Baby I'm In Love

Baby I'm in love
I think I have found
My one and Only Love

The one to hold me
When I am scared
When I am alone

Baby I'm in love
In love with you
And only you

Baby please can
I be your one
And only to.

Love Is Like A Life Force

Love is like a life force
It can never disappear

Love is a lot like life
Life is about finding love
Doing what truly makes you happy

Love is like a life force
It can never disappear

A life without love
Is like having no life
Love is a force that keeps us going

Love is like a life force
It can never disappear

Picture

I have your picture on my wall
Even though you have been gone
Out of sight, But in my mind
I see your pictures hanging on the wall
Ones of me and you together
When I was little
You called me your little angel
I wish you would have never left me
All alone in this dark, dark world
You are my grandfather
I miss you more than you know
You were always there to tell me
It would be okay, when I was not so sure
Why did you have to go
I miss you so much
But I will see you on the other side
When I get there
I love you grandfather
I miss you so much
