Loveeeee

you give a little love and it's all come back to you I o v e that spell love
you suppose to love everyone, regardless who or what they are
black white gays with aids dogs cats rich and poor
even you should open the door for the homeless or more
so you should alway give a little love and it's all come back too you
2x give a little love and it will alway come back too you
love eeeeeeeeeeeeeeeee
grandparent parent aunt uncle too
sister brother friend that stay with you til the end.
loveeeeeeeee
