## **A Home**

A home is a house of faith  
lifted by the hands of trust  
packaged with the work of love  
living by the trust of the future

Abisoye Sejoro

## **Africa**

Africa my Africa  
Africa my mother land  
land of milk and honey  
land of natural beauty  
Africa land where i live

Africa my Africa  
A land of great rulers  
Africa my Africa  
land of nature  
A land were nature lives

Africa my Africa  
A land blessed by God himself  
On the day of creation  
God threw diamond like stone  
gold like rain  
He dropped crude oil like rain

Africa my Africa  
land of milk and honey

## **Breath**

Standing above all earth  
means ruling over all breath,  
many breath rule over all breath  
through their sweat  
they rule all earth

There are so many breath  
ruling over many breath  
They tend to make their breath  
useless, when they don't  
provide what will make their breath  
useful to all earth

many times in my life i tend  
to take a deep breath  
when i realize that so many breath  
are made useless because of the breath  
of heartless breath.

## Choice

The choices we make on earth  
determines the way of our life  
    choices are made  
    and they are also taken  
    but is only the wise one that  
    makes the wise choices

some make choices  
that turn their life around  
and some make choices that makes their life miserable

The choice we make determines  
    who we are  
    what we want to be  
And who we are going to be  
The choices we make  
makes our life sharp or blunt

choice to live  
choice to die  
    choice to be determined  
choice to of waste  
choice to be useful  
choice to be useless  
choice to be great  
choice to be nothing  
our life depend on the choices we make  
    make the right choice today! !

## Choice 2

The beginning and end is choice  
Choice is the power of decision,  
Brother to destiny, sister to success  
Brother to mediocrities, father of failure  
Wrapper of success and failure

Upon every parcel it's written-'choose me'

Success or failure, Kindness or bitterness  
Love or hate, heaven or hell  
Recommendation or condemnation  
A glare or stare, pearl or pierce  
A crown or a cry  
THE CHOICE IS YOURS.

## **Courage**

Have courage  
'cos one need courage  
to face all courageous  
things of courage  
    be courageous,  
'cos one need to face life  
'cos life has courage  
And if you don't have courage  
life will have courage  
to face your wick courage  
    Being courageous means having strength  
    over all odds of life  
    so have courage to face all odds of life  
'cos earth have courage to face all.

## **Death**

When a death  
can serve the common cause,  
then it is that  
To die is to live and  
To live is to die

Abisoye Sejoro

## **Failure**

I'm not a failure  
Though I might have failed  
I refuse to bear the name  
Even when I falter  
I will not faint  
One thing I know  
That I'm sure of  
I can make history  
When I build my edifice  
And create a land mark  
On that spot

## **Future**

The future of the present future  
is determined by the present of the past  
The past have really worked to make the past present  
But the present are determine the present  
of the future

The young ones so the future are called  
the fragile hearted  
This fragile hearted are the great future  
the youthful future

Everyones future is built on the rock  
of the present  
And the present of the past is built on the rock of the past present

Every future built on a rock must be strong  
because of the wind of mistake of the present past  
will blow and can wipe away any foundation of the present future

The present was determined by the present past so will  
the present future determine the future to come.

## Heart Pound

Her love is heart pounding  
My heart pounded when I first saw her  
My heart pounded when we first met  
My heart pounded when I fell in love with her  
My heart pounded when I asked her out for a date  
My heart pounded when I saw I love her  
My heart pounded when she said she love me  
My heart pounded when we kissed  
My heart pounded when she said she love me no more  
And now I know that both love and heartbreak feel the same  
That pain in the heart!  
My heart pounded and still keeps pounding  
But I know that I will love again, but she will still be in my heart.

## **I CAN**

Stand out; you can rule your world  
Shoot out; you have no limitation  
Sprout out; you've got the clairvoyance  
Sit up; you're made for the throne  
You can; I say YOU CAN

You can be the one you desire  
You can build the mansion you dream of  
You can broaden your view without limit  
You can stand at the apex of the highest mountain  
Believe me YOU CAN

There's none greater than you  
No success to compare  
No achievement to equate  
No talent to challenge  
No future as bright and blossom  
None but you can succeed.

You can conquer that difficulty  
You can cross that ocean  
You can move over to the other side  
You can clinch to the apex  
You can climb to the summit  
Only Believe and say it  
'Cos you can!

## **LAGOS**

Lagos; a lovely city  
    city of warmth  
        city of Joy  
    city of strong expression  
    city full of free minds  
city of people that are ready to improvise

Lagos; the heart beat of it's nation: Nigeria  
    The center of excellence  
    the state of commerce.  
    A state strong like its nation  
Great like it's continent: Africa  
    A state occupied by people  
        full of love  
    kindness and strength

People of great smiles  
    and great heart  
    Great Lagos  
    Great Nigeria  
    Great Africa

## Life

The journey of this life is not a day  
it takes seconds, minutes, hours, days and years for the journey  
so i will say that the fire wood of this earth  
is for only those who can take heart that is why not all  
can gather it'

I will say to any that is reading  
it takes so many combination to keep  
a fire burning  
it takes many sticks to make a broom

This life is a great place to live in  
to any that is reading, this life require  
every thing in you to succeed in it

Its God that helps,  
seek him and you will find him  
his power is beyond every imagination  
keeping the earth in space without falling  
making the sun to hide its self when it is time  
he is a great one

so if you are not informed  
you will be deformed  
so, get ready 'cos success  
is for everyone.

## **Love**

When love does not serve  
it's common cause,  
then it is that  
it cast a deep shadow\in our heart  
A shadow that brings sadness  
A sadness that bring tears

May be its a light that can cast  
out the shadow in our heart  
May be when that light comes  
it will wipe away that darkness

And the presence of this light  
will bring happiness  
and will wipe away all sadness

Abisoye Sejoro

## My love

I woke up one morning

realizing the shadow  
in my heart.  
Feeling the pain of loneliness  
and the impact your absence  
in my life

Every time, there is always  
a fest of fear in my heart  
all I have always dreamt of,  
is a love fest  
where happiness will be of my heart

Your love has turned its back on me  
and it has cast a thick,  
deep and dark shadow within

When you came into my life  
you came like a light  
and took the darkness within me away  
I bought you in my heart like a god  
'cos you were like an Idol in my heart

You gave my nose, the reason to breathe,  
my eye, the reason to see  
my heart, the reason to love  
my lips the reason to speak my heart  
and to feel you  
Your touch so deep, tender and clear

Now all I see is this dark old heart  
your absence gave darkness and loneliness  
Ho! I miss you so much  
my queen my joy  
it's so hard to bring back the  
old memories of our love  
each day I feel your absence.

You denied me your love  
and threw my heart on the dust  
Now I know how far than near you are to me  
it hurts so much  
You now give me reason to say:  
love exists nowhere.

## **violence**

Violence is the plough  
reason is the planter;  
violence clears the ground  
reason cultivates.
