# Crush Love

You have a love to sort after  
That little crush love  
Be having those butterflies  
Swarming around in knots as they go  
Twisted  
Heart warming like a fuzz ball  
Head over heels you fall  
For that little crush  
Feeling that rush of love  
Fever in the air  
When two hearts become one  
Twisted as they dance  
Hand in hand  
Crush love  
Wanna hold you tight  
You, d make my heart just right  
Share the love  
Live in the circle  
Of love miracle  
Crush love  
So hot and steamy  
Scattered pink roses lay across the path  
You dance to the beat of the heart  
Desiring that crush love  
Moving in the rhythm of love  
Pulses ablaze  
Heart beats with excitement  
Of happiness  
Crush love  
Cherished to the pocket of your soul  
Feeling that beat of your heart racing  
Embracing the moment  
Celebrated honour  
Of a lust of lover  
Locked safe for  
Eternity  
Crush love  
Owes the key to your heart  
In a loving craze

In the beat of the heart  
Ongoing just to in find your  
True soul mate  
That makes your world shake  
And dance that beat  
Of a  
Crush love  
Forever as your hearts ablaze  
Just beating  
For a  
Crush love

# Free

love will set you free  
is where your heart beat  
treasures

free

to love like the cool breeze blowing it's wind  
dance in the beat of the pulse  
in the radiance of its shine

in your home of loving joy  
to be free in the treasures of love  
in aura of purity

free

aura so elegantly in its will  
of triumph  
to just be you  
in free happiness of love

pleasure of your heartened home  
where you might give a little love  
for free

free

to a soul that is worth a little loving  
in return  
that might steal your heart  
where you dance and smile for joy  
triumph  
to the fire that is embedded  
deep to the depths of a  
gracefully soul

free

to just be you in the love web

in its dance of life aura

# Holding Hands

take you in my breath  
as we dance the waltz of love  
just holding hands  
our bodies moving so freely

mesmerized by the sweet sounds of the  
classical music playing nightly in the air

dancing on that wharf  
in the moonlight  
holding hands  
binding by sweet love

grows stronger by hour of the night  
holding hands and dancing sweet song  
of loved waltz  
music draws us in close

so happy as i have that little cry of laughter  
slowing a tear drop falls down my cheek  
holding hands, holding hands,  
dance in the breath of treasured life

my love you are just so precious to me  
just wanting to stay holding your hands  
dancing that waltz forever

that night in the wharfs moonlight  
holding hands  
until i take my last breath of life  
my love and soul of heartened hope  
holding hands  
dancing our waltz of love  
holding hands  
in the nightly lovers wharf  
where our hearts do become one  
treasured to the depths of soul  
holding hands  
loving on the tender

i surrendered by soul  
we dance that waltz of love  
holding hands  
in every breath

# Kisses

in a love maze beach cave  
lips are so salty as the sea ocean breeze air  
tender we linger, tender we linger  
twisting tongues on bide of tide  
so sweet and tasty and lastly  
in paradise view of the ocean  
lovers enjoyment  
of lipped pleasure  
hands caresses so soft of touch  
of a cupped face of embrace  
lusting butterfly kisses  
so passionately  
in the love maze beach cave  
in full view of beautiful kisses  
adore to your heartened core  
tender we linger, tender we linger  
kisses in the morning sunrise  
as seagulls fly at half cast  
in gentle soft blue sky  
of pure bliss  
kisses feel amazing  
a little fire in the heart  
lights a smile to your face  
cupped so sweet soft on the touch  
of lovers enjoyment  
when your hearts beating desiring  
every little ache of hunger  
that i see in your eyes  
lusting in the kisses  
for sweet embracing  
in the salty ocean maze beach cave  
where kisses lingered for hours  
in the breeze of the air  
so soft sand between your toes  
kisses so desired  
its a beauty to your soul  
just lingered in a hunger  
the kisses of love  
sun rise to dusk

in the ocean maze beach cave  
adored by kisses of love  
cherished to your heart

# Lets Love

Let's love with  
A opened heart  
Full joy and hope  
Wishes eloped in the heart  
Of prosper wisdom

Let's create that love  
In expression of gesture  
From the soul openly touch  
With embodied power  
Imaginative thoughts

Let's dance together  
In this caresses of hearts  
Pulses on the rise  
Dancing twined in forged  
So closely elegantly

Let's live in this love  
Of ours soulful in pure  
Bliss in our heavenly  
Love cottage by the sea

Let's inhale the salty  
Air of sea so beauty  
Waters of waves so amazing  
Sand castles built so scattered along  
The seas beach  
Shells in clusters along the seas shoreline  
Inhale the love we share this  
Together

Let's pray together  
That this happy life will never end  
Gracefully in love in this salty  
Sea air, in the love cottage  
Where we live in embodied  
Bliss

Let's love as we dance that sea  
Shoreline closely desiring  
Embracing each others kiss  
In this loving morning shine  
In blue blazing skyline  
Full of love and hope  
Dancing together for  
Eternity  
Let's love

# Life Is Beautiful

Life is a beautiful dance  
Of hope and prays  
To feeling free  
Loving smile that's so contagious  
Be so strong and courageous  
In a life that's full of beauty  
Of natures wrath  
Beautiful, beautiful, dance  
Let those feet loose and have fun  
With willings of brave  
Certainly crave  
Happiness is in the eye of heart  
Depths to your soul  
To fill so much joy  
Life is a beautiful, beautiful, dance  
Cherished of hope  
Of true inner self peace  
A true vulture  
In this natures wrath  
a life's portrait  
A tale of love  
Survival of self legacy  
Life is a beautiful, beautiful, dance  
Filled with so much radiance  
With the pure sun that shines rays  
Over the blue amaze sky  
In this natures wrath of  
Treasured earth  
Life is a beautiful, beautiful, dance  
Full with lovely wishes  
Dreams of secrets kept to your soul  
In this beautiful life  
That love to dance

# Musical Charm

my lucky charm  
is the key note  
to my heart  
a little musical charm  
precious gem  
its beats the rhythm  
of fave song  
so magical  
silver in its grace  
precious gem  
a little musical charm  
is the beat of life  
to a story told  
through the keynote sound  
lyrics are embedded in its soul  
of magical perfection  
precious gem  
a little musical charm  
is the design of a tattoo  
placed upon your heart  
desired with all of love  
wear it treasured forever  
cause the musical charm  
beat never dies  
the rhythm just keeps  
beating to your heartened  
heart  
precious gem  
a little musical charm  
it awakes your soul  
in magical perfection  
its just that keynote to your heart  
the beater of sound  
a little musical charm  
chained to your arm  
magical in beauty  
treasured to your soul

# Ride

It's a beautiful ride  
In life a loving journey  
One peace of happiness  
Treasures of memories

On the motorcycle  
Cruising down the freeway  
country

With wind in your hair  
With the sun set on the horizon

Joy of love over body  
A rush of thrill excitement

It was beautiful amazing  
Feeling  
Just out in that opened  
Adventure of nature

It was a ride of life  
Deepened to your soul  
With that feeling of love in your heart

Journey ride of joy and love  
Peaceful to the earth you breathed

Bathed in it's full glory  
Sunset amber sky  
ride into  
Freeway  
Horizon  
With love of natures  
Wrath of  
Radiant breeze  
Of desiring love

In a loving journey  
Of beautiful memories

With motorcycle  
Of amazing ride

Breathed in the air of country  
Sunflowers riding into the sunset  
Horizon

Peaceful  
One love, one life  
In one journey of a ride  
So loved with the bless of hope

In this picture perfect ride

# Song

Sing a song for me  
of praise and hope  
my sweet love  
your beat is music to my ears  
i love it when you sing for me  
feeling of love in my heart  
your sweet serenade  
so beautiful

- - - - -

my heart grows by the hour for you  
melting me, melting me,  
making me happy and cherry  
warmth of your tone just so amazing  
just so graceful mesmerized  
just wanting to bathe in your voice forever

- - - - -

my heart grows on the hour for you  
your beat is pure perfect of perfection  
so so soulful, so so soulful  
with your sweet serenade  
strumming your guitar  
i look into your eyes  
there, s that glint of love  
you share with me through  
the music of your words  
that light my heart, melt my heart,  
by the hour of your love

- - - - -

when you sing so so sweetly to me  
its pure perfection  
of a love i honor  
deep to my heart  
your just my love  
that sang for me  
on the beating hour  
as love grew by that hour of wishful hope  
your my music song to my ears

while strumming your guitar  
by the sun set of the daily hour
