### **Catrina Heart**

The libretto in every leaf under this corral name is almost enigmatic. Nearly all of her oeuvre was idiomatic expressions turned philosophical and poetic in a compact free verse composition.

Catrina Heart aka C T Heart is extending her heartfelt greetings and cordial acknowledgment to all your inspiring comments and support.

## \*\*\*Compilations #2

1. My Early Morning Love by: Andrew Mark Wilkinson 2/22/09

You are the song of my heart  
The morning sun that gives me light  
You are the moon and the stars  
Of my evening sky-  
Blanket me with your warmth  
Never felt lonely because of your love.....

2. Take Me With You by: Hazem Al Jaber 2/22/09

Take me with you  
And show the love so true  
Grant me the one I want from you  
Fill my longingness.....  
Fill my heart,  
And make my dreams come true.....

3. Audacity Of Hope by: Dr. Hitesh Sheth 3/1/09

Until to the last strand of hope  
People should be holding  
To their undying faith  
And need not mope  
As long as one strives  
God will Bless him  
And extend His Almighty hand  
'till all opportunities rain  
And else the global  
Economy will rise-  
Does will never again fall.....

4. Your Image by: Sadiqullah Khan 2/28/09

If thy heart  
ablaze  
with love  
and burnth  
thee to dust  
to escape  
the dark image  
let it be.  
And let  
thy soul  
resurrect  
to form  
a new  
bright image  
in thy heart....

5. A Needed Art by: Samanyan Lakshminarayanan 3/1/09

Art is an art  
where you put  
your passion inside,  
an expression  
of one's being...  
nurturing the talent,  
fulfilling the dreams-  
makes one worthy  
in his essence  
and lights his beautiful mind.....

## 14th

Dreaming, wandering...  
Nostalgia of the endearing past-  
At the crest of the ship  
Under the moonlit hours,  
We were cruising together  
Embracing each others arms

Dreaming, wandering...  
Nostalgia of the date: 14th-  
You serenaded me  
With your stunning voice,  
Sung the songs of love  
That could give warmth  
To anybody's heart

The stars shined brightly  
That lovely sweet night.....  
They twinkled in the sky  
As the cold raging breeze  
Touches my spine.....

Dreaming, wandering.....  
Nostalgia of that enthralling night-  
Citizens on board envied  
Watched us with delight,  
The sweetness of you  
Made me a teary eyed....

With your love songs  
And sweet embraced.....  
You have captured my heart  
On that very date-  
You've kissed my tender soft hand  
And whispered "I LOVE YOU"  
In an amorous sound-  
Then and there on that remarkable night  
.....I gave you my sweet loving heart.

## **A Concerto Of Praise**

A lyricist of dedication  
Tribute to some orchestrion  
Each has symphony  
Notes and staff  
Poetic clef and treble  
All one in the sonata  
Of her asymmetrical love

Her inspirational melodies:  
A majestic orchestra  
Of poet friends  
With the great conductor  
Who dwells in the heavens

Each notes in the strings  
And keyboards, of do re mi  
Are music to poets' ears  
Soothes the hearts  
In an overwhelming piece  
Your sonata my dear Ahmad  
is an exceptional way to peace....

A friendly dedication to a dear poet here in PoemHunter: Ahmad Shiddiqi

## **A Domino Effect**

Oil price increase  
everything will increase  
A non-stop inflation  
where all gets commotion  
A domino effect  
in all commodities  
Whilst, poorer becomes  
Poorest of all people  
Petty pockets get deflated  
in every strip of expenses...

## **A Fowl In A Black Shawl**

In the light of the silver moon  
Wits travel on thin broom  
Stars glow, not in soulful trace  
But beneath the shadowy lace

Where mind brings the soul  
Of a charming lonely fowl  
In the stellar body projection  
Liberation, veto abysmal notion

Sporty in kayak, life's whirl canoe  
Into the oceans depth, swim like Nemo  
Flickering, flattering, wonder of soul  
Stretch in heaven or earth, a pretty goal

Prison withered flower  
Caged in the golden tower  
Of fame, of power  
Nobody discern she whimpers  
Heart is dying in timbers

Catrina Heart

## **A Sweet Cradle**

He had drunk the tears away.  
From his heart sweet embrace.  
There's nothing left to say,  
Except -  
"Love bring me to bed."

Catrina Heart

## **A Trip**

Can you free my soul from all the hurts and pains?  
So my heart will never beat, and be in a comatose state.

Can you cage my mind from all boundless perceptions?  
So my body will rest in all apprehensions.

The ailment I have will never be cure.  
Overdose I am to injections of life's cure.

Pull me now into a deep sleep.  
Push me along to the hole of murky pit.

Be it in catatonic or anesthetic treat,  
Just bring me to an everlasting joyful trip.

Catrina Heart

## **Adieu**

Archangel she, tried to help  
With an open arms for you to dwell  
And be saved from the devils hand.

Arrogant he, knows not to listen  
Standing so proud in a veiled cavern  
Discern not the menace where he'll soon suffer.

Self conceited she, I bid adieu to you  
Doors are closed, to you I walked away  
Still my hands clasp as for you I pray.

I'll just let you go on your way.....  
But please God! Save their souls to their play.....

inspired by the parable of the Prodigal Son

Catrina Heart

## **And Ran Away**

Oh! My heart.....  
My heart.....  
Your love divine  
You have shared warmth  
To this loving cheerful guy

Admirable in his ways  
'Bout his bouncy joyful life  
Throughout the day-  
Jovial ever after  
Heart's evergreen  
Rainbow maker-  
Of my dark cloudy day

Why you said "I LOVE YOU"  
And ran away?  
On that beautiful sunny Sunday  
I fancied we sit by the river  
And hold my hand that shivers...  
Without utterance  
You discern what my heart says...  
Into my eyes you'll glimpse  
Every answer to your queries  
Even the nymphs will dance  
In the rhythm of my hearts scream.....

Now, my love! ! ! ! ! ! ! ! !  
Only the gentle breeze knows my soulful dream

Catrina Heart

## **Angelic Love**

I will sing and dance  
to the sweetness  
of your heart.  
Blow you a kiss  
and hug you tight...  
in my dreams  
I am loving you so much.  
And during the day  
I will show you  
my way of living...

Catrina Heart

## **Anniverasy Poem**

The Church wedding bells had rung-  
Joyous sound echoed on this date years ago;  
Fabulous entourage and marching songs  
Exchanged of I do's..... Wedding bonds.....  
And lifetime promises of the sacrament .....  
All fresh and sweet in my heart etched so deep.  
Forever in love with you my sweet.

More and more as days passes through.  
My love will breathe paramount...  
And day to day brand new.  
Another year has added in our life together  
I pray to God, our Almighty Father.....  
That He will always bless us-  
To be strong and united,  
Forever in love to each other! ! !

Happy Wedding Anniversary My Heart.....

Catrina Heart

## **Ant Tribe**

To lead by the nose  
A power to hold  
Stand with grace  
Respect you'll make  
Never let your feet  
Away from the ground  
Surely, ants will follow  
In a single line

Catrina Heart

## **Avenue Of Life**

At the avenue of cross roads  
There are words left unspoken  
Never to be uttered  
To sting not one's heart.

Let heart scream in silence  
Let soul caress you in a distance  
For the love is forbidden  
In the garden of paradise

inspired by the song: Forbidden

Catrina Heart

## **Avian Mind**

Sunflowers praying in the mid dawn  
Bereavement of hearts for the green lawn  
Vanishing beauty, tanning the earth  
Its richness decaying in greed's birth  
Poor Mother Nature losing its breath  
Slowly dying from hunger and thirst  
Trees and fishes asked, is this a cursed?

Oh! Holy One show light upon  
The vultures' claws, freed avian mind

Catrina Heart

## Be My Valentine

Do I still have a chance to see you?  
To touch your face and feel your warm loving embrace.  
Do I still have a chance to be with you?  
To talk to you under the sun, on the beach were we used to have lots of fun.  
Do I still have the chance to sleep beside you?  
Like a little girl finding comfort to your arms warmth.

How I wish to hear your voice,  
The words you whisper into my ears.  
To play with you like the good old days-  
Laughing and smiling, even the nonsense we shared.  
How I wish to sit beside you under the tree-  
The freshness of air, in silence we breathe...  
Enjoying the sweet gentle breeze in the farm  
You cultivate for us to live...

Can I still hold your hand and put it on my heart?  
Can I still have a glimpse of your loving chinky eyes?

Oh! Dear daddy, please stay strong...  
I still want to be with you and be my valentine for so long.

PS: I made this poem for it is what my heart screams right now. I just received a bad news few hours ago regarding my father that he had an accident in the US...Where he lives alone and suffering from the last stage of diabetes...

Catrina Heart

## **Bear Hug**

You have drunk my tears away.....  
Kiss me with your love and care  
Blow cupid's magic spell, and sway  
Merlin's wand and potion showers  
Hypnotizing me with your gentleness stare  
Abreast with you always and forever  
My loving bear.....

Catrina Heart

## **Blase**

Oh! ! ! Mister...  
You are the master...  
master of gamblers...  
You are taking so much risk  
in playing with a match stick.  
But you are mature...  
worrying not of the unborn future.  
Please! ! ! Please! ! ! Stop...  
You're playing horse  
with a Billy goat.  
You might lose your turn...  
your oath.....  
You are making your life waste,  
unaware you'll be caught.

Catrina Heart

## **Blinded**

Blinded by love  
when irrationality reigns,  
rest between the devil  
and the deep blue sea.

Catrina Heart

## **Blue Eyes**

Gone astray her golden pen  
No more magical present  
Raining ink gone, dull and dry  
Leaf lost its brilliance and shine  
In the seven galleries  
Of heaven and paradise  
Only her tear drops present  
In thy beautiful blue eyes

Catrina Heart

## **Blue Sea**

In trance, I am wandering.  
To the depths of my heart,  
I am searching....  
To the yearning of my soul,  
I am craving....  
For your sweet kiss-  
For your warm embrace-  
For your love and caress-  
I am longing for you  
My sweet soul mate!

Catrina Heart

## **Bonsai**

Live with your wonderful books  
with the sun and the moon  
Fertilize the gray  
and forgot to cultivate the soil  
The tree became a plant

Catrina Heart

## **Both Ends**

The sanctuary:  
Like a dungeon  
In the old castle-  
Full of lies!  
Full of mysteries!  
So gloom!  
So filthy!  
The corner stones  
And mighty bricks  
Discern only  
The truth beneath

Dwelling glass:  
A diverse sanctuary  
Confined souls  
Screaming .....  
Yearning.....  
To have some rosemary!  
To resurrect from pains-  
To breathe new life-  
With love in phantom  
Or in delusion-  
Never shrewd  
The catastrophe  
impending

Catrina Heart

## **Broken Wings**

Man! ! ! You looked yourself so proud  
Great dreams were planned  
But your patience pulls you down  
Making your cake always dough

Catrina Heart

## **Brown Eyes (Haiku)**

My two white roses  
Falling blue tonight my love  
My sense yearns for you

Catrina Heart

## **Cheers (Haiku)**

Sounds filled the dark side  
Crickets and frogs festive night  
Rain ends in thy eyes

Catrina Heart

## **Cherry Blossom**

Be a genius or be a nerd  
A bookworm in delight  
Flourish the mind and  
Move like a jack of all trades  
Your chair will speak...  
And tell them-  
So speak by the card

Catrina Heart

## **Clemency**

To err is human  
To forgive is divine  
Forgiveness is a virtue  
We must also look at one's shoe

We exonerate because  
It is the finest thing to do  
for the delinquent and further so  
for ourselves, too.

## Compilations

1. Forever My Valentine by: Kesav Venkat Easwaran 02/20/09

If thy heart transcends distances,  
And revolves around in space,  
Take thee my arms... my love.  
In chimera we'll tilt the farm;  
Where white doves dwell  
In the grape orchard  
Or in the valley of strawberry fields  
Let earth witness us  
The smiles within us  
The divinity we have  
Amity of a child

2. In Silence by: Sadiquallah Khan 02/19/09

In silence I'll sneak  
and walk on hill zenith  
under the gaze of moonlit  
the stars will guide my feet  
In silence where all are resting  
I'll stand on the cliff beaming  
As the cold breeze embraces me  
I'll shout what's inside my heart to thee  
Thy precious love to thee,  
let it shine, and sparkle in time  
for divine love to you has mine

3. I Have Heard Also by: Sadiquallah Khan 02/13/09

The gentle breeze as messenger  
whispered the words on thy beloved's ears  
And make that soulful dream, not fancy  
into the heart of reality.....

## **Cupid's Arrow**

Cupid has struck an arrow  
at your vulnerable heart  
making you  
head over heels  
so much in love.

Love, love, love....  
stars twinkle in the eyes  
makes the heart beat so fast  
cheek blushed-  
as i see  
your toned carcass.....

Catrina Heart

## **Dalangin Ko**

Sa mga bawat panaghoy na aking naririnig  
Puso ko't damdamin ay naaantig  
Mga anghel sa lansangan  
Puno ng dugo ang kasuotan  
Sila'y mga biktima ng karahasan

Sa mga bawat buhay na nawawala  
Sa bawat sigaw na pinakakawala  
Nakamamatay na tanawin aking nasisilayan  
Mga anghel sa lupa, kalunos-lunos na biktima  
Ng mga karahasan.....  
ng walang saysay na kaguluhan.....

Dalangin ko sa Poong May Kapal!  
Nawa'y pakingan aking munting kahilingan  
Sana'y ang bawat sigalot ay maging maayos  
Pag-ibig maghari sa buong sandaigdigan  
Mga pusong pighati nawa'y huwag mahati  
Kapayapaan maghari sa sanlibutan

Catrina Heart

## **Dilemma**

Shadows on the hill  
are having  
a great banquet,  
with the flowers

Catrina Heart

## **Eerie Grey**

A deep breathe-

What else do I need?  
To make me go my way

Catrina Heart

## **Exposed Pictures**

The lion entered the dark room,

faces and views fading as he goes on.  
Nothing was left unbroken,

## **Fruitful We Are...**

It's been ages and everything went to dust:  
Issues and unsettled divergence were past.

Happy we are today, nourishing our trees  
In our vessels soon filled with strawberries.  
.....fruitful we are after the dusk!

Catrina Heart

## **Greetings My Dove**

Did you have an early morning hike today?  
Have you heard the wind whispering lexis of love and say....  
"Good morning! My friendly dove..."  
"I hope you had sweet dreams last night."

Have you noticed the sun ebullient at you?  
Have you sense him inside of you?  
He gave you affectionate embrace,  
And promised me he'll light your path throughout the day.

I even sent flowers and trees, morning dews to welcome you.  
I've talked to them and said....

## **I'M FREE**

Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard Him call  
I turned my back and left it all.  
I could not stay another day  
To laugh, to love to work or play.  
Tasks left undone must stay that way  
I found that place at the close of the day.  
If my parting has left a void,  
Then fill it with remembered joy.  
A friendship shared, a laugh, a kiss.  
Ah yes, these things, I too will miss.  
Be not burdened with times of sorrow,  
I wish you the sunshine of tomorrow.  
My life's been full, I savored much.  
Good friends, good times, a loved one's touch.  
Perhaps my time seemed all too brief,  
Don't lengthen it now with undue grief.  
Life your heard and share with me  
God wanted me now, He set me free.

Make the most of your time here.

Catrina Heart

## **In Silence**

When the blanket spread on earth,  
And the moon post as a lamp at birth,

love and peace awaits...

sa aking balintataw aking kinahalikan  
puso ko'y kanyang binighani  
dekada na ngunit isip ko'y di pa rin mawari  
kung ano ba ang tama't mali.....

Ang pag-ibig kong dalisay  
mawawala sa karimlan

knocks once in a lifetime.

## **Kung Hei fat Choi**

Chinese people welcome another year  
Year of the Ox, a 2009 calendar to cheer  
Dragon dance, fire works and noise barrage  
Some Chinese rituals that they make totally right

To drive away the bad spirits, and welcome the chi  
Food on the table must be according to thee  
Fruits must be in twelve, and a money tree  
With rice and coins, wishing paper under the tree

Temples and chapels, joyful and bright  
Offerings to Buddha so lovely in any kind  
Asking for prosperity, good health in any tide  
Happiness and wealth for all in a joyous pride

Everyone so excited to know the predictions and charms  
Red for color, number eight and nine the luckiest of all  
Jade is for good health, and other precious stones  
Pineapples, grapes and garlic- abundance and grace to all

A start of another Chinese year, Ox's jubilant year  
With prayers and hopes, charms to add to our dreams  
Everyone so wishful that this year, luck and love may bring  
To all people in this world, to make this a better place to live in

Happy Chinese New Year to All! ! ! ! ! ! ! !  
Kung Hei Fat Choi! !

## **Life**

What life can be for my sake?  
if fate designed what I have to take.  
Life sometimes is like a sort of a joke.  
You'll never smile or cry if you fought.  
Leaving you groaning in its play,  
Cause you'll never know what it conveys.

Catrina Heart

## Likewise

I am the woman of the wind  
Bringing my sand a soft gentle feel  
Letting the sea kisses my feet  
Leaving me no footprints deep

My shadow loves me  
And likewise love I  
at the split of daybreak  
We breathe equal air  
Intoxicated with the comfy ambiance  
In my lips divine  
Whispering fair  
Even sailing diverse coast  
.....sometimes!

Catrina Heart

Catrina Heart

## **Lumbay**

Sa samyo ng mga bulaklak  
Sa liwanag ng mga kandila  
Sa mga gabing ako'y umiiyak  
Kaluluwa ko'y binabalot  
ng labis na pighati't kalungkutan

Sa kabilugan ng buwan  
Sa mga bituin na marikit  
Mukha mo'y hinahanap-hanap  
sa mahabaging langit

Ako'y nagbabakasakali  
aking kahilingan makamit  
upang puso kong nalulumbay  
ay saglit man lang na ngumiti

In this phantasm world  
You! Man with an iron mask.....

## **Our Herald**

O you a kid of feeble heart,  
Be tough, be brave,  
Do not be afraid:  
Behold our deity who arrives to keep us.

He comes as an archangel,  
As a herald,  
He became man, like one of us.  
He comes to protect us,  
To save us,  
And bless us  
with His wondrous graces.

Can't you see the signs? It's all around us.  
Just have faith,  
Just believe,  
And you'll be able to see the light.

Trust Him with all your heart,  
And you'll never lose your guiding light.

## **Placid Doze**

In the crystal walls  
The winter air brings frost  
The spirits scream  
To have warmth placid doze  
"Take me with you in Narnia"  
"Make me the gentle queen  
Of the East"-  
"You'll be my wisdom Tiger"  
"There in the wardrobe  
The witch will no longer live"

## **Rain (Haiku)**

Grizzled condition  
Sky's vain despondency  
Tear drops of heaven

Catrina Heart

## **Rain Dance**

Dance in the rain to wash away the pain.  
Dance and dream...  
Dream of happy days, let bay ride on train.

Sleeping, dawn and dusk still play the game.  
Soak potion ivy, toned... and you'll be in shame.

Well mannered, a solution to beat their aim.  
Whilst, pouring wolves more crazy and...  
Wailing will just splatter your gorgeous name.

## **Rainbow (Haiku)**

Arc, bands of color  
A kaleidoscopic world  
Glimpse behind the rain

## **Rather Be**

Whatever I found out  
Makes no difference  
I am still your friend  
who is with you always

Please don't go! ! !  
Don't dare to leave me! ! !  
Because you are now a part of me.

You made me cry...  
You made me laugh...  
You have made a special place  
here in my heart...

You have conquered my soul  
into the deepest core!  
Leaving me behind  
I will never survive...

Better to be dead  
without you here by my side.  
I know you are the one...  
You are the one loving me  
from a distance.

inspired by the poetic stirring style of Mr. Hazem Al Jaber  
(an experimentation of poetic application)

## **Rather Die Without You**

I am still here for you...

I am still your loving friend...

Nothing has changed...

Nothing will ever change...

I am still the same person

you know...

Please don't go! ! !

Please don't leave me! ! !

you became a part of my life...

you became a part of me...

I miss you! ! !

I miss you so much...

Please...

Please! ! !

Don't leave me behind...

You have made a special place

here in my heart

You have conquered my soul

deep into the core.

Things will never be the same

without you here by my side

Because I know you are the one

You are the one loving me

caring me in my darkness nights

Without you darling

I can not survive.

I know you are the one...

Please don't kiss me goodnight...

Note: just being adventurous in the world of poetry.

## **Replica**

(Couplets)

In stillness, she found another stone, a gem or a rhinestone?  
Which is which, heart could only discern the specific beauty of a clone.

## **Resolutions**

Fields have eyes  
and woods have ears  
so be watchful  
on what you will create.  
Because you may grieve  
for what you have been taken.

## **Reverse Psychology**

Born lies to be white  
In order to survive  
Pretentious state  
'She's great as always'

Catrina Heart

## **Season Of Blue**

Now is the second season of being blue  
Without you I feel so alone and no sparkling hue  
Because God knows how much i do love you

Catrina Heart

## **Secret Place**

Down in the dungeon of shadows  
Past hunts down with deep sorrow  
Resurrects a beautiful friendship  
Came to be an affair in your October trip

In your secret place I discovered all  
The blooming blaze you are standing tall  
You love the fire, and care less to none  
Even at stake, burns the heavenly dune

In today's realm, my pillars are loosing stand  
My fortress crumbles for I accidentally stumbled  
In your secret place, you've made an illusive bond  
A crystal clear affair, even she is owed in the other land.

## **Self-Governing**

When vegetation would grow  
and turned to a tree row  
ready to bloom  
to bear fruit soon  
wishing the sun's mighty hand  
to shower them with green thumb  
in hoeing one's own row guard.

Catrina Heart

## **Seventh Heaven**

She would loom to you  
in the seventh heaven.  
Gloomy footsteps peep in -  
The flowers bloom  
in the Garden of Eden.  
Salutation in tribal banquet-  
Black petals of stargazers  
Confetti with red laces...  
Into the vines of your vein  
You will imbibe the lovers wine  
With no shy and shame.....

## Shadow's Game

Just 2 days past New Year-  
Anonymous notes keep coming  
In my inbox phone text messaging  
7 days after the beginning of the year-  
Anonymous telephone calls  
I keep on receiving.

Man! ! ! If you have naught to achieve  
With your beautiful life  
I counsel you! ! ! ! .....Seize a knife  
And finish your carefree strife  
You are playing a game  
Of a hoodwink, a fool, that you-  
The only one is running cool.

Better stop! ! ! ! ! ! !  
I'm not in the mood.  
The game you play -  
Challenge me, it won't do you good.  
Better stop! ! ! ! ! ! !  
I'm warning you.....  
'Cause if not,  
I'll give what is due to you!

Ask yourself first! And contemplate.  
Are you ready to play my gorgeous game?  
We'll play the game of fanfare death  
None will surrender until.....  
Someone loses his precious breath.

Catrina Heart

## **Spider's Web**

Your rancor is your friendliness,  
taking your prey to your nest.  
Victory is your laughter  
existence of yours is like a monster.  
Your thrills are like deadly spider  
that kills someone trapped into the snare.  
What kind of being are you?  
With out a heart...  
With out a soul...

Catrina Heart

## **Sweet Kisses Of Goodbye**

My expressions.....  
My scribbles.....  
My poetry.....  
The swift flicker of my grey matter;  
By no means intend to sting one's heart.  
If ever, I did in the mountain forest,  
..... or in the core of the earth.  
I'll send my angels from the heavens.  
In humbleness kiss your feet  
and your friends, my friends-  
and uttered my message of thousand apologies.

The story ends this way! .....

## **The Banners Of The Living**

Singing the songs  
Of the unheard;  
Aware of the presence  
Of the unseen;  
Screaming the voices  
Of the dying;  
Holding a banner  
of the living,  
Fighting for what  
he believes in.

What would life be without You?

## **The Virgins Eye**

In the virgins' eyes, thinks  
only wonderful things.  
Perceived only the dazzling craze,  
Full of rainbows, full of colors, Full of joy on her face.....  
What if in just a blink,  
And saw a black ink?  
Stained her ashen dream,  
pierced the soul in her day dream...

## **The Virtue Of Silence**

Better be in silence  
Rather than to chew the rag  
For the one who speaks more  
Is guilty of...  
Than the one who speaks less

Catrina Heart

## **Thy Feathers**

Half wing!

Take her under your wings,  
Chirp the song  
That makes a soul swing.  
In delight.....  
At night.....  
Soft tiny feathers-  
Hearts' warmth  
In the cloudy blue sky.

Catrina Heart

## **Tiredness**

Break free that's what my heart screams  
Break loose is what my soul aches  
Break a leg to this enchanting world  
When will my heart rest from pains?

Without you I am melting in this dry land  
You left me cold as ice, frozen...  
Bees sting makes my heart a stone.

## **Travelling Through**

Squeezed the heart  
A painful thought  
Fighting to take a deep breathe  
to live, to love, to fight

Catrina Heart

## **True Love**

Just waiting for you my dear...  
your lover yearns  
from your sweet face clear -  
to caress your gentle skin  
with thy body so smooth  
and slim?

Seasons change so fast my dear  
Will you still love me even the skies is not clear?

If decades gone...in triple bellies, love me still?  
If I have no more money, will you take my bills?

Oh! Dear...my love never fades  
Even I am hopeless and gone through age...

From consciousness  
To sub consciousness  
Travelling into  
a deep black hole...  
A passage into a great sleep.

## Untouchables

Never fear,  
I mean no harm  
Rest my case  
In the tomb of fire  
I can't battle alone  
In the knight's owl  
So I stayed  
Deaf and blind  
Dressed  
In my black shawl

You toil as one  
As an army of love  
Your brotherhood  
Is astounding  
As clandestine lies  
In the deepest ocean  
With one blood,  
One goal.....  
Poison ivy.....  
Beware rose! ! ! !

Catrina Heart

## **Warning**

Time is ticking  
The hands of time is counting  
The entrance to the soul is fighting  
Keeping its doors open  
Blinking towards life

## **With You**

With you! I have wings to fly.  
Over seas... and over mountains...  
Over thousand lands, I shall flutter.  
The distance between us doesn't matter.  
The fortress, I shall break.  
Its ruin shall remind us of what we have made,  
Our epitaph... Our flight...  
In the bondage of love!

I love you?  
I love you, truly.  
Yes! It's true.

With you, I have power over things.  
With you, I have my colorful dreams.

All coming true because of you...

-

Lovingly dedicated to you my sweet Heart

My very-everything! ! !

From rags to riches  
I'll be by your side  
Your lucky charm  
from all the tides.

At the foot of your saccharine promises offering  
Brown or Blue, eyes of desire hypnotizes you

In the festive night  
Made the heart bleed-  
In an instant

Crippled my hand-  
In the vein of your love!
