# Depression

The darkness surrounds me  
Enveloping me in a cold, heavy shroud  
Lost and alone I wander searching for a light  
A glimpse to warm me, to guide me  
I stand alone  
I feel fear  
I feel nothing  
Empty inside  
Reaching out into the blackness  
No-one is there  
Nothing is there  
Screaming out into the blackness  
No-one hears my cries  
Kneeling down  
Pleading to the blackness to set me free  
Let me feel the light again  
The warm glow on my face  
In my heart and soul  
Let me smile again
