Abuse

abuse is when some one beats you
untill you bleed 2 death
abuse is when your parents starve you to death
abuse is when some one done something
wrong & you get blaimed for it and slaped around
abuse is what people do every day and they
don't care
abuse is like a drug addiction just to make them feel better
i don't beleave in abuse from compaired to what my
mother done to me got
abuse what a shame

Sister's

we may fight
we may argue i say i hate u
but deep down i love you
i said things i did not mean
but that is what sisters do
you say things to hurt my feelings
but yet i still love you beacuse
we are sisters
to be honest i put you first in my life
and no one can come between us because
we are sisters
stay strong stay happy and never let
people put u down or hurt your feelings
i am telling you this because we are sisters
and i love you because we are sisters
