# Confusion

Yelling and screaming  
Pain and sadness  
all one emotion  
The last day  
The only time ever again  
Stress and nerves  
everything in one  
every time  
all the time  
The pain and guilt never ends  
All the ways you could have saved them  
all one big regret all one big wish  
The only thing I want is my life back  
Confusion  
to many thoughts  
all racing through my mind at once  
Deppresing thoughts  
Happy thoughts  
they make you want to snap  
Depressed all the time  
never being happy  
always waiting  
Depression makes you insane  
sadness crazy  
happiness never a thought in the mind  
always hiding  
alwasy beeing seen  
alwyas screaming  
never beeing heard  
always crying  
never help  
Drugs and highs  
never knowing  
always telling  
some how wrong  
some how right  
always knowing  
never telling  
Up's Down's

confusion  
always, always, always  
never, never, never  
HELP!

Dear Readers: Sorry about all the randomness. Hope you enjoyed it.

# How Can I Really Do This?

How am I supposed to be with him,  
when I am in love with some one else?  
How can I love him when he never shows emotion?  
How am I supposed to know what is right?  
Am i supposed to live with the fact  
that he is not the only one I love?  
What can I do to get over the fact that,  
I am the ONLY one he wants?  
What ever it is,  
I need guidance so help me if you can.

This may not be like the rest of my work but it comes from the heart. These are questions i constantly ask myself. But needing guidance I really do need it. I dont think I can figure all this out on my own.

# I Am

I am a million smiles, and a thousand tears  
I wonder how my life can go so quickly  
I hear screaming in my head and all around me  
I want to be as far away from reality as possible  
I am a million smiles, and a thousand tears

I pretend I can do no wrong  
I fell pain and happiness  
I touch people's hearts in many different ways  
I worry about people around me  
I cry when I have to think of bad times gone by  
I am a million smiles, and a thousand tears

I understand people can do no wrong  
I say no one understands me  
I dream of one thing in a million ways  
I try to be the best I can  
I hope i can be my own person  
I am a million smiles, and a thousand tears

# Silent, Loud, Eternal

Silent is the blood rushing  
through the veins in my body.  
The thoughts screaming in my head,  
That I wish other people could hear.  
The tears I wish I could cry.

Loud are the screams for the lonely.  
The voices rushing around me so fast  
I don't know where I am.  
The sound of girls talking about me  
in a way I don't want to hear.

Eternal are the cries for help,  
no one will ever hear.  
The pain held inside.  
The love I want and can never have.

Silent is my smile.  
Loud is the laughter in my heart.  
Eternal is all my wishes for the future.

# The Graceful Battle Field

Across the broken field,  
A defenseless prisoner was trying to save the:  
uncivilized soldier.

    The innocent sky begging,  
for a second chance.

    Wounded soldiers lying in the dirt.

    Blood spills on the ground,  
Because of the brutal murder all around everywhere.

    Angels who have lost their wings sacrificing themselves for others.

    The co-existing diversity,  
sets the boundaries between,  
life and death.

    The sacred dove flies gracefully over:  
the blood red sky.
