## **Angel Of Music**

I go to bed and close my eyes, i can hear an angel of music singing songs in my head.

the angel of music keeps me going, i've hurt a friends feelings now i'm trying to apologize to her. life is a challenge alright i'll confess that what i did was wrong and i'm trying to make things right as rain again. I hope my high school social worker can forgive me for what i've done.
