# My Own

My own, may 22,2013..

The One~

My Own.

Is He- Who,

Weighs boldness and pays in stone obedience;  
promise's rule. To gain it all  
and to never stoop, to fall..

'The Own, ' AM i to HIM. Starry, sky with stars that skim;  
Holy Spirit and GHOST by Son's Holy and whole HOST.. To HIM  
we boast! !

Through my own two WILL BE. For ALL People, who actually are still alive in  
mind; alone,

to SEE

Look into HIS Heart

and read-

Can you see it? Believe it! .

Possible for you, if, you-see-you having eyes on this and they shed their  
noticeable understanding off;

to and in, your Own,

mind. To Realize. You see it, You speak to read it, You hear it spoken by  
you and, your Own,

WORD. Written by two onto two STONES.. They etched, combined, ruled and  
hidden their simplest TRUTH for  
ETERNAL Living..

YOU ARE. MY OWN..! HOLY THRONE...

David Sullivan
