# Full Of Lies

sometimes i wish i could tell her  
about whats killing me inside  
about my misery  
everything i hide  
about my pain  
my unwanted fake smiles  
that everything isn't the same  
suicide thoughts floating in my brain  
the voices  
the reasons for the scars on my wrists  
i'm drowning in a sea full of lies  
full of pain  
and scars i hide  
theres no more tears left to cry  
and about my scars  
i'll try to lie
