# Mom

Give me a chance mom  
to show my pure love

Your smiles make me  
an angel  
Your kind create me  
a helping girl  
Your care shows me  
as a child  
Your anger made me  
a good girl  
Your love tells me  
You're my ever goddess

you're the mother  
you gave me such a created life  
You're the one  
Any one can't be a good mom like you

Mom,  
I fallen in love with your CARE  
GUIDE  
WARM  
PROTECTION  
LOVE...

Mom, i love you lot.

# Pure Love

We can breath the air  
but we cant show it out  
The same way  
We can give the LOVE  
but we cant show it out, How is worth.

# Songs

When i feel something bad  
I need you

You make me.  
sorrow, sad tears, happy, surprise, calm, joyous,  
, fear, weepy, fury, pissed, broken, confuse, sleepy, anxio, dance

You relaxed me  
you bright me  
You make me feel many ways  
You tell me something.  
Your my companion too  
Any one cant make me feelings like you

When i hear you  
You make me forgive everything  
You make me free bird

I need you at all  
Really i need you for my whole feeling.
