Inside The Red Clothe

Close your eyes as you look into mine!
Breath no more before me!
Relax gently in the cold dark sky!
Make ears attentive as the wind! blows softly away!
Tell me what the cold wind left in your thoughts!
O! Its a surprise to be told in the.... Red clothe!

Unknown Love

I can feel the the uncotrollable feelings running inside my heart.
Who is speaking softly to my disturbed heart?
Throwing words to melt my heart unconcern.
Leaving sweet massages through the night breeze, I can't just imagine.
Who are you? What do you want? And why?
Am Love, Looking for Love and just for Love. MwaaH! !

Where Are You?

It is so cold in the moonlight, and I can't withstand the cold breeze alone!
Reaching to my ears the melodious songs of the night dove.
Also leaving lot of questions to increase the pain I can't control.
Why have you seperated the everlasting bound hearts, I never thought of....
Here is my recall, leaving to the dove to bring an end to my bleeding heart.
Which is yet calling me so early to my grave. Where are you my angel?
