All I Want To Say Is 'I Love You'

when time change and will be apart,
i'll always remember you with all my heart.
nothing change to you my love,
just like white roses shine's above.

you're the only one i need,
a perfect girl i believe.
i'm so lucky that i know you,
and all i want to say is 'i love you'

(this poem is originally made by my classmate: chuck gamao)

'Remember'

remember the times
we laughed together
thinking our friendship
would last forever.

remember the times
we cried all day
thinking we all
had something to say

remember the times
we talked all night
and watched the sun
produce it's own light.

remember the times of our lives
all the memories we shared together
we will always remember as us
being...

BESTFRIENDS FOREVER!

Summer Of Tears

everytime when summer comes,
i always lock inside and cry.
nobody is there to make me smile,
tears just flow down from my eyes.

everyday emotions is kept inside,
and just pretendding that i'm alright.
'coz nobody is there to listen,
'coz they don't even care whats on my mind.

every summer i'm all alone,
just like being abandoned.
so nobody came near to see,
that i'm suffering in 'summer of tears'.
