My lost love-Poetry.

.my Angel...My Life! ! ♥

Little did i know..
tht one day..
an angel will come
showing me the way
the way to find my life! ! !

the angel kept coming everyday...
i dunno how to say....but i fell in love right away! ! ! :)

then i realised..
That my life was tht angel...
who made me laugh nd smile! ! !
the thing..i was searching for
was already by my side! ! !

I t was hard to tell the angel
but once he got to know
i had never seen anyone
sooo.. Happy! ! before! ! !

HE sang nd danced....
and took me along! ! !
made some future plans...
thinking of sitting...hands in hands...
gazing...at the sky.....by the sea! ! !

My Angel, My life....My soul...
he was all i had in the world....
i was his princess and queen of heart
nd we swore we'll never be apart

I HAD FOUND MY SELF! !
I HAD MY GUY
but then i just felt like crying! ! !
tears rolled down my cheeks...
ND i guess..ihad never felt this weak! ! ! !

its hard to believe...
i cried for the happiness...
i got.....for wat i have stived! ! ! !

MY angel sat next to me
kissed me...nd sang! ! !
and soon enough i fell asleep...in his arms! ! !

and the next morning i woke
up wid a shock! ! !
...thinking it was a DREAM! ! ...nd now its gone.....

i cried nd cried...
till my eyes...went red! ! !
I WISH I CUD CHOKE MY SELF...TO DEATH! ! !

I prayed to god! ! all day! !
asking him to send my angel....
back as this was sooo unfair! ! !

But alas! ! ...no hope left! !
i went to the window...
nd started singin to my self

then it started raining.....
nd i felt a little fresh..

I went out to take a walk, , , but i cudnt forget him at all! ! ! !

just a few steps outside my door
there laid a bouquet....
which bore a note.....saying..dont cry anymore! ! !

I Walked again....
my heart in pain., ...thinkin abt him.....
his loss.....made me cry again nd again., , ..

i sat on the bench...
already drenched...
the tears cudnt dry...
mixed up in the rain....

after sometime....i heard a song...
the one.....which....i was dying...to hear all tht...long! ! !

the voice....for which...i was searching.....
hoping to find something.....

then.....

SOMEONE...JUS CLOSED....MY EYES.....

OH GOOD LORD! ! ! THT WAS MY ANGEL MY LIFE.....

he took a ring....nd as usual we started singing.....

we sang nd dance.....we laughed we smiled., ...

&

ND I TOLD...HIM.....NOT TO KILL ME LIKE THIS.....NEXT TIME! ! ! ! ! ! ! ! !

I Wanna Say

there's so much left 2 say
wish dere was sumway
to tell u how gud u were
wishin u were my friend for ever...

I WANNA WRITE
WAT MY HEART WANTS TO SHOUT
I WANNA SPEAK
WAT MY MIND SCARES TO WHISPER

its so wierd, i can't describe
u changed me , u have changed my life

Love is nice i was made to believe
u made me realise , its nthin but a disease

its so addictive wish i never fell
for sumthin tht made u feel...ill and unwell

we can't talk...let alone meet
ur face....i cant even dare to see

its ohkay...fr u to hate! ! !
WELL... dis is suppose....to be my fate! !

nd i end this poem.....
hopin tht my eye...
cud get just one glance of u! !
Before....i DIE! ! ! : (

I Wish! ! ! !

I WISH

I wish I was a bird
flying so high
with all the freedom from the world
aiming to touch the sky!

I wish I was the star
during the night with my light
I would twinkle and shine
to catch everybody's sight

I wish I was a sea
being as huge as I could be
With the fishes and animals, I play
and refreshing travellers all way

I am a dreamer!
 thats all I can be
No bird, no star, no sea
 FOR ME!

Life And Maths

Life and Maths

Life is a maths book

full of problems at all levels

some are easy

and can be solve quickly

For some you may

have to rack your brains till

you wish to stay

And after solving your heart will say

that was good enough for today

Then at night you might

have a dream

That you still need to complete your exercise of geometry

With all those twists and turns in your life

this chapter seems very much like a straight line

Then sleepy and tired you woke up next day

to find the maths teacher absent for three days

Your spirits are low

but you still don't want to slow

You go out for a walk

wanting nothing but just a refreshing talk

Then you go back to your house

and study like mouse

At the end of the lesson

you got what its all about

Now you realise where you have been

In this chapter in which you seem so keen

Life is full of problems

we got to solve them

and be happy

just like we solve our maths sum

and beam when the teacher says

'Well Done'
