Dynisha Wilder

Tears.

Tears from my eyes like bleeding rain.
Hate in my heart surpress the pain.
Tell me that you love me, but push me away.
Tears from the sky, red mixed with gray.

Im holding my breath, hoping you call.
Blood rushing to my mind, catch me if I fall.
My mind finally opened. You were not waiting for me.
Tears in my mind, drinking hate with a blink.

Day comes to save.
Night withers away.
You see my sunshine, you shead away.
Tears from my eyes, not full of pain.
