### **ASHIK RAJAK (15/8/1993)**

I Ashik Rajak, was born in the country of green hills and White Mountains, the country which has been consecrated by God and where Nature still dwells peacefully, Nepal on the 15th of August 1993. From my childhood, I have been very sanguine of writing. I started writing from the age of 11 but due to the lack of support I didn't manage to show all that I had within me at that time. As a child, I have wanted to make some beneficence in the field of English Literature as well as express my feelings in the form of poems. And it's been a few years since I started publishing my writings on the Internet. The inspiration that I got from some of my friends, in the course of time changed me from what I was to a completely new Me and it was then when I took more interest in poetry and writing.

Nepal, a country which has been gifted by Nature also has a wide diversity within itself. Here, people with different culture, religion, caste, customs, languages, festivals and way of living live together and have love and respect for each other. The beauty of nature and the sufferings of people that can be seen here in Nepal is very dolorous and heart touching and these are some of the things that made me write and express those too in the form of poems. I've always loved reading and writing poems and I will continue to write throughout my entire life.

I expect to get feedbacks from all the writers and the readers around the world and expect to get the opportunity, the help to write better and hope my work is fastidious and propitious. I'd be glad to receive comments or remarks and they are most welcome. I'd like to request all the viewers to keep reading and do check for updates.

## **A Day Never Expected**

After all those long years I'd been with you,  
And all those moments of happiness and sorrows that we've been through,  
Together.

One morning led me to,  
Something I never felt and thought I would have to,  
Pass through.

Who could have guessed that one day would come,  
When you'd say I was no one of yours,  
And who knows how I felt,  
To hear those words from someone I trusted and loved, so much.

This caused me and my world to drown,  
Into an ocean which could not be found.  
And it hurt me more than I thought it would,  
Broke my heart into pieces that could,  
Never be put back again.

My mind has become useless,  
My body's been paralyzed,  
And now, here I lie, on my bed  
Numb, dumb and dead.

## **A Touch Of Happiness**

Now, after lot's of struggle  
I've finally got to you  
Wasn't easy to talk to you  
After all those sweet dreams I saw  
Can't still believe that a dream came true  
I'm feeling like I'm still dreaming  
But whatever it may be  
I hope it's true...

ASHIK RAJAK

## **A True Friend**

One who we should never seek,  
The one who we can at all times trust,  
The one who is always behind us through thick and thin,  
The one who is always ready to correct and help us,  
The one who we can never forget,  
And he who will always also remember and require us  
Is a superior and a true friend indeed.

ASHIK RAJAK

## **An Unexpected Day**

I'd just seen her in my dream that night,  
And thought that she had already gone far away.  
I lied down, thinking where she could be,  
Losing faith that she would come again,  
To lend a hand and guide me to regain,  
Everything, I lost one day.

But providentially a dream came true,  
And I saw her standing in front of me,  
The very next day.

## **Begin All Again**

Today, I covet to initiate my days afresh,  
And with a newfangled notion  
I deem I have been very impish  
And I've done deeds, I never should have done.  
So, I just want to outset my life  
And begin it again  
And also not reminisce the quondam  
Through which I have been  
With tears in my eyes  
And twinges in my heart.

ASHIK RAJAK

## **Bye..**

As love has made me blind,  
And I've troubled you a lot, I know  
I'll stop this chapter here,  
But I will come back for you,  
When I'm a good and deferential person,  
Who suits to be yours,  
And take you away, one day  
And make mine ineradicably.

But don't think I will forget you,  
I will still love and miss you,  
And I will wait for you,  
Cause I really love you.

ASHIK RAJAK

## **Can't Fight Only You! !**

Fighting is one which I can't  
I can fight the pain and hardships  
The globe, but not you  
Mom and Dad.  
I love you more than I can say  
More than I can ever pray  
And more than you imagine and expect.

ASHIK RAJAK

## **Condition without Her.....**

This lover is going mad here  
And he doesn't know where his love is  
How she is and where?

And if she still loves him or not  
Or has she and her feelings changed  
And if she wants to see him again.

ASHIK RAJAK

**Do you? ?**

Do you know?  
How I felt  
When you said  
I was no one of yours.

ASHIK RAJAK

## **Dreams**

My dreams are over  
But still fresh are the dreams I saw  
With You.

ASHIK RAJAK

## **Fear For You**

You were there next to me,  
And we both were together  
But soon as time passed by  
Found myself alone in the same place.

And I'd got so worried and livid  
And suddenly when I cried out loud  
My eyes opened and I found myself,  
In bed.

Then I thanked God that it wasn't true  
But still I have the fear to lose you  
Hope you will be mine for ever and a day  
Throughout my life and  
Through all that comes my way.

ASHIK RAJAK

## **First Wish!**

The day for which I have been waiting and working  
An opportunity to know and be known.

The personality whom I've met  
And who could do what I sought.

The start I all the time hunted  
Came moreover passed in front of me.

I didn't execute and speak a single soul  
And just watched it go away.

This is the chastise I will get now  
Neither will I know or be known.

Nevertheless still I will keep trying  
Trying, trying and trying perpetually.

ASHIK RAJAK

## **How A True Lover Feels**

A true lover, whose heart beats for his love,  
Cannot live if his love leaves him,  
If his love goes far away from him even for a second,  
Or if he doesn't see her,  
It's the worst thing he may have ever predicted.  
And he'd love to die,  
Rather see his love,  
With any other guy.

ASHIK RAJAK

## **How?**

How would a lover feel  
If his love left him  
If she just went away  
And said she didn't want  
To see him again.  
What would happen to his heart?  
What would happen to his dreams?  
All would be scattered into pieces  
And he would feel his life miserable  
With no one to live for  
And at last he would die  
In thoughts for his once  
Called Love.

ASHIK RAJAK

## **I know I love you**

I cannot tell you  
How much I love you  
Neither with this piece of paper  
Or with this pen in my hand.

Nor can I show  
My love for you.  
My feelings and emotions for you,  
My heart that beats for you,  
My eyes that open to see,  
You, all day and night, everywhere.

And hopes to see you again and again  
My hands that write for you,  
And I who is ready to do  
Every small and big thing for you.  
But I still do not know  
How to show and prove my love for you.

But I love you,  
Very, very much.  
And there's not a night that I've  
Slept without thinking about you  
And there's not a dream that I've  
Seen, without you in it.  
Cause I love you.  
I know I love you.

ASHIK RAJAK

## **If you are gone!**

If you are gone far away  
How will I spend my life?  
How will my dreams  
With you, come true?  
And how will the wound  
Made in my heart a long time ago, heal.

But unfortunately, it's true  
So, please come back to me again  
Cause I'll always be waiting for you  
My love...

ASHIK RAJAK

## **Keep These In Mind!**

One second gone is gone forever  
Once done is done forever  
Once hurt is hurt forever  
Once gone far away is gone forever  
Once left is left forever  
Once gone front, there is no way backwards forever

ASHIK RAJAK

## **Life**

The greatest happiness  
And the greatest sorrows  
Both in love.

ASHIK RAJAK

## **Missing You....**

I miss you a lot  
My love  
And I always want to be with you.  
My heart doesn't sit still for a while  
A minute is now a long time.  
My mind just dreams and thinks of you  
And I always want to see you.

The slow breeze reminds me of you  
The walls of my room seem to miss you  
And when I look out of the window  
I see you,  
Waiting for me out in the lawn.

When I open my eyes I see you  
When I look around I see you  
When I close my eyes I see you  
When I dream then, you  
Open a book then, you  
Cause I miss you  
And I want to spend my life  
With you.

ASHIK RAJAK

## **Misunderstanding**

Do not say sorry or thank you  
It was not only you but me too  
You misunderstood me and I,  
Misunderstood you.

ASHIK RAJAK

## **Mother Nature**

The only one who doesn't speak,  
A single word regarding the inequitableness  
Done by we all  
The only one who has to live, alone.

ASHIK RAJAK

## **My Words**

I remember you all night and day  
And my emotions always  
Cry to say  
The words that's always been there  
In my heart and that I've always  
Wanted to say  
"I miss you a lot I swear  
And I love you  
And I will still do the same,  
Give you all I can  
And never leave your hand  
I promise and will love you  
And keep you happy  
Always....."

ASHIK RAJAK

## **Now!**

Now, I've no trepidation  
Of any jeopardy or the dark  
Cause you're the one  
Whom I feel is  
Eternally with me.

In every situation to,  
Succor and be with  
And never let me, alone  
And be lost  
In this leviathan,  
Savage world.

ASHIK RAJAK

## **One Last Chance! ! ! ! !**

The many times I've tried to do something  
But I've never gone through and succeeded  
But I'll still keep on trying  
Trying, trying and trying  
Till the day, that chance doesn't come again.

Is it not in my luck?  
Or luck does not want me?  
But I'll still keep on trying  
Trying, trying and trying  
Till the day, that chance doesn't come again.

I think this expectation of mine  
Will always remain a dream  
But I'll still keep on trying  
Trying, trying and trying  
Till the day, that chance doesn't come again.

I'll always be waiting for it  
And finally if it doesn't turn up  
I'll search for it  
And work all night and day.  
A one day I know it will turn up  
And when it does  
I'll give it my best and all that I have  
To fulfill my dream  
And to correct what I wronged  
The last time.

ASHIK RAJAK

## **Only For You**

I love you and I always will  
No matter what happens  
No matter how many births it may be  
I will always choose you.

Cause you are the one I always wanted and still want  
And I love you more than anyone else  
Trust you more than anyone else  
And want you more than anything else.

ASHIK RAJAK

## **Our Roads**

I am here,  
You are somewhere I don't know where,  
Far away.

Don't know when we will meet again,  
And will espy each other again.

My eyes can't wait to see you,  
And my hands can't wait to hold you,  
But what can we do?  
Nothing.

I'm still living,  
Not because I want to live  
But, in the anticipation that,  
You will come back one day.

Our roads seem to have separated us,  
And have taken us both far away.

ASHIK RAJAK

## **Questions?**

Now, I know I'm in love with you  
But do you know that I love you?  
Do you also feel the same I do?  
And see me as I see you?

These are questions to whose,  
Answers I do not know  
And want to know.

ASHIK RAJAK

## **Rule Yourself**

Whatever situation comes up,  
And whatever you may have to face.  
Never ever loose your nerve,  
And let fury catch you.  
Cause, once it does  
You'll surely get hurt and you'll hurt others,  
And later you'll certainly feel sorry for all you've done.

ASHIK RAJAK

## **Should I?**

Should I tell?  
My love and the globe,  
That I love her,  
Right now itself or,  
Shall I wait for the right time to come?  
If I do,  
My heart will be gladdened,  
But, if she goes far away from me  
What will go through me?  
And the heart of this lover will,  
Be broken again.

But if I don't, there's a possibility  
She may become other's,  
And mine no more,  
Then will this lover,  
Be able to watch,  
His love go far away from him? ? ? ?

ASHIK RAJAK

## **The Pain**

I know that I can face anyone,  
The world and all it's distress  
But remember, not the pain and the sorrows  
That you'll give me,  
When you'll go far away, one day.

ASHIK RAJAK

## **They.....**

How do they feel when they are alone?  
What do they do all day and night long?  
Standing in one place for years and years  
And how have they past the millions of years  
Standing in one place, lonely,  
Throughout their life.

ASHIK RAJAK

## **Ways Of Life**

Destroying our motherland is not our ambition  
Thinking only about ourselves is not our nature  
Breaking the heart of others is not our mission  
Killing our fellow men is not justice  
Just worshipping is not our culture  
Bringing tears in others eyes is not what we want  
Living and perishing is not just the way of life.

ASHIK RAJAK

**What LOVE does?**

It makes people  
Mad and blind in it  
But it is no crime.

ASHIK RAJAK

## **What I am waiting for**

I had been waiting  
And am still waiting  
For her to look at me  
While I am looking at her  
And then give me a smile  
Which I have always wanted to see  
And slowly come closer to me  
And say the words  
My ears have always wanted to hear.

ASHIK RAJAK

## **What I want!**

I want love  
And nothing in return  
I'll give you love and  
I want nothing in return.

I want your smiles  
And nothing more than that in return  
And more, I want you  
Your love and your precious  
Thoughts and your smiles in return.  
Cause I love you  
And there's no returning things  
In love.

ASHIK RAJAK

## **What Is LOVE?**

Love is an ocean  
In which a person falls once  
In his lifetime.

Love is the combination  
Of two hearts.  
Love is a promise to be together  
Through thick and thin.

Love is what cannot  
Be measured or weighed  
Nor can be showed  
And can only be felt.

ASHIK RAJAK

## **Why I Love You?**

I love you cause  
You are the closest to me  
And to my heart  
You understand me  
And my feelings very well.

You are the one who,  
When I see feel relaxed and calm  
And the one who,  
I always prayed and pray for  
And dreamt and still dream of.

ASHIK RAJAK

## **Why is It So? ?**

I know that our love is true  
And that you love me and I love you  
Then why are we far away from each other  
And there are no sign of us being together  
Does God not want us to be one?  
Or is it not in our luck to be together,  
And happy forever.

ASHIK RAJAK

## **Without her-II**

A second feels like it's more than a year,  
My eyes can't wait to look at Her,  
My hands can't wait to hold Her,  
My brain always wonders in thoughts of Her,  
And my heart starts to cry,  
When I've got to spend,  
A moment without Her.

The world seems to have become dark and ended,  
And there's no one to live for, I feel.

There's no happiness, always sorrows  
Without Her.

ASHIK RAJAK

## **Without You!**

Without you I am incomplete  
Without you my life is incomplete  
Without you my love is incomplete  
And so, are my dreams  
Incomplete....

ASHIK RAJAK

## **Wound Of My Heart**

There's an abrasion in my heart,  
Made by the stipulations of my love,  
Which can't be healed  
With the aid of a doctor  
Or even myself.  
Such strong are the words of my love,  
And the only who we confide in.

ASHIK RAJAK

## **You!**

You are the queen of my heart  
And you're the one who rule me  
You're the one for whom I can do anything  
And always want to see  
And be with.

ASHIK RAJAK

## **You....**

I love you a lot I swear  
And even in my dreams I pray  
To see you again.

I see you wherever I look  
And feel you are everywhere  
Then, when I close my eyes and look again  
I find you nowhere.

Your smile I always want to see  
And your eyes, I swear  
And pray you will come again.  
May God feel sympathy on me  
And send you again to me.

I feel I am in love with you  
But unfortunately you do not know  
But soon as time passes by  
You will be mine one day!

ASHIK RAJAK

## **Your Eyes**

When I look straight into your eyes  
I see the love you have for me  
Your feelings for me  
A world with only you and me and  
Dreams you have to fulfill with me.

ASHIK RAJAK

## **Your Smiles**

Your smiles and  
Your eyes, that looks like jewels  
Are what pulled me towards you.

When I saw you look at me with a smile  
And then turn and run away when I looked at you  
Mesmerized me.

Slowly, when you started talking to me,  
Don't know what happened,  
Started seeing you everywhere,  
And even in my dreams.  
Then, I finally came to know  
I was really in love with you.
