Forever

Forever my heart will belong to you
No matter what you say or do
Because I will always love you true
I'll love you forever

Forever you will be mine
In my heart and in my mind
My love will stand the test of time
I'll love you forever

Lover you will never know,
How I do, love you so
And I'll never let you go
I'll love you forever

Because you will always be
The best thing in the world to me
To my heart you hold the key
I'll love you forever

Even if you are not near
My darling don't you ever fear
Thoughts of you are always clear
I'll love you forever

Forever Yours

Every thought of you brings a smile to my lips,
a warmth to my heart, a feeling of passion.
When I'm with you my dreams become reality,
my sadness turns to happiness, my misery is over come.
This is because you are my love...you are my heart,
my soul, my destiny.
You are everything I ever needed, everything I ever wanted,
you are my breath, my strength, my life
You are my love and I am forever yours...
