a saviour is born

a saviour is born!
people are glad
so they make loud
and joyful noise!
birds singing and flapping
their wings
wispering to themselves
trees waving their greenish
leaves to praise god
for giving us a saviour
the stars smiling brightly
to the earth!
angels singing with their
melody voice in the sky
giving god thanks for
this wonderful day!

Esther Obeng

can't live without you

I sit here all by myself
my eyes full of tears
my heart full of sorrows
my broken body uncontrollable

i try my best to cheer up
but without you nothing can cheer me up
i tried my best to pull my self together but couldn't
i tried to wipe the tears but it wouldn't stop flowing

i miss your warmth body
i miss your golden eyes
i miss your juicy lips
i miss everything about you
i wish you was here
to take me into your warmth arms

i sit here trying to find someone like you
but it seems impossible
no one can replace you
you are unreplaceable
i can't live without you
for the pain is unbearable
without you in this world,
im nothing!

Esther Obeng

christmas comes and goes

christmas comes with snowball making
christmas comes with snowball fight
christmas comes with santa claus
christmas comes with decoration of trees
christmas comes with church bell ringing
christmas comes with new year
and does with the old year
christmas comes with presents given
and collecting
and goes with nothing

Esther Obeng

death is wicked

death is wicked,
oh death why are you so wicked?
you are so wicked that
you took away our beloved ones
without thinking about it

living us sorrows
and loneliness
oh death why are you
so terrible
that you took away

our beloved heros
without giving us
the chance to thank them
for their good work

oh death,
you are the most awful thing
in life,
we hate you!

we will hate you
till the day you will stop
taking our hearts away
from us

Esther Obeng

Dreams Come True

dreams come true if you want it to come
dreams come true if you try your best
dreams come true so don't give up
keep tryind and hold tight
to your dreams and it shall come true

Esther Obeng

frozen emotions

frozen emotions
emotions that i think are killers
emotions that i think are deadly
i tried my best to hold tight to them
but they seems unholdable
I tried to hid them
but they seems unhiddable
anytime i look into your angelic eyes,
i just melts
everytime i see you in my dreams,
i wish i would sleep forever
my heart bleeds whenever i see you
with another girl
but i dont blame you,
for i have frozen my emotions

Esther Obeng

heart breaker

heart breaker,
my heart is full of sorrows
as i walk towards the forest
looking for you
thinking i could find you
but you were nowhere
to be found
my eyes full of tears
as i looked up
in the blue sky
feeling lonely
my heart burning because of you
you went away without saying goodbye
leaving me helpless
why are you so heartless?
you didn't even think you
will break a precious heart
if you run away
i roam around the world looking
for you
but you were nowhere to be found
don't be a heart breaker
because it cost lives.....

Esther Obeng

inseparable love

inseparable love
a love to die for
a love which cannot be separated
a love which people try
and try but could not separate it
they attempts but fail
they try to kill this love
but forever it will survive
for this love is inseparable

Esther Obeng

it was all a dream

it was all a dream,
you opened your arms so wide,
to let me in
i could see your angelic eyes,
shining with happiness
your nose almost touching mine
your hands on my wrist
i could hear your heart beat
i could smell your fresh breath
my lips was almost touching
yours,
but then,
i waked up that moment,
and realise
it was all a dream

Esther Obeng

kissed my pain

oh you kissed my pain
everything i had was now nothing
everything i wanted flew away so fast
all i had left was my body and soul
untill this day
you came along
you sewed my broken
pieces together
you kissed away my pain
you made me happy again
you made me human once again
everything i had was once again
back
because of your kiss!
thank you for kissing away my pain

Esther Obeng

leave me alone!

leave me alone
what have i done to you!
that you will never leave me alone
you have tried so many times
to lead me to hell
but unfortunately for you,
you always lose
you have attempts so many
temptations
but it seems impossible
you know
you will never win!
so why don't you pack your self and
go to hell!
you will always lose
leave me alone
you loser!

Esther Obeng

Life

what do i mean by life
life is full of deception
life is full of confrontation
sometimes in life,
we face so many tentatives
sometimes in life we feel inoportune
it makes us want to leave this world
sometimes
life is full of ups and downs
it is full of disadvantage
life is full of mutilation
sometimes we say life is wicked
but never give because you
get what you want oneday

Esther Obeng

loneliness

i sat on my bed reading and writing
each and everyday
my world full of loneliness
i have no one to talk to

i travel around the world
looking for someone to
take away my loneliness
but it seems like everybody
hates me!

until this day that i found you
you took away my loneliness
you took away my shyness
you drove away my enemies

thank you for your kindness
i am no longer lonely
because you took away
everything!

Esther Obeng

Money Is A Devil

money is a devil
it is full of temptations
money can lead you
to hell
it can make you sell
your soul to the devil
money can do everything
within it power to make
you do what you dont
want to do
money is a devil
so dont listen to
it because it may
lead you to hell!

Esther Obeng

nature

nature is great,
hear the birds singing
and whispering happily to themselves
flapping their angelic wings with excitement

nature is happy
hear the trees
waving their greenish
leaves and branches
here and there with happiness

nature is caring
feel the air
spreading its freshness
all over the world
smiling kindly to every creature

nature is kind,
see how kind the blue sea is
sparkling happily to every creature in it
the fish jumping up and down
their hearts full of excitement

Esther Obeng

Sleepless Night

sleepless night,
a night of temptations
a night full of horror
a night i couldnt sleep
because i was too scared

sleepless night,
a night i didn't want
to go to bed because
i might dream about
horrible things

sleepless night,
a night which people
talk without stopping
because they dont want
to fall asleep

sleepless night,
a night no one
wanted to close
his or her eyes
is a sleepless night
no one is going to bed

Esther Obeng

sorry

sorry if I did hurt you
I didn't do it intentionally
I should have listen to you
the first time you talked to
me about bad friends
I should have thanked you
instead of breaking your heart
sorry
it wasnt my fault I was blinded by friendship
sorry if I ignored you
when you needed me
sorry
I will never leave you again
I will never ignore you again
you will always be my friend
And forever our friendship will last

Esther Obeng

Unforgettable Heros

we stand here this silent moment
our hearts full of sorrows
our eyes full of tears
we stand before your grave
with red roses
for today is the day to remember you

we are here this hour to say thank you
for we didnt get the chance to thank you
because death took you away so fast
for death is heartless that it took away our
beloved heros

In return we pray to the almighty
to accept your soul in his house
may your soul find happiness
and rest in peace cause you really deserve it

we shall always remember you this day
you will always remain in our hearts
always and forever you will remain our heros
for heros like you are unforgettable

Esther Obeng

wake up sleepers

we sleep without waking up
we sit without standing up again
we pull without pushing again
we dream without making
our dreams come true
sleepers please wake up!
because the world is shifting
if we dont wake up
we would be too late!

Esther Obeng

wow what a friend i have found

i travel around the world
looking for a true and faithful friend
but unfortunately for me i found none
i travel from country to country looking
for a trusting friend but found no such friend

i decided to visit all 196 countries in this
world and see if i can find a true friend
but it seems all the friends i found either
leave me with broken heart or make fun of me
i decided to be on my own

until you came along
wow what a great friend i have found!
This friend i have found won't make fun
of me neither live me with broken heart

wow this is the greatest moment of my life
i have found a true, faithful and trusting friend!
i have found the greatest friend ever
what a great friend i have found!

Esther Obeng
