Life

Life may be a very awkward ride,
but remember to enjoy it.

You never know when there are turns,
and dead ends.

So live life like it should be,
don't complain about the bad things in life.

You WILL have bad days,
but remember what other people go through.

People go through worse things than losing jobs,
so don't complain about things so simple.

Life may be a wonderful ride,
so enjoy it all the way.

My Mom Is...

My mom is mean,
cause she grounded me.

My friends say she's nice,
but that's just her disguise.

My mom is okay,
cause I'm not grounded today.

My mom is GREAT,
and it's not up for debate!

My mom is fun,
I think she's number one.

But my mom has flaws,
just like everyone else.

They are not against the law,
and she has room to care about us and herself.

Not Just My Teacher

The day you left my heart was broken,
but today I realize what to say.

 You taught me what to do when I couldn't understand it,
if it weren't for that I would of got an F.

 Not just that I would get an F,
but that you gave the time to help.

 So I just want to say...

YOUR NOT JUST A TEACHER, BUT A BEST FRIEND.

 The day you left I felt so sad,
everyone crying, and so sad,
 then I just sat thinking of you.

 What it would be like if you were not there,
which would be out of place for all of us.

 Well, just wanted to say.....

YOUR NOT JUST A TEACHER, BUT A BEST FRIEND.
