# I Wish U Were Here With Us

i wish that you were here with us  
with out you in our lives we don't know what we will do with out you  
i wish that you were here s that you could see  
what people are doint to your children  
i wish you were here so because with you in our lives the world would be a much  
much better world.

# When You Left

the day u left

the day u left my heart had broken apart

it had broken apart because no one was expecting you to leave

no one wanted u to go and every one wanted u to stay
