# Dreaming A Nightmare

Started out as a dream,  
Just a simple dream.  
The thought of you and me,  
Sitting in the flower filled meadow.  
Seems like only yesterday,  
Just a simple dream.  
It vanished, shattered  
Everything went blurry.  
My heart stung, daggers trusted in,  
Every time I thought about you.  
My blood ran ice cold,  
Y heart stopped beating.  
That simple dream,  
Is now a unforgivable nightmare.

# Light Of Hope

I see the light  
the light of hope,  
I see it shimmer,  
I see it dance,  
I seen it fade,  
from time to time,  
I miss the light,  
the light of hope.  
One day soon,  
the light should return.  
Ill wait till that day!
