Autumn Life

Limb comes utterly dry
In thirsty water
Of Autumn life

Beating Heart

My heart ringing...
As earthquake shaking
And flood like tsunami
Ting... tong... tang...
Sring... srong... srang...
Beat like stone drum
When absence of her smile.

/

I cry... loudly!
Oh god...!
Why you think me
A bird of broken wings...

/

I trying to fly
Again and again
Without your smiling
But...
As your lovely core
I fly one day...
At blue sky of heart...

The War Of Letter

Lets come heartily
Unite with a pen...
We need powers of
A freedom pen...

Non violence speech
No war with arms
Movement with unity heart...

Our mother crying
For peace homeland
One unity will disperse
Heartbreaking tears of mother...

Come and let one's control
We will conquest one day
With the war of letter...
