# Willing To Love

An english rose you are,  
that your smile makes  
me to forget all the  
bitternes.

The only angel that i  
have ever seen that i desire one day to  
have.

As jealousy as a  
spiniyard i am because  
you are the source of  
my happines, the only reason am still alive  
I can be Romeo, you can  
be Rosaline But still i  
bilieve one day you will be  
my Julliet.
