ive been in cps for about four or five years. i like to play football.

# Life

life is life,  
    life may go and come,  
        but my life cant last without you.

# Love

love is love,  
love is ture,  
all my love,  
belongs to you.

# Sarrow

sarrow is no good, but sarrow sould be happieness, but this sarrow is horrible, its like having my heat broken by a female, but sarrow is eating my insides, but nothing helps to let sarrow go, but sasarrow is so homble and i need some one to love and sharwe my heart and gratitude with, so have fun with your life.
