kiss...

Frist date...

Frist heart broken...

Frist soul mate....

Frist now it is my time....

to end my Frist.....so good bye

Free

*why am i scared
to let my love free?
*why am i scared
to be loved by him?
*why am i scared
to look in his beautiful eyes?
*why am i scared
to let my lips touch his?
*why am i scared
to give him my hugs?
*why am i scared
to think about him all
day and night?
'well i dont know, why,
can someone tell me
*why i am scared to let my heart be free'

audrina lucero

H! \$...

Roses are red,
violets are blue,
his kisses give me butterflies
And his hugs do too.

audrina lucero

Him

Angels as to Angels
As him to him
He went bye, bye for a lil
while.....
O how i miss him...

audrina lucero

How Can I? ? ?

How can i love you,
If someone esle has my love.
How can i give you my heart,
If he carrys it with him.
How can i be happy with you,
if he has tooke all my happiest.
How can i give you all i have,
if i dont have it with me...
cuz he has it all.
How can i cry for you,
if he has all my tears with him.
How can i do any of this,
If i dont have them.

audrina lucero

I Love Him!

There he is, The one I want,
The one for me, My other half,
Its been to long, Waiting for you,
I love you and you love me,
There I am in his arms,
I have him and he has me,
I have him! Oh yes!

If You Love Me..

If you love me then..

If you love me then..

If you love me then..

If you love me then..

If you love me then..

..... and i hold you close to mine

audrina lucero

Lonely....

Why do i fell lonely?
I dont like fellin lonely.....

That i am not here by myself.....

audrina lucero

Losted

I can't holded you,
I can't kiss you,
I can't see your beautiful eyes,
I can't see if you look like me or your daddy,
I can't touch your tiny toes or feet
Don't even your fingers,
I will never get to name you,
Or see if your a beautiful girl
Or a beautiful boy,
I will never hear your laugh,
But my lil precious baby....
There's one thing mama does know
I will never stop loving you.

audrina lucero

Lover

When I was with mine lover
I still liked of You!
When I was in mine lover's arm's
I still think of you!
When i have dream's about mine lover
It wasn't him... It was You!
When i kissed mine lover
I was really wishing it was You!
When i wake up
And the First person i thought of
wasnt him it was You
When I say i love You to mine lover
I am really saying i love You
Too You! *I LOVE YOU*

audrina lucero

My Love!

There I was,
With the one I love,
Sitting, cuddling....
Being in the warmth of his skin,
His arms while the water flows down my skin,
It feels like my love is....washing
All the pain, All the broken hearts
And replacing it with his Love
Pureing all he has into
"My Heart"

audrina lucero

Not 2

My heart is not
to be broken
not to be beaten
toss there to there
its to be love
its to be hold
its to be kiss
its to be love by someone
not you so i say bye, bye

audrina lucero

Relized

i hate when you love someone that person
doesnt realized how much you love them

the way they walk
the way they talk
the way they laugh
the way they smile
there personally
the way they so stuff
you just love about them
and they arent gona realized intell you
are gona that you love them and they love you

audrina lucero

So Hard.....

Why is it so hard
to just get a knife.....
and kill yourself so you dont
have to fell any more pain
PAIN people you love
put it on you.....they
say i love you..
when they are lieing....they
say you are the only one
for me.....when your not
because they have someone esle
they say that all they can say.....
so now it is your turn to say good bye

audrina lucero

The Love Of My Life! ! !

There I was, with the one I love. Sitting, cuddling. Being in the warmth of his skin.

His arms while the water flows down my skin.

It feels like my love is...washing all the bad memories away. All the hurt. All the pain and replacing it with his love. Pureing all he has into my heart.

audrina lucero

Time

Time is to hours.
AnyOne Has it!
Love is to minutes.
Everyone is glad to find it!
Heart broke's is to seconds
Anyone or Everyone is not Liking that!

audrina lucero

Why Does

why does god give you a heart?

.....

i wish he never gave you a heart
because all people do is break...
it.... specially people you love that
dont love you back! !

audrina lucero

Why?

why does it fell like this....
I fell like my heart got ripe out..
By the one i love
why? why? why?
can someone tell me
what this is all about.....

audrina lucero

Worst

HURTING you is the worst thing
i could do because
i love your touch...
i love your smile...
i love your eyes...
i love your lips...
i love your kiss...
the best thing
i can do is loving you
