Just Remember Me

Remember me wherever you are....
Don't forget me.
Tomorrow, You may at distance
And I would leave my country,
But, don't forget me,
I will touch your heart
And you must remember me
Because, I know you are mine flesh of the flesh
And I am your bone of the bone,
As the relationship of the earth to the sky.
You just remember me as the precious thing
Always, Everyday, Everynight, Every moment, Forever
Whether it is day or night,
Or whether it is cool or hot
You just remember me.

Bahadur Basumatary

Let Me Live Alone

Let me arise alone
Like the sun,
Let me grow alone
Like the tree,
Let me move alone
Like the air,
Let me do alone
What I wanna do.
Let me free alone
As a human being.
Liberalism is my body and mind,
Just don't bring on me obstacle,
Interference is my enemy.
Let me live alone.

Bahadur Basumatary

The Reason, Why I Can'T Forget You

There was a reason between You and Me,
Why I can't forget you.
You did for our nation,
Sacrificed your life as a hero
And Died in the war.
That was the reason,
Why I can't forget you
Because, You saved our nation,
And, I was your best friend,
That is why I have to follow your patriotism
To keep peace our nation.
